<i>Introduction</i>	1
About This Book.....	1
Foolish Assumptions	2
What You Don't Have to Read	2
How This Book Is Organized.....	3
Part I: Owning a Mac mini	3
Part II: Cracking Open the mini	4
Part III: Upgrading the mini Yourself.....	4
Part IV: Mods for the Home.....	4
Part V: Modding Your Car for the Mac mini.....	4
Part VI: Maxi mini Mods	4
Part VII: The Part of Tens	5
The appendix	5
Conventions Used in This Book	5
Icons Used in This Book.....	5
Where to Go from Here.....	6
<i>Part I: Owning a Mac mini</i>	7
Chapter 1: Modding a Mac mini: An Overview	9
What's a Mod?	10
Why Mod a Perfectly Good Mac?	10
Saving money by adding options yourself	11
New tricks for a not-so-old mini	14
Changing your mini's look.....	15
What's in Store.....	15
Plugging things in	15
Adding software.....	16
Breaking open the box.....	16
Replacing parts.....	16
Planning Your Mod.....	17
Sizing up the job	17
Estimating time	18
Estimating costs	18
Locating suppliers.....	19
Setting realistic expectations.....	19
Software Considerations	19
When to upgrade Mac OS X	20
Researching your software's needs	20

Chapter 2: Completing Your Mac mini 23

The Back Panel	23
Audio	24
FireWire.....	24
USB 2.0	26
DVI video	27
Modem	28
Ethernet	28
Power	28
What, No Keyboard?	28
USB keyboards.....	29
Using a Windows keyboard with the mini.....	29
Mousing around.....	32
Going wireless.....	32
Sharing your keyboard/monitor with another Mac or PC	33
Adding a Display	34
Types of video: Digital and analog	34
Choosing a type of video adapter	35
Adding a second monitor via USB.....	37

Chapter 3: The mini as a Portable Computer 39

Building a Mac mini Travel Kit	39
Oh Solo mini.....	40
Power adapter: To carry or not to carry.....	40
Cables.....	41
Carrying a mini	41
Weighing in	42
Toting the Keyboard with Your mini.....	43
Mobile keyboards.....	43
Cables.....	45
Carrying the mini with a keyboard	45
Weighing in	46
Taking a Display with You	46
Displays you can carry	46
Carrying cases	47
Weighing in.....	48

Part II: Cracking Open the mini..... 49**Chapter 4: Opening the Mac mini 51**

Going Where Apple Doesn't Want You	51
Keeping the warranty intact	52
Minding your AppleCare contract.....	53

The Putty Knife: The Official mini-Cracking Tool53
 The best putty knife for the job.....53
 Modding your knife for cracking duty54
 A Quick Reconnaissance55
 Removing the Outer Casing56
 Discharging static electricity56
 Popping the top57
 Closing Up the Mac mini60

Chapter 5: First Mods Inside the Mac mini63

Amazing, Isn't It?63
 Anatomy of a Mac mini64
 Interconnect board.....65
 AirPort, Bluetooth, and mezzanine board.....66
 The DVD drive.....67
 The hard drive67
 RAM.....67
 The mother of all boards.....67
 Removing and Replacing the Internal Frame.....69
 Removing the antennas69
 Tools for removing the internal frame.....71
 Removing the internal frame71
 Replacing the internal frame.....74
 Changing the Battery.....74

Part III: Upgrading the mini Yourself.....77

Chapter 6: String Your Own Wireless79

What's in a Name.....79
 Buying and Installing Internal Wireless.....80
 Installing if you don't have wireless.....80
 Installing if you already have Bluetooth or AirPort86
 The USB Approach to Wireless88
 USB Bluetooth.....88
 External AirPort.....89

Chapter 7: Upgrading the Hard Drive and RAM91

Upgrading RAM92
 Mac OS X performance and RAM92
 How much is enough?.....92
 Buying the right RAM.....92
 Installing a new RAM module.....93
 Buying a Replacement Hard Drive95
 Buying a faster drive95
 Buying the right form factor95

- Replacing the Hard Drive96
 - Saving your software and settings97
 - Tools for removing the hard drive99
 - Removing the drive100
 - Installing the new drive103
- Turning Your Old Drive into an External Drive105
- Installing Software.....106
 - Installing Mac OS X and applications107
 - Installing Mac OS 9 (optional)108
 - Using the Migration Assistant with your external drive108
 - Manually adding your files and settings.....111

