

Pfeiffer Partner Program

Kathy Barham, CPCC

Kathy is a certified leadership and executive coach with a depth of experience in helping clients develop and execute pragmatic leadership development programs. Most recently Kathy served as Takeda Pharmaceutical's Director of Leadership Development where she served sales leaders in their journey to create a comprehensive leadership development program including assessments, core curriculum, needs-based advanced learning and resources and tools. She brings over 23 years of corporate experience in sales, training, leadership and leadership development. She is passionate about playing a role in developing great leaders and has successfully served several corporate, as well as, non-for-profit clients!
