

### **LJ Rose**

With more than 20 years' experience in the public, private and non-profit sectors, LJ Rose is a training and development professional working with national and international organizations. Since 2000, she has partnered with Jim Kouzes and Barry Posner, Tom Peters Company and Fierce, Inc. to provide keynotes, coaching and facilitation.

### **Professional Expertise/Services**

Passionate about ideas, talent and results, LJ works with employees at numerous organizational levels, in functions as varied as Finance, IT, Sales, Marketing, R & D, Engineering, Operations, Manufacturing, HR, and Customer Support. She has worked with a wide range of clients such as California Department of Corrections and Rehabilitation, Lawrence Livermore National Lab, Round Table Pizza, Seagate Technology and Wells Fargo Bank among others.

In addition to being an explorer in the world of work, LJ is a multimedia artist and world traveler. Her passion for indigenous areas of the planet deepens with expeditions off the beaten path. Encouraged to share her stories, she has had poetry and personal narratives published in small journals. LJ often incorporates multimedia and Exploration into her workshops and speeches.

LJ's design and delivery skills include the following:

- Integrating Content with Strategy
- Agility with Delivery Formats
- Customizing Content
- Multicultural Awareness
- Partnering with Stakeholders
- Interactive & Dialogue Driven
- Facilitating Diverse Work Groups
- Maximizing Instructional Tools
- Creating Urgency & Purpose
- Agility with Small & Large Groups

### **Recent Assignments**

- Designing and delivering an accelerated day for Leadership Award recipients to celebrate and expand their leadership skills.
- Conducting workshops with scientists to help them identify their leadership strengths and weaknesses and have strategic discussions cross-functionally.
- Designing and delivering 1 day leadership modules for the Leadership Academy of a healthcare provider striving to inspire and educate their teams.
- Facilitating open enrollment sessions to help participants apply the content to their own leadership legacy and explore ways to adapt the material for their organizations.
- Conducting Facilitator Training sessions for a diverse mix of participants to help them deliver workshops.

### **Education and Professional Affiliations**

- MSPA UMASS Boston's McCormack Graduate School of Policy Studies
- B.A. Bucknell University
- Certified Master of Leadership Challenge Workshop
