A

A-B-C Data Analysis (Form 9.2), 202–203, 232;
sample (Exhibit 9.2), 203, 206
ABA, *See* Applied behavior analysis (ABA)
ABC paradigm, 198
Ability Awareness Checklist (Checklist 7.2), 121,
131
Abstract reasoning, 13, 15, 281
Accommodations, inclusion program, 82
Activities, lack of compliance with, 20
Adaptive behavior skills, 19–20, 64–65;
Asperger’s syndrome, 19–20; teaching of, 65
Administrator: Administrator Roles and
Responsibilities (Checklist 6.1), 92, 104;
behavior management strategies, 91; and IEP
team, 91–92
Aggression, 20
Alternative goals, as
accommodation/modification, 179
Antecedent procedures, and inclusion of
students with ASD, 39
Antecedents, 203, 209
Applied behavior analysis (ABA): basics, 197;
behavior analysis process, 199–200; as
intervention methodology to use with
children with ASD, 47; process overview,
197–198
ASD, *See* Autism spectrum disorders (ASD)
ASD Characteristics: Student Profile (Form 1.1),
25–26, 55, 89, 120, 123; questions used in
analysis of student characteristics, 55–56
Asperger’s syndrome, 9–11, 13–14, 15; adaptive
behavior skills, 19–20; behavior
characteristics, 21; communication skills, 19;
motor skills, 22; play skills, 17–18; social
interaction skills, 16–17
Assessment, 83
Attachment students, 30
Auditory processing, 14–15, 59, 281
Auditory stimuli, 23, 281
Autism spectrum, xii; disabilities on, 10–11,
10–24
Autism spectrum disorders (ASD), v, xi–xiii;
adaptive behavior skills, 19–20, 64–65; ASD
Characteristics: Student Profile (Form 1.1),
25–26, 55–56, 89; attitudes/behavior toward
students with disabilities/ASD, 29–33;
behavior characteristics, 20–21, 65–66;
characteristics of individuals with,
understanding, 9–26; and class size, 80–81;
cognitive abilities, 13–14; communication
skills, 18–19, 63–64; complexity of, 9;
continuum of, 10–24; controversy of
including students with, xv–xvii; echolalic
speech, 18–19; educational placement of

students with, xv; environment services and
placement for students with, 55–70; inclusion
programs, xii; learning abilities, 14–15, 59–61;
LRE Services and Placement Determination
form (Form 4.1), 57–58, 71–72, 82, 89, 120,
123; motor skills, 21–22, 66–67; multiple
disabilities, 11–12; nonverbal communication,
18; play skills, 17–18, 63; self-stimulatory
behaviors, 63; sensory sensitivities, 22–23,
67–69; social inclusion, xvi; social interaction
skills, 16–17, 61–62; student disabilities, xv,
xvii; unique manifestation of, 55; verbal
delays, 18

B

Behavior analysis process, 199–200; desirable
events or people, obtaining, 200; duration,
200; frequency, 200; function of a behavior,
determining, 200–201; intensity, 200; target
behavior, predicting occurrence of, 201;
topography, 200; undesirable events or
people, avoidance of, 200–201
Behavior characteristics, 20–21, 65–66
Behavior intervention plan (BIP), xviii, 66, 201;
and administrator, 91;
developing/implementing, 211–213;
Implementing the Behavior Implementation
Plan (BIP) (Checklist 9.1), 213, 228; Ongoing
BIP Implementation Considerations and
Evaluations (Handout 9.1), 212
Behavior intervention strategies, 213–226;
Behavior Management Techniques for the
General Education Classroom (Checklist 9.2),
226–227; prevention, 214–222; reinforcement,
222–223; Social Stories (Carol Gray), 225–226;
transitions and routines, 224–226
Behavior management strategies, and
administrator, 91
Behavior Management Techniques for the
General Education Classroom (Checklist 9.2),
226–227, 229–230
Behavior specialist, and IEP team, 89
Benefits of Inclusion of Children with Autism
Spectrum Disorders (Handout 5.1), 75, 88
BIP, *See* Behavior intervention plan (BIP)
Body and Verbal Language Intervention
Strategies in the General Education
Classroom (Checklist 8.4), 181, 190
Body language, 180–181

