Table of Contents

<i>Introduction</i>	1
About This Book	1
Conventions Used in This Book	2
What You're Not to Read	2
Foolish Assumptions	3
How This Book Is Organised	3
Part I: Figuring Out What Dyslexia Is All About	3
Part II: Determining When to Get a Diagnosis	3
Part III: Exploring Your Options for Schools and Programmes	4
Part IV: Taking Part in Your Child's Tuition	4
Part V: Moving beyond the Childhood Years	4
Part VI: The Part of Tens	4
Part VII: Appendixes	5
Icons Used in This Book	5
Where to Go from Here	5
<i>Part 1: Figuring Out What Dyslexia Is All About</i>	7
Chapter 1: Understanding the Basics of Dyslexia	9
Defining Dyslexia in Plain Terms	9
Focusing on the Symptoms of Dyslexia	10
Deciding When to Have Your Child Tested	11
Exploring Different Schools and Programmes for Your Child	12
Helping Your Child with Activities at Home	14
Watching Your Child with Dyslexia Grow	16
Chapter 2: Pinpointing What Dyslexia Is (And Isn't)	17
Understanding the Real Meaning of 'Dyslexia'	17
Looking at the straight facts	17
Moving away from common misconceptions	18
Classifying dyslexia as a 'learning disability'	19
Investigating the Causes of Dyslexia	20
Weighing up brain research	20
Getting into genetics	21
Breaking Dyslexia Down into Different Types	23
Looking at Other 'Dys' Conditions Related to Dyslexia	25
Dysgraphia: Difficulty with writing	25
Dyscalculia: Difficulty with maths	26
Dyspraxia: Difficulty with motor skills	26

Understanding & Managing Dyslexia For Dummies

Comparing Dyslexia to ADD and ADHD	26
Examining ADD.....	28
Checking out ADHD	28

Chapter 3: Being Alert to Symptoms of Dyslexia at Any Age 31

Understanding Why Looking for Signs Is Important	32
Appreciating that dyslexia is unexpected	32
Being savvy about screening tests and what one teacher can do... 33	
Avoiding the 'wait awhile' trap	34
Noticing Your Child's Late Development at Nursery.....	34
Watching Your School-Age Child Fade	36
Recognising Signs of Dyslexia at Older Ages	38
Seeking out signs in teenagers	38
Acknowledging adult symptoms.....	39
Referring to Your Family's History.....	41

***Part II: Determining When to Get a Diagnosis* 43**

Chapter 4: Watching Your Child Carefully at a Young Age 45

Keeping a Close Eye on Early Skills.....	45
Talking late and unclearly.....	46
Battling ear infections	47
Seeing a range of vision problems.....	48
Having trouble with playing and dressing.....	50
Displaying weak pre-reading skills	50
Engaging in Pre-Reading Activities at Home	51
Developing print awareness	52
Focusing on phonemic and phonics skills.....	52
Preparing Your Child for Nursery School	54
Stirring up good feelings about school	54
Helping your child with language skills	55
Nurturing other academic skills	56
Encouraging fine motor skills.....	57
Showing your child what's sociable.....	57
Putting your child in charge of his personal information	58

Chapter 5: Acting Quickly with Your School-Age Child 59

Responding Quickly to Reading Problems	59
Noticing Dyslexic-like Behaviours at Home	61
Struggling with written words.....	61
Feeling unhappy.....	62
Being disorganised	62

