

Nicholas Henley

Nicholas Henley is an innovative trainer who connects your company's people with their customers

Professional Expertise/Services

Through Talent Technologies (Asia) Co. Ltd, Nicholas offers companies the following programmes:

- Talent Factor: identifying your people's talents (natural abilities) using the Highlands Ability Battery
- Character Factor: where your people create clarity and focus by creating a powerful personal brand linked to your essential corporate values
- Performance Factor: where your people achieve breakthrough productivity by managing their time and goals effectively
- Communication Factor: where powerful communication techniques are learnt and practiced
- High-Synergy! Teams: where your people learn how to synergise their talents, 'get the right person in the right seat', and create a harmonious, dynamic team
- Talent Management for Managers: where managers learn the intangible drivers behind employee engagement, and how to tap into them
- Inspirational Leadership: where key leadership traits are identified and simulated in an organisational context
- Customer Relationship *Maximisation*: where the emotional factors of customer engagement are identified and where the participants deliver resonant customer encounters
