

Ho Hui Choo Jaime

Professional Expertise/Services

Jaime is the Deputy Director at Trybe.

Prior to joining the Trybe team, Jaime was in the field of corporate training and business consultancy with an established human resource consultancy firm.

Described as an outgoing, highly personable and incisive facilitator, Jaime is a certified trainer for the DiSC® technology and TICS/Values System. She was also trained in Creative Training Techniques by the Bob Pike Group and as Business Coach with Corporate Coach U (CCU).

With 9 years of experience in the youth sector since 2001, Jaime's expertise lies in designing strategic and effective programmes for the youth as well as educators and caregivers. In the recent years, Jaime has provided consultancy to educational institutions and youth organisations for their strategies in youth leadership development.

Recent Assignments

Anglican High Hostel, a 3-day 2-night leadership camp that brought 30 international students together for leadership development and team bonding.

Ngee Ann Secondary School, a programme that introduced 320 Secondary 1 students to Service-Learning. It covered the importance of identifying community needs, planning and preparation, project implementation and post service reflection. Students had hands-on service experience serving people with special needs.

Education and Professional Affiliations

Jaime possesses a Bachelor of Arts Degree (Social Work and Psychology) from NUS. In 2009, Jaime was recognised for her professional competence and leadership potential in the social service sector. She was awarded a sponsorship from the National Council of Social Service (NCSS) for her professional leadership development with Monash University and NUS – Lee Kuan Yew School of Public Policy.