Chapter 8: Installing a DVD Drive113

- Reasons to Replace an Optical Drive.....113
- Buying the Right Drive.....114
 - Determining what you already have115
 - Form factor.....115
 - DVD formats116
 - Understanding the X factor: Drive speed118
- Replacing the Old with the New.....119
 - Tools.....119
 - Removing the old optical drive120
 - Installing the new DVD drive123

Part IV: Mods for the Home.....127

Chapter 9: The Mac mini Home Theater129

- Planning a Mac mini Media Center129
 - What's in a home theater130
 - What you need.....131
- Connecting the Mac mini133
 - Choosing an audio connection133
 - Choosing a video connection136
 - Finding a place to plug it all in.....138
- Controlling the Mac mini.....140
 - Using a TV as a monitor140
 - Keyboard and mouse versus remote143
- Creating a Video Jukebox.....144
 - Keeping it legal: Copyright issues145
 - Ripping DVD movies146
 - Downloading free movies148
 - Playing ripped DVD movies148
 - Setting up a remote control150

Adding DVR Functionality.....	152
The parts of a DVR.....	153
Comparing DVR boxes.....	153
Capturing video.....	157
Online program guides.....	157
Chapter 10: Automating Your Home	159
About X10.....	160
What You Can Do.....	160
What You Need.....	161
Shopping for X10 hardware.....	161
Basic X10 hardware types.....	162
Problem-solving devices.....	169
X10 software.....	169
Setting Up Hardware.....	170
Configuring X10 addresses.....	170
Connecting the X10 network.....	172
Installing problem-solving devices.....	174
Setting Up Indigo X10 Software.....	176
The Preferences dialog.....	176
The main Indigo window.....	177
Trigger Actions.....	178
An example: Motion-triggered light.....	179
Chapter 11: Mac mini in the Kitchen	185
The New Kitchen Appliance.....	185
Entertain yourself while cooking.....	186
Tap the kitchen database.....	186
Organize your recipes.....	187
Finding a mini a Home in Your Kitchen.....	191
Locating the mini.....	192
Displaying the display.....	192
Waterproof keyboard.....	192
Locating the Mac mini's power brick.....	193
A Day in the Life of the Kitchen mini.....	193
 Part V: Modding Your Car for the Mac mini.....	 195
Chapter 12: Planning a Mac mini Car Mod	197
What's It Good For? Absolutely Everything!.....	197
Mini as a car stereo.....	198
Playing movies for the kids.....	198
Driving directions.....	199

Taking (or listening to) a memo	199
Wireless Internet access	200
Office on the road.....	200
Home on wheels	201
Installation Planning	201
Safety.....	201
User interface.....	201
Accessibility.....	201
Power	202
Heat	202
Vibration.....	202
Security.....	203
Internet access.....	203
Estimating Costs.....	203
The basics	203
Optional stuff	204
Tools.....	204
Supplies	205
Hiring the pros.....	207
Mapping Out mini Locations	207
Video display locations	208
Control options.....	208
Hack Safely	209
Installation Safety.....	210
Legal Considerations	210
Chapter 13: Getting Power to Your Car's mini	211
Facts about Your Car's Electrical System	211
Powering the mini with DC-to-AC Inverter.....	213
The catch: power draw.....	214
Inverters and space.....	214
Tapping in to the Electrical System	215
Tapping into the fuse box.....	215
Other car wiring approaches.....	217
Powering the mini with a DC-to-DC Converter	217
Carnetix P1900 DC-to-DC supply	218
Connecting the mini to the DC-to-DC converter.....	219
Chapter 14: Installing a Display and a mini in a Car	227
Types of Displays	227
Cathode ray tubes	228
Plasma flat-panel displays.....	228
Liquid crystal displays	228
Projection displays.....	229
Understanding resolution specs	230
Choosing a video connector type	231
Touch screens in cars	232

Mounting Your Display	232
Getting some help	233
On-dashboard mounting.....	234
In-dashboard mounting	234
Roof mounting	234
Headrest mounting.....	235
Mounting Your mini	236
The Mini Dock kit	236
Under the dashboard.....	237
Glove box.....	237
The trunk.....	238
Wiring the Display and mini.....	238
Display power	239
Connecting the display to the mini.....	239
Chapter 15: Auto Audio and Peripherals	241
Wiring Your Car for mini Audio	241
On the cheap — FM transmitters and cassette adapters	242
Plugging into your car stereo.....	242
Extreme makeover, car audio edition	244
Gizmos and Gadgets	245
Hub of the universe.....	245
Voice control	246
Television tuner	247
Connecting to the Internet.....	248
Long range: Mobile phones and satellite	248
Short-range Internet access via WiFi	248
Navigating with GPS.....	250
Part VI: Maxi mini Mods	251
Chapter 16: Maxi mini Mod Techniques	253
Soldering Electronics.....	253
Soldering tools.....	254
How to solder.....	255
Desoldering with a braid	258
Practicing.....	259
Cutting	259
What to wear when cutting.....	259
Cutting tools.....	260
Cutting plastics.....	261
Cutting acrylic	262
Cutting metal.....	263
Gluing.....	265
Precautions	265
Gluing plastic to metal and other mixed materials	265
Gluing plastics	266
Acrylic (Plexiglas)	267