C

Childhood disintegrative disorder, 9
Classroom aids, 178–180
Classroom behavior skills, 65, 155–156

- Classroom routines, followed by student, 159–160
- Cognitive abilities, 13–14, 58–59; abstract reasoning, 13; cognitive tests, assessment of, 14; joint attention, 13; metarepresentation, 13
- Comments and Questions for the Special Educator (General Education Teacher) (Form 7.9), 124, 148–149
- Comments and Questions for the Special Educator (Paraeducator) (Form 7.8), 124, 146–147
- Communication, xvii, 18–19, 63–64; echolalic speech, 18–19; and inclusion stakeholders, 79; interventions, xviii; nonverbal communication, 18; and paraeducators, 101; and social interaction, 160–161; verbal delays, 18
- Communication skills, Asperger’s syndrome, 19
- Comorbid conditions, and educating students with ASD, xi
- Concern students, 30
- Consequences, 203, 210
- Consultation Techniques and Support Strategies: Working with General Education Staff (Handout 8.3), 186, 195
- Continuum of service and placement options, xii, 27–28, 73, 281
- Control statements, 226
- Conversation speech and skills, inappropriate, 19
- Correction, 175–177
- Curriculum accommodations, 58, 178–180; Curriculum Accommodations and Classroom Aids in the General Education Classroom (Checklist 8.3), 178, 189
- Curriculum substitution, as accommodation/modification, 179
- D**
- Daily Classroom Behavior 1 (Sample) (Exhibit 9.5), 216–217
- Daily Classroom Behavior 2 (Sample) (Exhibit 9.6), 216, 218
- Daily Classroom Behavior 3 (Sample) (Exhibit 9.7), 216, 219
- Daily Home-School Communication (Form 7.10), 124, 150
- Daniel R.R. v. State Board of Education (1989), 44, 48, 49
- Data collection sheets and methods, creation of, 203
- Delayed contingencies, and inclusion of students with ASD, 39
- Delayed echolalia, 19, 281
- Descriptive statements, 225
- Desirable events or people, obtaining, 200
- Destruction of property, 21
- Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition, Text Revision (DSM-IV TR), 9
- Direct verbal prompts, 174
- Directive statements, 225–226
- Disabilities on the autism spectrum, 10–24; adaptive behavior skills, 19–20; areas affected, 12; cognitive abilities, 13–14; communication skills, 18–19; learning abilities, 14–15, 59–61; motor skills, 21–22; play skills, 17–18; sensory sensitivities, 22–23; social interaction skills, 16–17
- Disruption of classroom/family routines, 21
- Duration of a behavior, 200
- E**
- Echolalic speech, 18–19, 281
- Educational placement, *See* Placement
- Emergency Plan for the Inclusive Education Program (Form 7.7), 122, 145
- Emotions, excessive display of, 21
- Executive functioning, 22, 281
- Expressive action, 157
- Eye contact, 157
- F**
- Facilitating Generalization of Skills (Checklist 8.1), 169, 187
- Facilitating Student Independence in the General Education Classroom (Checklist 8.5), 184, 191
- Fading prompts, 174–175
- FBA, *See* Functional behavior assessment (FBA)
- First days of inclusion, facilitating, 126–127; First Days of Inclusion Within the General Education Classroom (Checklist 7.4), 126, 134; planning, 120–123
- Four-factor test, 44–45, 48
- Frequency of a behavior, 200
- Frequency Data (Sample) (Exhibit 9.4), 203, 208
- Full echoic prompts, 174
- Full inclusion, xii, 31, 281
- Full physical prompt, 174
- Function of a behavior, determining, 200–201
- Functional behavior assessment (FBA), 66, 201–211; antecedents, 203, 209; consequences, 203, 210; setting events, 203, 209
- G**
- General education classroom, 184; A-B-C Data Analysis (Form 9.2), 202–203, 232; A-B-C Data Analysis (Sample) (Exhibit 9.2), 203, 206; attention, 157–158; Behavior Management Techniques (Checklist 9.2), 226–227, 229–230; behaviors, 155–162; Body and Verbal Language Intervention Strategies in the General Education Classroom (Checklist 8.4), 181, 190; body language, 180–181; classroom aids, providing, 178–180; classroom behavior skills, 155–156; classroom routines, following, 159–160; consultation techniques, 185–186; Consultation Techniques and Support Strategies: Working with General Education Staff (Handout 8.3), 186, 195; correction, 175–177; curriculum accommodations, 58, 178–180; Curriculum Accommodations and Classroom Aids in the General Education Classroom (Checklist 8.3), 178, 189; Facilitating Generalization of Skills (Checklist 8.1), 169, 187; Facilitating Student Independence in the General Education Classroom (Checklist 8.5), 184, 191; facilitating students’ education within, 155–195; Frequency Data (Sample) (Exhibit 9.4), 203, 208; General Education Classroom Behavior Skills (Handout 8.1), 156, 193; generalization of skills, facilitating, 168–169; goals and

