

Six Sigma Enterprise vs. Desktop Worksheet		
	Yes	No
Is your Six Sigma initiative being deployed across your entire organization?		
Is your organization presently enabled with "enterprise" type applications?		
Do you intend to use outsourced web applications as your program software?		
Is your Six Sigma program going to affect more than 1000 staff?		
Do you have customers that require integrated data systems?		
Do you anticipate having more than 20 Black Belts?
