Section I Introduction 1

Performance Data 1

Rational for Selecting Chemical Protective Clothing 2

How to Use This Guide 4

Section II Selection and Use of Chemical Protective Clothing 7

Introduction to Some Important Terms 7

Selection and Use of Protective Clothing 10

Ten Important Considerations for the Selection and Use of
Chemical Protective Clothing 16

Checklist for Selection, Use, Care and Maintenance,
and Disposal of Chemical Protective Clothing 18

Section III Chemical Index 19

Chemical Class Numbers 19

Chemical Names 20

Synonyms 20

Chemical Abstract Service Number 20

Risk Codes 21

Chemical Warfare Agents 22

Special Notes 23

Section IV Selection Recommendations 79

Barriers 79

Important Notes 81

Color Codes 81

ASTM F1001 Guide and EN 374 Requirements 83

Application of ASTM F1001/EN 374-1 Chemical Test
Battery 85

Important Notes 85

Trade Name Table 87

Important Notes 90

Master Chemical Resistance Table 91

Section V Glossary 169

Section VI Standards for Chemical Protective

Clothing 185

Section VII Manufactures of Chemical Protective

Clothing 191