- objectives, implementation of, 163–168; IEP Goals and Classroom Schedule Matrix (Form 8.1), 163, 165–166, 192; IEP Goals and Classroom Schedule Matrix (Sample) (Exhibit 8.1), 163–164; Implementing the Behavior Intervention (Checklist 9.1), 228; Implementing the Behavior Implementation Plan (BIP) (Checklist 9.1), 213, 228; Legal Guidelines for Appropriate Placement of Students with ASD in the General Education Classroom (Handout 3.1), 52, 83, 89; managing behavior in, 197–227; new skills, teaching, 169; Ongoing Behavior Intervention Plan (BIP) Considerations and Evaluations (Handout 9.1), 233; Ongoing BIP Implementation Considerations and Evaluations (Handout 9.1), 212, 233; and paraeducators, 80; participation, 158–159; placing students with ASD in, controversy surrounding, xv; play skills, 161–162; prompting/fading, 173–175; reinforcement, 169–173; social and communication skills in, facilitating, 235–243; social interaction and communication, 160–161; student independence, facilitating, 181–185; Student Problem Behavior Review (Form 9.1), 202, 231; Student Problem Behavior Review (Sample) (Exhibit 9.1), 202, 204–205; student's presumptive right to be educated within, 45–46; Task Analysis for Student Task Completion in General Education Classroom (Checklist 8.2), 178, 188; task completion, analyzing tasks for, 177–178; task presentation, 177–178; Teaching New Skills: Helpful Reminders (Handout 8.2), 177, 194; teaching strategies, 162–185; Time Sample Data: Specific Activities (Sample) (Exhibit 8.3), 167; Time Sample: Interval (Exhibit 9.3), 203, 207; verbal language, 180–181
- General Education Classroom Behavior Skills (Handout 8.1), 156, 193
- General education teacher: training/preparing for inclusion process, 123–126
- General Education Teacher Overview (Form 12.1), 268, 272
- General education teachers: attitudes toward inclusion of students with ASD, 32, 39; attitudes toward students with learning disabilities/severe disabilities, 31–33; behavioral supports supplied by, 50; and full inclusion, 31; General Education Teacher: Roles and Responsibilities (Checklist 6.3), 96, 106; and IEP team, 89, 95–96; and inclusion, 41–42; primary role of, 95; and promotion of inclusion, 37–38; and special educators, ability to work together, 36–37, 96; training and preparing for inclusion process, 123–126; training and skill development of, 34–36, 40–41
- Generalization, 14–15, 281; of skills, facilitating, 168–169
- Gestural prompt, 173
- Goal Sheet for the Inclusive Education Paraeducator (Form 7.11), 125, 151
- Goals and objectives, 56, 275; general education classroom, 163–168; and paraeducator, 99; and special educators, 94
- Gray, Carol, 225
- Guardians, and IEP team, 100–101
- ## H
- Hartmann v. Loudoun County Board of Education (1997), 45
- Hyperactivity, 20
- Hypersensitivity, 23
- ## I
- IDEA-defined disabilities, 11
- Idiosyncratic use of words, 19
- IEP Goals and Classroom Schedule Matrix (Form 8.1), 163, 165–166, 192
- IEP Goals and Classroom Schedule Matrix (Sample) (Exhibit 8.1), 163–164
- IEP teams: adaptive physical education (APE) teacher, 89; administrator, 91–92; behavior specialist, 89; general education teacher, 89, 95–96; guidelines to determine placement of students with ASD, 52; inclusion facilitator, 89; members, 89–102; occupational therapist (OT), 89; paraeducator, 89, 97–99; parents/guardians, 100–101; related service providers, 102; school psychologist, 89; special educator, 92–95; speech and language pathologist (SLP), 89
- Imitative prompt, 174
- Immediate echolalia, 18, 281
- Implementing the Behavior Implementation Plan (BIP) (Checklist 9.1), 213, 228
- Implementing the Behavior Intervention (Checklist 9.1), 228
- Implementing the Behavior Implementation Plan (BIP) (Checklist 9.1), 213, 228
- Inattention, 21
- Inclusion, xii–xvii; attitudes/behavior toward the disabled/ASD students, 29–33; Benefits of Inclusion of Children with Autism Spectrum Disorders (Handout 5.1), 75, 88; concerns about, 30–31; factors encouraging/discouraging, 74–75; and general education teachers, 31–33, 41–42, 58; historical context, 27–29; and inclusion stakeholders, 79; philosophy of, xv; preservice and inservice training, 34–37; review of, for students with ASD, 29–41; of students with ASD, 38–41; of students with ASD, legal parameters for, 47–51; support of general educators to promote, 37–38; and teacher's attitude toward ASD students, xvi–xvii
- Inclusion facilitator, and IEP team, 89
- Inclusion procedures and student progress, evaluation of, 83–85; parental involvement, 84–85
- Inclusion process: Ability Awareness Checklist (Checklist 7.2), 121, 131; appropriate general education classroom, observing/finding, 113–120; Comments and Questions for the Special Educator (General Education Teacher) (Form 7.9), 124, 148–149; Comments and Questions for the Special Educator (Paraeducator) (Form 7.8), 124, 146–147; Daily Home-School Communication (Form 7.10), 124, 150; Emergency Plan for the Inclusive Education Program (Form 7.7), 122, 145;

