

**Nelson Cohen Global Consulting:** We develop leadership potential to lead, learn, transform and achieve desired results through strategic consulting, succession planning, change management, coaching, speaking and learning services. We've helped businesses, in over 40 countries, leverage leadership to transform into great places to work, attract world-class leadership talent, and become more globally competitive.

**Professional Expertise/Services:** Business Leadership Consulting, Change Management, Leadership Development, and Executive Coaching solutions align directly to specific business objectives and challenges. We provide outside the box solutions rather than boxed and packaged solutions to help attain your greatest goals.
