

Lisa Kohn

Lisa Kohn is an accomplished organizational development consultant and executive coach with strong business background. She has over 20 years of experience, including over 10 years direct consulting with Fortune 500 clients in areas of leadership, communication styles, cross-functional teams, managing change, interpersonal and team dynamics, strategy, and execution.

Professional Expertise/Services

Lisa successfully partners with organizations across a broad range of industries. She has consulted with leaders in companies such as Verizon, World Wrestling Entertainment, Citigroup, Pitney Bowes, and Goldman Sachs. By emphasizing the importance of strategic thinking and communication, Lisa helps clients to not only dig down deep to uncover issues and implement real changes, but also to successfully communicate with others to ensure the changes stick and objectives are accomplished.

The expertise and approach Lisa brings gives clients the resources they need to succeed. Supporting clients to successfully manage the realities of leadership – doing more with less, delivering projects on time and under budget, flexing in an environment of fast pace and continual change, developing and managing talent, strengthening essential relationships upon which achievement and business are based – Lisa offers her clients the skills and knowledge they need in order to perform at their best.

Recent Assignments

- GroupM – a program for High Potentials to reach a place of even greater achievement
- Reliance Standard Life Insurance – Leadership Development program for all managers within Sales and Marketing division to build skills that would in turn increase retention