- facilitating first days of inclusion, 126–127;
 First Days of Inclusion Within the General
 Education Classroom (Checklist 7.4), 126, 134;
 general education teacher,
 training/preparing, 123–126; Goal Sheet for
 the Inclusive Education Paraeducator (Form
 7.11), 125, 151; Inclusion Process Checklist
 (Checklist 7.1), 113, 123; Inclusive Education
 Environment Review (Form 7.3), 118,
 139–141; initiating, 113–153; Initiating the
 Inclusion Process (Checklist 7.1), 113,
 129–130; Observation and Evaluation of the
 Paraeducator (Form 7.12), 125, 152–153;
 Observation of the General Education
 Classroom (Form 7.2), 114, 136–138;
 Observation of the Student in the Special
 Education Program (Form 7.1), 114, 135;
 paraeducator, training/preparing, 123–126;
 planning first days of inclusion, 120–123;
 Student Interest Survey (Form 7.6), 122, 144;
 Suggestions for Changes to the Special
 Education Program (Form 7.4), 119, 142;
 Summary of Student's Abilities and Interests
 (Form 7.5), 122, 143; Training an Inclusive
 Education Paraeducator (Checklist 7.3), 124,
 132–133
- Inclusion Process Checklist (Checklist 7.1), 113,
 123
- Inclusion program: accommodations and
 instructional methods, 82; administrative
 leadership, 75–76; collaboration and
 cooperative team commitment, 77–79;
 continuum of options, 73; designing, 73–87;
 effectiveness of, 77–79; evaluating, 247–266;
 funds allocation, 76–77; model, 75–81;
 resources/space, allocation of, 81–82; startup
 of, 86; team development, 73–74;
 training/support for students and personnel,
 79–81, 86
- Inclusive Education Environment Review (Form
 7.3), 118, 139–141
- Indifference students, 30
- Indirect verbal prompts, 174
- Individualized educational planning (IEP), v,
 xvi, 43–44, 49, 55
- Individualized Family Service Plan (IFSP),
 49

- Self-stimulatory behaviors, 21, 47, 63, 66; defined, 282
- Sensory sensitivities, 22–23, 67–69
- Setting events, 198, 203, 209
- Short-term objectives, 57–58
- Social interaction and communication, xvii, 160–161
- Social interaction deficits, source of, 235
- Social interaction skills, 16–17, 61–62; Asperger's syndrome, 16–17; lessons, 180
- Social skills: assessment, 236–237; evaluation/adjustment of training, 242–243; in the general education classroom, facilitating, 235–243; implementation of training, 241–242; interventions, xviii; location and modality of location and modality of training, 239–241; teaching strategies, determination of, 237–239
- Social stories, 179, 225–226; control statements, 226; defined, 225; descriptive statements, 225; directive statements, 225–226; goal of, 226; perspective statements, 225
- Spatial tasks, defined, 282

