

Index

A

Abstract stage, of knowledge, 76, 81
Academic achievement: ADHD indicators
 involving, 20; of girls, with ADHD, 17;
 relationship of behavior to, 115
Academic interventions,
 122–125
Academic vocabulary instruction, 52
Access Center, 79
Accommodations: example of, 6; for homework,
 32, 46; for independent practice, 45–46;
 legislation regarding, 5, 6; for note taking, 6, 98;
 for positive discipline, 112; in postsecondary
 education, 134; in Response to Intervention
 process, 122–125
Accountability, of schools: instructional planning
 and, 39; No Child Left Behind Act and, 2
Acronyms, 73, 75
Activation, weaknesses in, 22
Active learning, 93–104
Adaptations. *See* Accommodations
Addition, 68
Additive vocabulary instruction, 52–53
ADHD (attention deficit/hyperactivity disorder):
 brain changes and, 12; definition of, 14–16;
 description of, 13–14; disorders associated
 with, 24–26; effects of, 18–19; in girls, 16–18;
 indicators of, 20; medication for, 125–127;
 prevalence of, 16; symptoms of, 12, 14, 15,
 17–18; types of, 13–14
ADHD, students with: challenges of, 11; legislative
 actions regarding, 2–6; modern educators' view
 of, 121; quality of education provided to, 2;
 recognizing disabilities in, 7; responsibilities of,
 127–135
Adjective maps, 55
Adolescent development, 126
Advance organizers, 34, 96–97, 102
Agendas, 109
Algebraic equations, 68, 79–82
Alternative assessments, 37
American Psychiatric Association, 14, 16
Anger, 22–23
Anticipation guides, 86, 94–95
Antisocial behaviors, 107

Anxiety: causes of, 105; description of, 25; of girls,
 with ADHD, 17, 18; problem behaviors and,
 116, 118
Archer, A., 43, 113
Assessments, diagnostic: of girls, with ADHD, 17;
 No Child Left Behind Act and, 2; in Response to
 Intervention process, 122–123
Assessments, of learning: in differentiated
 instruction, 37; in math, 70; motivation and, 87;
 in science and social studies, 103, 104; students'
 role in, 127
Assessments, of lesson design, 93
Assessments, of prior knowledge, 94–95
Attention deficit/hyperactivity disorder (ADHD).
 See ADHD
Attention deficit/hyperactivity disorder, student
 with. *See* ADHD, students with
Auditory learners, 36

B

Barkley, R., 24
Beck, I., 52, 53
Behavior Education Program, 117–119
Behavior, of students with ADHD: associated
 disorders of, 24–26; common descriptions of,
 11–12; management of, 106–114, 116–120;
 positive supports for, 106; problem types of,
 114–116
Behavior specialists, 120
Bipolar disorder, 25
Block schedules, 61
Body image dissatisfaction, 17
Brain: anatomy and physiology of, 12–13; effects
 of ADHD on, 12, 13; engagement in learning
 and, 48; medications and, 21. *See also* Executive
 functions, of brain