Painting.....	267
Removing paint from plastic	268
Sanding	268
Masking.....	269
Where to paint	270
Types of paint	270
Applying paint with aerosol cans.....	271
Chapter 17: Fun mini Case Mods	273
Precautions	273
Preventing overheating.....	274
Interference with wireless and optical	274
Wrapping and Sticking Stuff to the mini.....	275
Adding prefab skins	275
Gluing things to the mini's case.....	277
Painting the mini	278
Leaving it to the experts.....	278
Painting it yourself	278
Maxi Modding the Outer Case	280
Removing and replacing the plastic top.....	280
Adding a new top to the outer casing.....	284
Chapter 18: Mac OS X Hacks and Mods	287
Hacking in Terminal	287
Hacking the Finder and Dock.....	289
Adding a Quit command to the Finder menu	289
Right and left justification of the Dock	290
Top Dock, disappearing Dock.....	291
Creating a desktop and sidebar Trash icon	293
Making hidden apps look different in the Dock.....	295
Showing invisible folders	296
An iTunes Mod.....	297
Utilities That Change the Look and Feel	297
Adding files and folders to the Apple menu	298
Getting rid of brushed metal.....	298
Macintosh Explorer	298
Chapter 19: Modding for Bigger Form Factor Hard Drives	299
What's Involved	299
Size	300
Power	300
Converting between IDE connectors	301
Gathering Parts	302
Obtaining a 44-to-40-pin converter	303
What doesn't work	303
Buying a converter that does work.....	304
Growing your own converter connector.....	305

Assembling the Mod307
 Transferring data and settings307
 Installing the cable and connectors in the Mac mini.....309
 Modding the hard drive enclosure.....310

Chapter 20: Overclocking for a Faster Mac mini 311

Processors and Clocking.....312
 Why it works312
 Issues to consider312
 Tools You'll Need.....313
 Performing the Mod.....314
 Removing the motherboard.....314
 Locating the jumpers316
 Determining the jumper configuration.....318
 Desoldering a jumper.....319
 Soldering the jumpers in a new place.....319
 Reassembling the Mac mini320
 Testing Your Pumped-Up Mac mini.....323

Part VII: The Part of Tens.....325

Chapter 21: Ten Web Sites to Go to for Ideas and Help 327

MacInTouch327
 Apple's Macintosh Product Guide328
 Version Tracker328
 Apple Discussion Forum329
 MacMod.....329
 123Macmini330
 MacVroom330
 Inside Mac Games331
 Radio Shack.....331
 Tom's Hardware Guide332

Chapter 22: Ten Other Uses for the Mac mini 333

Safe Surfing Box for Window Users.....333
 Electronic Scoreboard334
 Computer on a Rope.....334
 Boat or Small-Plane Mac.....335
 Mobile Podcast Studio.....336
 Pro Recording Studio.....336
 Electronic Sculpture337
 Digital Picture Frame337
 Treffpunkt.....338
 Bar Punkt.....339

<i>Appendix: Keeping the Mac mini Running Smoothly.....</i>	<i>341</i>
Troubleshooting Problems	342
Troubleshooting Prefs and Other System Files: Fixing Spinning	
Beach Balls and Other Maladies	342
Identifying and locating preferences files	343
Troubleshooting problem preferences files.....	344
Troubleshooting flaky fonts	346
A printer problem-solver.....	346
Repairing Permissions	347
When to repair permissions.....	348
How to repair permissions	348
Repairing the Hard Disk with Disk Utility	349
When to repair the hard disk.....	349
Running the Repair Disk function	350
A shortcut for repairing the disk.....	351
Reformatting the Drive and Reinstalling Mac OS X	352
Backing up the hard drive	352
Erasing your drive	352
Restoring the hard drive	353
Hardware Problems	353
When the hard drive fixes don't work	353
RAM problems	354
Running Apple Hardware Test	355
