

Professional Expertise/Services

Dianne Kenny is President of Dianne M Kenny Enterprises Inc. She is also a Senior Partner at TMI US specializing in service and branding initiatives. She has spent over ten years as a Senior Consultant at Tom Peters Company and Blue Point Leadership Consulting as well as holding Master Facilitator status for The Leadership Challenge with Wiley Publishing, providing greater understanding of skills throughout organizations. Dianne brings over 30 years of experience in consulting, facilitation and organizational development to her work. Dianne works with companies to effect behavioral change in the areas of leadership, customer service and team building.

As a passionate speaker, Dianne's engaging, dynamic and energetic style leaves a powerful and lasting impression with her audiences both challenging and inspiring them toward personal and organizational change. Dianne's clients enjoy her enthusiastic, passionate, knowledgeable approach and state that her stories and anecdotes along with her unique style and humor keep audiences actively engaged while enjoying the learning experience

Prior to her career as a consultant, Dianne spent several years in the retail services industry focusing on training and development, recruitment, sales, fashion and interior design and Human Resources Management. Because of her vast experience across diverse industries and cultures Dianne prides herself on being able to make her messages relevant and appealing to all levels of an organization from senior managers to individual contributors.