Asking Your Child's Teacher to Look for	
Dyslexic-like Behaviours in Class.....	63
Struggling with reading	64
Writing with difficulty.....	65
Making predictable spelling errors	66
Coping with other classroom tasks and issues.....	66
Behaving unusually.....	67
Chapter 6: Testing Your Child for Dyslexia	69
Deciding When to Get a Diagnosis	70
Examining Different Kinds of Tests	71
Looking at language tests for pre-school children	71
Making sense of vision and hearing tests	72
Surveying early screening tests	73
Understanding IQ tests	74
Picking out performance tests	75
Charging up for a test battery	78
Choosing Your Test Administrator Wisely	78
Selecting a specialist within your child's LA.....	78
Investigating independent testers outside your LA.....	79
Preparing Your Child (and Yourself) for Testing	81
Receiving Test Results and Putting Them to Work.....	82
Breaking down the terminology in test results.....	83
Finding out that your child has an SpLD	84
Discovering that your child isn't recognised as having an SpLD....	86
Looking at Your Options When You Decide Not to Test.....	89
 <i>Part III: Exploring Your Options</i>	
<i>for Schools and Programmes.....</i>	91
 Chapter 7: Choosing the Best School for Your Child	93
Questioning the Kind of School Your Child Needs	94
Looking at What the State Sector Offers.....	96
Supplying assessment services.....	97
Focusing on school programmes.....	97
Giving help above and beyond the classroom.....	100
Providing sensitivity to your child's needs	101
Meeting the Staff at School.....	103
Familiarising yourself with the classroom teacher	103
Acquainting yourself with the SENCO.....	105
Checking out school specialists.....	106
Paying special attention to the support staff	106
Taking note of the head teacher	107

Getting the Full Story about Alternative Schooling.....	107
Finding out about special schools.....	108
Choosing a private school.....	108
Examining Montessori schools.....	108
Walking the Steiner (or Waldorf) path.....	109
Deciding on a school for your child with dyslexia.....	110
Thinking about home schooling.....	110
Chapter 8: Getting a Statement of Special Educational Needs	115
Pursuing a Statement: Following the Code of Practice.....	115
Speaking with the class teacher.....	116
Involving the SENCO.....	119
School Action.....	120
School Action Plus.....	121
Statutory assessment.....	122
Exploring a Statement of Special Educational Needs.....	123
Receiving a note in lieu.....	124
Disagreeing with the Statement.....	124
Surrounding yourself with supportive people.....	126
Living with an SEN Statement.....	126
Attending annual reviews.....	127
Surveying the services your child receives with a Statement.....	128
Knowing your rights – and your child’s.....	129
Chapter 9: Securing Help without a Statement	131
Making the Most of Choices in School.....	131
Looking for Help Outside School.....	132
Checking out specialist dyslexia therapies.....	132
Considering dyslexia centres.....	133
Paying an individual tutor.....	135
Opting for a general learning centre.....	137
Giving Academic Support at Home.....	139
Letting your child take the lead with homework.....	139
Setting up homework management methods.....	140
Using technology.....	142
Steering clear of a maths meltdown.....	146
Chapter 10: Working Productively with Your Child’s Teacher	149
Requesting and Preparing for a Formal Meeting.....	150
Asking the teacher to meet.....	150
Assembling important information.....	151
Determining whether to bring your child.....	151
Keeping a Meeting on Track and Following Up Smartly.....	152
Creating a positive mood.....	152
Emphasising your child’s needs.....	153
Pushing your points firmly.....	154
Adhering to the teacher’s goals.....	155
Taking action after a meeting.....	156

Coming Up with Easy Accommodations.....	156
Understanding oral instructions clearly.....	157
Reading large amounts of text.....	158
Comprehending text.....	158
Writing large amounts of text.....	159
Copying from the board with ease	159
Spelling successfully.....	160
Finishing classroom work and homework on time.....	161
Avoiding Dyslexic Land Mines	161
Making the grade	161
Surviving standardised tests	162
Staying back a year	164
Learning parrot fashion	166

Part IV: Taking Part in Your Child's Tuition..... 167

Chapter 11: Putting Memorising, Visualising and Rhyming to Good Use.....169

One by One: Starting with Single Letters.....	169
Drawing pictures into vowels.....	170
Knocking b and d into shape.....	171
Putting P in its place.....	172
Letters Joining Forces: Getting on Top of a Few Good Spelling Rules ...	173
Blatantly Bossy e.....	174
Extroverted and introverted vowels	176
An old favourite: 'i before e except after c'	177
I Know You! Having Fun with Sight Words	178
Ten at a time	180
Picture this	181
Bang!.....	181
Word roll.....	181
Five up.....	182
Bingo.....	182
Do You See the Sea? Distinguishing between Sound-Alike Words	183
The Hard Stuff: Remembering Especially Tricky Words	185