- Special Education Expenditure Project (SEEP), 76–77
- Special educators: attitudes toward inclusion of students with disabilities, 33; collaborative working relationship with IEP team members, 94; facilitation of independent problem solving/implementation of teaching/behavior strategies, 184–185; and general education teachers, ability to work together, 36–37; and IEP goals/objectives, 94; and IEP team, 92–95; and IEP team stages, 113; instructional/classroom management style, 117; and parent/guardians in inclusion process, 94–95; school environment overview, 118; Special Educator: Roles and Responsibilities (Checklist 6.2), 95, 105; student observation, 114, 117; student-teacher match/fit, determining, 114, 117–118; and student time in general education classroom, 115; student transition to general education classroom, 118–119; and student’s negative/positive experiences in classroom, 115–116; training and skill development of, 34–36, 40–41; training provided by, 93
- Speech and language pathologist (SLP), and IEP team, 89
- Speech, excessive, 19
- Splinter skills, 11
- Standard Behavior Plan for Noncompliance and Disruptive Behavior in the General Education Classroom (Sample) (Exhibit 9.8), 220–222
- Student disabilities, *See also* Individuals with Disabilities Education Act (IDEA): critical factors contributing to attitudes toward, 30; psychological and sociocultural influences on attitudes toward, 30
- Student independence: facilitating, 181–185; Facilitating Student Independence in the General Education Classroom (Checklist 8.5), 184; instructor proximity, 182–183; learning to learn, defined, 181; overuse of adult proximity and assistance, 184–185; strategies for, 181–183; student anxieties, parents’/educators’ reactions to, 183; Velcro phenomenon, 182
- Student Interest Survey (Form 7.6), 122, 144
- Student placement, and inclusion, xv
- Student Problem Behavior Review (Form 9.1), 202, 231; sample (Exhibit 9.1), 202, 204–205
- Students’ attitudes, toward classmates with disabilities, 33
- Suggestions for Changes to the Special Education Program (Form 7.4), 119, 142
- Summary of Student’s Abilities and Interests (Form 7.5), 122, 143
- Supplemental supports and services, 38; defined, 282
- T**
- Tactile stimuli, 23, 282
- Tantrum, use of term, 199
- Target behavior, predicting occurrence, 201
- Task Analysis for Student Task Completion in General Education Classroom (Checklist 8.2), 178, 188
- Teaching New Skills: Helpful Reminders (Handout 8.2), 177, 194
- Three-part test, 19, 44, 48
- Time, as accommodation/modification, 179
- Time Sample: Interval (Exhibit 9.3), 203, 207
- Time Sample Data: Specific Activities (Sample) (Exhibit 8.3), 167
- Toileting skills delays, 20
- Topography, of a behavior, 200
- Training an Inclusive Education Paraeducator (Checklist 7.3), 124, 132–133
- Transitions: facilitating to a new classroom, 267–273; General Education Teacher Overview (Form 12.1), 268, 272; Paraeducator Overview (Form 12.2), 268, 273; portfolio of materials, 268; preparation tasks, 267; Transition to New Classroom Checklist (Checklist 12.1), 270–271
- Transitions and routines strategies, 222–223
- Two-pronged test, 44, 48, 49
- U**
- Underactivity, 20
- Undesirable events or people, avoidance, 200–201
- V**
- Velcro phenomenon, 182
- Verbal delays, 18; defined, 282
- Verbal language, 180–181
- Vestibular processing (stimuli), 283
- Vestibular stimuli, 23
- Video-modeling, 180
- Visual processing, 283
- Visual schedules, pictures for making, 179
- Visual stimuli, 23; defined, 283
- Vocalization of thoughts, excessive, 19
- W**
- Words, idiosyncratic use of, 19
- Working with general education staff, consultation techniques and support strategies (Handout 8.3), 186, 195
- Working relationship with IEP team members, special educators, 94
- Workshops/seminars, offsite, 91
