

Pfeiffer Partner Program

Roz Turner

Roz Turner is the founder of Roz Turner & Associates, a management consulting practice based in Bellevue, Washington. She has over 25 years of experience as a consultant, executive coach, facilitator, and speaker specializing in leadership and management development, communication, executive team alignment, high performance team development, transition/change management and culture change. Roz has been assisting clients throughout the US and internationally in a wide range of industries since 1984. She has years of experience coaching executives and leaders to increase their effectiveness, helping organizations to clearly define their business strategies, aligning teams to create lasting results, and designing and leading change management interventions.

Professional Expertise/Services

Her experience includes working five years as a Principal Consultant with **CSC Consulting Group**, a management consulting division of **Computer Sciences Corporation**, where she helped to lead large scale, complex, and often long-term projects with clients throughout the US.

Prior to forming Roz Turner & Associates, Roz Turner had a 12-year career in marketing and management. In this capacity, she worked with senior executive teams of high technology companies in the Rocky Mountain region to help formulate strategic and tactical business and marketing plans.

Recent Assignments:

- Provided one on one executive coaching at organizations such as **BSQUARE Corporation, Expedia, Inc., Merlino Construction, Real Networks** and **Grays Harbor Community Hospital**.
- Designed and facilitated senior executive leadership team retreats for organizations such as **Alaska Distributors, Grays Harbor Community Hospital, Virginia Mason Healthcare, and The American Heart Association**.

Education and Professional Affiliations

- MA – University of Denver
- BA – Ohio State University