Chapter 12: Playing with Phonics.....187

Emphasising Single Letters	188
Cosying up with consonants	188
Taking a long look at short vowels	189
Introducing letters by name	190
Building Three-Letter Words in Word Families	190
Putting together 'at'.....	191
Moving on up with 'bat', 'cat', 'fat' and more.....	192
Running through additional word families.....	192

Mixing It Up with Blended Consonants.....	193
Blends at the beginning.....	193
Blends at the end	194
Delving into Digraphs.....	195
Mastering Tricky Vowel Sounds	197
Opening up to long vowels	197
Hearing 'y' sound like a vowel.....	198
Surveying schwa vowels	200
Singling out sound-alike chunks featuring vowels.....	200
Partnering vowels with 'r'	203
Lopping vowels off the ends of words	205
Bringing Consonants under Control	206
Unmasking consonants in disguise	206
Sounding out the softies	207
Spotting the silent types	209
Doubling up	211
Chapter 13: Sprinting Ahead with Reading Basics and Practice . . .	213
Looking at Reading Fundamentals	213
Being quick to recognise sight words	214
Feeling good about phonics	214
Understanding about comprehension	215
Getting in the Habit: Establishing a Happy Reading Routine.....	217
Using Special Strategies for Reading Success.....	219
Choosing the right books.....	220
Reading to your child first.....	223
Pairing up to read	223
Running through multiple readings.....	225
Handling Your Child's Difficulties with Kindness.....	227
Knowing when to give a quick answer	227
Having your child figure out a word.....	228
Helping your child find contextual cues	228
Chapter 14: Taking Advantage of Multisensory Methods.	231
Bringing the Term 'Multisensory' Down to Earth.....	231
Distinguishing multisensory teaching from traditional methods.....	232
Fitting together multisensory and structured and sequential teaching	233
Setting the Stage for Multisensory Success	234
Making Homework Multisensory.....	235
Setting up a happier homework environment	235
Helping your child understand new information.....	236
Having Practical Stuff for Playing at Your Fingertips.....	237
Modelling clay	237
Gummy mixtures.....	237
Sandpaper	237

Laminate.....	238
Scissors	238
Flashcards.....	239
Board games	240
Computer games	240
Other great tools to have on hand	241
Working Physical Activity into Your Child's Routine	242
Experimenting with Alternative Multisensory Methods.....	243
Colouring pages of text	243
Reading a new font	244
Listening to different messages in each ear	244
Eating fish	245
Chapter 15: Handling Everyday Activities and Difficulties247
Talking Your Child into Feeling Good	248
Understanding your child's feelings.....	248
Listening carefully	249
Empowering your child.....	250
Responding calmly to your child's mistakes.....	252
Helping Your Child with Space, Time and Sequence.....	253
Spacing out	254
Timing is everything.....	258
Following a sequence	260
Maintaining Harmony in Your Home	261
Sharing the load	262
Toeing the line.....	262
Strengthening bonds between siblings	263
 Part V: Moving Beyond the Childhood Years	 265
Chapter 16: Assisting Teenagers with Dyslexia267
Instilling New Life Skills	267
Aiming for high self-esteem	268
Fostering more independence at home	269
Making time for rest and play	270
Getting behind the driver's wheel	270
Facing School Challenges Head-On	270
Moving towards self-reliance with schoolwork	271
Enforcing order on those files	272
Staying on top of all the reading and writing	272
Taking notes	274
Studying the right foreign language	277
Giving great speeches	278
Planning for college and jobs	278

