### **Robert W. Hill, Ed.D.**

Robert was born and raised in San Marcos, Texas. His early leadership experience came from serving as a missionary in both Western and Eastern Europe. A pioneer at heart, he went on to plant three large churches in Texas prior to coming to Virginia to attend Regent University.

While living in Chesapeake, Virginia, Dr. Hill accepted the Senior Pastorate of New Life Christian Fellowship and led its growth from 150 to over 2,500 members in six years as he established 7 congregations using a non-traditional multiplying model.

His success in starting and managing nonprofit organizations with budgets over \$3 million and capital projects exceeding \$7million make Dr. Hill a popular speaker and consultant in many fields. Dr. Hill travels extensively, teaching, training, and consulting in organizations across the United States as well as more than 40 countries. His heart is to identify, train, and mobilize leaders to impact their world. He is currently serving as the Founder and International Director of Vanguard Ministries and he leads The Hill Consulting Group that provides training, consulting, mentoring and coaching for nonprofit organizations and their managers. He is broadly recognized as a seasoned leader with expertise in personal mastery subjects, organizational behavior and global leadership studies.
