

# Index

## A

Adolescents, working with, 11–12

Assessment: biology lesson (joint productive activity), 18; Castle Building, Middle Ages Unit (joint productive activity), 27; Create an Island lesson (joint productive activity), 18; Examining the Environment (language development revised lesson), 47; Exploring Culture Activity (contextualization), 68; Geometry Construction (language development lesson), 34–35; of instructional conversation, 105; of joint productive activities, 13; of learning centers, 131–132; mathematics lesson (language development), 34–35; rubric for the castle activity, 28; social science lesson (instructional conversation), 119; social science lesson (language development), 47; War and Conflict Instructional Conversation (teaching through dialogue lesson), 119; world history/geography lesson (contextualization), 68; world history lesson (joint productive activity), 27

## B

Back-to-basics curriculum, 4–5

Biology lesson (contextualization), 61–65; collage project, 61–65; collage project instructions (handout), 62; collage project rubric, 63;

commentary, 64; ecology science standards, 61; learning objectives, 64; lesson plan, 62

Biology lesson (instructional conversation), 105–113; commentary, 112–113; conduct of lesson, 108–112; connection question, 108–109; Forensic Science (lesson), 106–120; homework/seatwork, 112; joint venture, 112; learning objectives, 107; lesson plan, 107–108; National Science standards, 106; text support, 110–111; weaving question, 109

Biology lesson (joint productive activity), 17–18; biology standard and learning goal, 19; commentary, 22; conduct of lesson, 18–21; Create an Island reflection questions, 21; Create an Island student instructions (handout), 19–20; instructions, 19–20; learning objectives, 17; lesson assessment, 18; lesson plan, 17–18; standard in biology, 17

Brainstorm web, 37

## C

Castle building, Middle Ages Unit (joint productive activity), 22–28; assessment rubric for the castle activity, 28; castle-building activity (handout), 25; castle questions (handout), 24; commentary, 27; conduct of lesson, 23; learning

objectives, 23; lesson assessment, 27; lesson plan, 23; world history standards, 23

Challenging activities, 75–96

Classroom conversation schedule (example), 103

Closed (dead-end) questions, 91

Collage project (contextualization), 61–65; commentary, 64; instructions (handout), 62; learning objectives, 64; lesson plan, 64; rubric, 63

Community outreach, and context for learning, 57

Complex thinking, teaching, 75–96; focus questions for planning lessons, 76; lessons from the classroom, 76–95; literature lesson, 77–84; mathematics lesson, 87–89; social science lesson, 84–87, 90–95

*Complex World of Teaching, The* (Mintz and Yun), 53, 75

Conceptual foundation, 89

Content goals, and instructional conversation, 100

Contextualizing instruction, 53–74; biology lesson, 61–65; within the community, 54–56; cultural compatibility, 55; focus questions for planning lessons, 57; history/social studies lesson, 70–71; language arts/history lesson, 58–61; lessons/activities, 56–57; lessons from the classroom, 57–73; research support, 55–56; world history/geography lesson, 65–70

Cooperative learning, 10–11, 29

Create an Island lesson (joint productive activity), 17–18; biology standard and learning goal, 19; commentary, 22; conduct of lesson, 18–21; instructions, 19–20; learning objectives, 17; lesson assessment, 18; lesson plan, 17–18; reflection questions, 21; standard in biology, 17; student instructions (handout), 19–20

Culture wheel template, 67

**D**

De-automatization, 98

Demographics, changes in, 2

*Desert Exile* (Uchida), 58

*Diary of Anne Frank, The*, 58–60

Diversification of activities, in public education, 6

**E**

Earth sciences lesson (language development), 36–40; commentary, 40; conduct of lesson, 40; learning objectives, 37; lesson plan, 37; plate tectonics language activity, 36–40; Plate Tectonics Word Web Activity (handout), 38; science and technology standards, 36–37; word web, 37; What's a Word Web? (handout), 39

Economics, and public education, 3

English Language Learners: challenging activities for, 75–84; and instructional conversation, 99, 102; and quality educational programs, 76

Examining the Environment (language development lesson), 45–51; commentary, 45–46; lesson plan, 45; standards, 45