Encouraging the Development of Work Skills.....	279
Keeping up with extra-curricular activities	279
Doing some good with voluntary work	280
Finding a part-time job	280
Chapter 17: Heading Off to College or University	283
Researching Universities and Colleges.....	283
Deciding on potential fields of interest	284
Examining different types of universities and colleges	284
Focusing on the Right College or University.....	286
Touring campuses	286
Asking about disability programmes	287
Applying to University through UCAS	288
Providing proof of dyslexia	289
Gathering academic results.....	290
Giving evidence of school and community involvement.....	291
Handling the Application and Interview Process	292
Completing applications with ease.....	292
Impressing interviewers.....	294
Picking the Winning University.....	296
Finding Help with Financing.....	297
Loans	297
Maintenance Grant	298
Disabled Students' Allowance	298
Other sources.....	299
Successfully Keeping Up with the Work.....	300
Chapter 18: Succeeding with Dyslexia in Adulthood	303
Benefiting from a Late Diagnosis	303
Looking at Helpful Programmes for Adults.....	306
Heading to the classroom	306
Improving your reading skills at home	307
Knowing Your Workplace Rights as an Adult with Dyslexia.....	308
Making small accommodations for big results	309
Receiving reliable advice	310
Keeping Family and Friends in the Frame	311
Part VI: The Part of Tens.....	313
Chapter 19: Ten Tools for Making Life Easier for Someone with Dyslexia	315
A Pencil Grip.....	315
Pens with Erasable Ink.....	315
Colour-Coded Files and Other Handy Items.....	316
A Wristwatch.....	316

A Pocket Spell Checker	316
A Mobile Phone and a Personal Organiser.....	317
Books on Tape or CD	317
A Photocopier	317
A Word Processor and the Internet	318
Speech-to-Text Software	318
Chapter 20: Ten (Or So) Well-Known Dyslexia Programmes	319
Phonics-Based Reading Programmes	319
Programmes that Tune into Sounds	320
Fast ForWord Language	320
Earobics	321
Units of Sound	321
Programmes that Focus on Vision	321
Davis Dyslexia Correction.....	322
The Irlen Method	322
The Dyslexia Research Trust	323
Mind mapping.....	323
Programmes that Get Physical	324
Brain Gym	324
The DORE Programme	324
Lindamood–Bell Learning Processes	325
Audiblox.....	325
Fish Oils	326
 Part VII: Appendixes.....	 327
Appendix A: An Informal Assessment of Phonemic Awareness and Phonics Skills	 329
Picking Out Pre-Reading Skills	330
Visual discrimination	330
Auditory discrimination.....	331
Phonemic awareness.....	333
Examining Early Reading Skills	334
Knowing single letters	335
Trying three-letter words with short vowels	335
Blending letters	336
Diving into digraphs	337
Testing for Independent Reading Skills	337
Looking at long and short vowels.....	338
Getting the hang of y endings.....	338
Sorting out vowel combinations	339
Spotting soft and hard letters	340
Watching out for silent letters	340
Placing vowels before r.....	341

Appendix B: Contacts and Resources343

- Getting General Information Online or by Voice Mail..... 343
 - Three general websites to start you off..... 343
 - Three big organisations 344
- Talking to Someone Directly 345
- Checking Your Child’s Eyes, Ears and Mouth..... 345
- Surveying Self-Tests 346
- Focusing on Alternative Schooling and School
 - Reading Programmes 346
 - Schools 346
 - School reading programmes 347
- Laying Down the Law 348
- Finding Independent Programmes, Therapists and Learning Centres 348
 - Dyslexia programmes..... 348
 - Therapists and tutors..... 349
 - Dyslexia centres 349
 - General learning centres..... 349
- Trying Technology 350
- Lending a Hand to Teenagers, Students and Adults 351
 - University entrance exams and other tests..... 351
 - University and general educational information 351
 - Financial assistance, grants and scholarships..... 352
 - Jobs and other life skills 352
 - At-home dyslexia programmes 353
