

Pfeiffer Partner Program

Bonni Stachowiak

Professional Expertise/Services

Bonni Stachowiak is the president and founder of Innovate Learning. She is also a professor in the School of Business and Management for Vanguard University of Southern California, where she teaches courses in business, marketing, leadership, and technology. Bonni has over 15 years of business experience and prior to transitioning to academic roles and consulting opportunities, she held executive positions in human resources and learning for franchise and education organizations.

She has partnered with and advised non-profit and for-profit organizations, developing ways to maximize the potential of human capital. Her clients have included the University of California, Irvine, Meguiar's, Broadcom, Chapman University, The College of Automotive Management, and The Irvine Company, to name a few. Her unique background in learning, leadership, and technology brings her clients an innovative and cost-effective approach to organizational growth and achievement.

Bonni has a MA in organizational leadership from Chapman University and is presently completing her doctorate in organizational leadership from Pepperdine University. She is on the board of directors for Vanguard's Center for Women's Studies and is the faculty advisor for Vanguard's chapter of [Students in Free Enterprise](#).
