

Pfeiffer Partner Program

Kenisha L. Thompson

Kenisha Thompson is the founder and President of Keni Consulting, LLC, an Organizational Training and Development firm that emphasizes measurable results and positive societal impact. Founded out of the desire to bring the same “best practices” that solidify the success of major corporations to other audiences, we have strategically partnered with individuals, community and faith-based organizations, and businesses to help them establish and achieve their training and performance goals while maximizing efficiency and effectiveness.

Professional Expertise/Services

Keni Consulting, LLC researches, practices, and facilitates workshops on effective leadership, management, and performance improvement at the organizational, group, and individual levels. The firm has developed award-winning training programs for youth organizations and presented workshops on topics such as *Transforming Organizational Culture* and *Strategic Planning for Results*. Additional services include:

- Organizational Alignment
- Change Management
- Reframing Performance
- Curriculum Design & Development
- Needs Assessment
- Workshop Design & Facilitation
- Instructor-led and e-Learning Courses
- Web-meeting and course facilitation
