

Pfeiffer Partner Program

Stanley J. Ward

Stanley J. Ward is an educator, writer, conference speaker, and leadership consultant currently writing his PhD dissertation on leadership communication. His previous work experience includes a variety of non-profit and educational institutions.

Professional Expertise/Services

Stan facilitates personalized and goal-oriented 360 feedback and leadership coaching, with particular expertise in leadership communication issues. Stan's publications include a variety of print and online sources dedicated to education and ministry settings.

Stan's conference speaking schedule includes both student and adult groups, focusing on spirituality, personal growth, and communication issues. He is particularly gifted with using narrative and visual thinking to clarify concepts and create engaging presentations.

Using both his PhD research and professional experience, Stan helps leaders become more intentional in both setting and pursuing goals, with special training and services for successfully developing and then communicating a leadership vision.