Examining the Environment (language development revised lesson), 46–51; commentary, 47; learning objectives, 46; lesson assessment, 47; lesson plan, 46–47; Quick-Write Activity (handout), 48; Research Tasks for PowerPoint Presentation (handout), 49; rubric for grading literary responses: environment unit, 50–51; standards, 46

Exploring Culture Activity (contextualization), 66–70; commentary, 68; culture wheel template, 67; essential lesson goals, 66; lesson assessment, 67; lesson plan, 66, 68; social science standards, 66; student's culture wheel, 67; universal culture wheel, 69

Extensions, providing, 89

**F**

Families of the Coastside (handout), 71

*Farewell to Manzanar* (Houston/Houston), 57–60

Focus questions: defined, 12; instructional conversation, 99–100; joint productive activities, 13; language development, 32

Focus questions for planning lessons: complex thinking, teaching, 76; contextualizing instruction, 57

Forensic Science (teaching through dialogue lesson), 106–120; commentary, 112–113; conduct of lesson, 108–110; connection question,

108–109; homework/seatwork, 112; joint product, 112; learning objectives, 107; lesson plan, 107–108; National Science standards, 106; text support, 110–111; weaving question, 109  
*Foundations of Literacy, The* (Holdaway), 31

## G

Gatekeepers, teachers as, 52  
 Geometry construction (language development lesson), 33–36; learning objectives, 34; lesson assessment, 34–35; lesson conduct, 34–35; lesson plan, 34; mathematics standard, 34; revised lesson, 35–36; rubric for tent construction activity, 35  
 Global Studies lesson (instructional conversation), 113–120; commentary, 119–120; conduct of lesson, 115–119; connection question, 117; global issues lesson design, 114; homework/seatwork, 119; joint product, 119; learning objectives, 115; lesson assessment, 119; lesson plan, 115; samples of student work on the war and conflict unit, 121; Student Assignment for the Global Reading Center Human Rights Task: What Is a War Crime? (handout), 116; text support, 118–119; War and Conflict Instructional Conversation (lesson), 115–120; weaving question, 117–118  
 Global Studies lesson (language development), 44–51; commentary, 45–46, 47; Examining the Environment, 45–51; learning objectives, 46; lesson assessment, 47; lesson plan, 45, 46–47; Quick-Write Activity (handout), 48; Research Tasks for PowerPoint Presentation (handout), 49; rubric for grading literary responses: environment unit, 50–51; standards, 45, 46  
 Global Warming Activity (lesson), 85–87; commentary, 87; conduct of lesson, 85; learning objectives, 85; lesson plan, 85; social science standards, 85; Student Assignment for “Our Environment: Global Warming” (handout), 86  
 Greenlandic Education Delegation, 123  
 Greenlandic mythology, 123

## H

*High School Leadership Summit* (U.S. Secretary of Education), 10  
 History/social studies lesson (contextualization), 69–70; commentary, 70, 73; essential lesson goals, 69; Families of the Coastside (handout), 71; lesson plan, 70  
 Homeless Garden Project, 65

## I

*I Know Why the Caged Bird Sings* (lesson), 79; commentary, 79; lesson plan, 79; Maya Angelou literary analysis rubric, 80  
*I Know Why the Caged Bird Sings* (revised lesson), 83; commentary, 83–84; essential standards, 83; learning objectives, 83; lesson plan, 83; Maya Angelou editorial writing assignment rubric, 82; Student Assignment for *I Know Why the Caged Bird Sings* Lesson (handout), 81  
*In the Time of Butterflies* (Alvarez), 95  
 Instructional conversation, 97–121; assessing, 105; benefits of, 99; biology lesson, 105–113; classroom conversation schedule (example), 103; connection questions, 101; content areas for, 98; conversational activities, organizing, 100–105; defined, 97; differentiated instruction, 104; focus questions, 99–100; follow-up seatwork/homework, 101; joint production/conclusion, 101; learning to incorporate into teaching, 120; lessons from the classroom, 105–121; participation structure cards, 103–104; planning lessons with, 99–100; power of, 98; sequence, 101; social science lesson, 113–120; structuring, 100; student participation, encouraging, 102; teacher’s role, 98; text support, 101; time management, 102; weaving questions, 101

