

5.12 Solutions

Professional Expertise/Services

Sal Silvester, President and Founder of 5.12 Solutions (five-twelve), works with teams who want to enhance how they communicate and collaborate, and with organizations who want to bring out the best in their people. Sal has a unique perspective on team and leadership development gained through his experience over the past 16 years as an Army Officer, an executive at Accenture, and founder of 5.12 Solutions. He has led teams in the desert of Kuwait, the mountains of Turkey, and in the offices of many clients. He is a graduate of the US Army Ranger and Airborne schools. He is an avid rock climber and mountaineer and has competed in 5 marathons and an Ironman triathlon. Sal integrates a unique blend of experiential activities, content, elearning, and DiSC and team assessments within his programs as tools for growth that make learning unforgettable.
