

Useful Resources

The following is a brief list of books and Internet resources to help you improve your knowledge of the Spanish language and culture. The list of Web pages contains links to interesting pages that provide authentic material from the Hispanic world. If your Spanish education has taken place in a classroom, some of these pages will serve as a supplement for practicing with “real world” Spanish. Web addresses change often, so there’s no guarantee that any particular page will still be operating when you go to check it out—just know that the Web is a great resource, and the pages listed here are a good place to start exploring Spanish on the Web

Books