## J

Joint productive activities: assessment of, 13; biology lesson, 17–18; creating lessons with, 12–13; defined, 9; focus questions, 13; implementation

of strategy, 10; and learning centers, 127; and learning diversification, 9; lessons from the classroom, 15–27; literature lesson, 15–17; research support for, 10–11; structuring, elements necessary for, 12–13; teacher's role, 12; world history lesson, 22–28

## L

Lack of relevance, 3

Language arts/history lesson (contextualization): commentary, 60–61; examples of student quick-writes, 59; learning objectives, 58; lesson plan for literary analysis, 60; lesson plan for role play, 58–59; standards: literary response and analysis for grades 6 to 9, 58; *Tragedies of War: The Japanese Internment* (lesson), 58

Language development, 31–52; earth sciences lesson, 36–40; enacting the principle of, 31; focus questions, 32; lessons from the classroom, 33–51; mathematics lesson, 33–36; scaffolding, defined, 32; scaffolding instruction, 32; Sheltered English lesson, 40–44; social sciences lesson, 44–51

Language goals, and instructional conversation, 100

Learning centers, 10, 127–132; assessment, 131–132; center activities, 127–128; classroom groupings, 129; defined, 127; group management and discipline, 129–130; learning center and lecture schedule, 130; organizing, 128–129; rights and responsibilities (table), 130; scheduling activities, 130–132; self-contained, 128–129

Literature lesson (complex thinking), 77–84; commentary, 79, 83–84; essential standards, 83; learning objectives, 83; lesson plan, 79, 83; Maya Angelou editorial writing assignment rubric, 82; Maya Angelou literary analysis rubric, 80; reflection questions, 77; Student Assignment for *I Know Why the Caged Bird Sings* (handout), 81; *I Know Why the Caged Bird Sings* (lesson), 79; *I Know Why the Caged Bird Sings* (revised lesson), 83

Literature lesson (joint productive activity), 15–17; commentary, 16–17; conduct of lesson, 16; learning objectives, 15; lesson plan, 16; standards for literary response and analysis, 15; Time, Sequence, and Setting in Literature (lesson), 15–17

## M

Making meaning, *See* Contextualizing instruction  
*Material World: A Global Family Portrait* (Menzel), 65

Math Forum Web site, 89

Mathematics lesson (complex thinking), 87–89; commentary, 88–89; essential mathematics standards, 88; lesson plan, 88; Trigonometry (lesson), 86–89

Mathematics lesson (language development), 33–36; learning objectives, 34; lesson assessment, 34–35; lesson conduct, 34–35; lesson plan, 34; mathematics standard, 34; revised lesson, 35–36; rubric for tent construction activity, 35

Mind map, 37

## N

*Nation at Risk* report, 4

National Science Education Standards, 106

National Science Standards, 55

No Child Left Behind Act, 4

## O

Office of Vocational and Adult Education, U.S. Department of Education, 10

Open-ended questions, 91, 94

## P

Pair share, 9–10, 22; defined, 9; involving students in, 89

Paradigm of public education, 2–3

Participation structure cards, 103–104

Plate Tectonics Language Activity (language development lesson), 36–40; commentary, 40; conduct of lesson, 40; learning objectives, 37;

- lesson plan, 37; plate tectonics language activity, 36–40; Plate Tectonics Word Web Activity (handout), 38; science and technology standards, 36–37; word web, 37; What’s a Word Web? (handout), 39
- Power of Their Ideas, The* (Meier), 1
- Properties of Food, The (handout), 42
- Public education: back-to-basics curriculum, 4–5; background theory, 6–7; changing demographics, 2; curriculum, 3–4; diversification of activities, 6; and economics, 3; five pedagogy principles for teaching and learning, 7; lack of relevance, 3; modifying teaching, 5; paradigm of, 2–3; solutions to problems of, 4–7; teaching force, 2; whole language movement, 4–5
- Q**
- Quick-Write Activity (handout), 48
- Quick write, defined, 45
- R**
- Reading comprehension, and instructional conversation, 99
- Recursion, 98
- Relevance, lack of, 3
