

Pfeiffer Partner Program

Denise R. Green

Denise is a coach, facilitator, and writer with deep experience in leadership development.

Professional Expertise/Services

Denise works with clients to help them lead teams more effectively, better influence others, and address conflict with confidence, grace, and skill. She is passionate about helping managers become a positive force in the world by increasing their ability to communicate, relate, and create high levels of engagement and commitment.

Denise has worked inside large, multi-national firms in the San Francisco Bay Area since 1993 as a manager and Learning & Development professional. She has facilitated and designed hundreds of learning sessions on topics including leadership, management, and professional development. Her last corporate role was Executive Coach and Director of Leadership and Management at Charles Schwab and Co., Inc.
