

Tim E. Coffey

Tim Coffey is the President / CEO of Leadership Solutions Associates, LLC (LSA). LSA is a well-respected training delivery company in Gulf Breeze, FL. Our company has performed services coast-to-coast for a variety of clients in the area of Performance Management, Communication/Conflict Resolutions Skills, Supervisory Training and in-house Team Building.

Professional Expertise/Services

Leadership Solutions Associates, LLC (LSA) focuses on assisting organizations to improve work place performance. Recent concentration has been with the Federal Government and we now are reaching out more to non-profits and private businesses.

LSA provides specified training to comply with DOD regulations for Supervisor's of Federal Government Personnel under Title 5 and Title 38. Subjects include: Classification, Staffing, Labor- Relations, Performance Management and many more over this 3 or 4-day course.

LSA provides a full-line of training in different subject areas such as Leadership, Communications, Customer Service, Sales Training, and Succession Planning. We utilize online assessments as necessary from various vendors to identify training and consulting opportunities. Our clients include the US Navy SEALs, The Center for EOD and Diving, various Naval Stations and Naval Air Stations across the United States as well as US. Army and USAF personnel at various locations.
