

Farrell Group, L.L.C.

Farrell Group, L.L.C. partners with organizations and individuals in creative ways to enhance skills, to gain information, and to generate solutions that result in the achievement of specific, targeted goals and objectives.

Farrell Group provides executive coaching services to executives and to senior managers. The firm uses a discovery process that involves assessments, interviews, and personal observation through coaching meetings. Farrell Group also provides a range of services under its consulting practice. Strategies are tailored to the specific organizations and individuals in order to exceed client needs and objectives.
