

Jean M. DiGiovanna, President & Founder of ThinkPeople®

Professional Expertise/Services

Jean M. DiGiovanna is President and founder of ThinkPeople®, a coaching & consulting firm that is shifting the way individuals and organizations think, work and communicate. Jean is a certified professional coach, speaker and educator with over 17 years of experience in authentic leadership, transparent communication and professional and personal growth. She has delivered hundreds of workshops and seminars around the world to Fortune 500 companies, non-profits and academia and has spoken both nationally and internationally on life and business strategies impacting thousands of individuals. Her work has been described as “life-changing” and “inspirational” with an emphasis on being “action-oriented” and “results-driven”. In 2007, Jean launched Workshop University, a division of ThinkPeople, providing resources, tools and training to help entrepreneurs design, develop and deliver high-impact seminars and presentations.

Prior to founding ThinkPeople®, Jean served as the Business Operations Manager for Cambridge Technology Partner’s Nordic Region of Europe, (now Novell), collaborating with Operations, Sales and Human Resources assimilating employees into the culture and improving team leadership and communication. She developed the core consulting curriculum, delivered training to over 100 new employees a month and contributed to the growth of the organization from 90 to over 4000 employees in nine years.
