***Introduction*..... 1**

About This Book.....	1
Conventions Used in This Book	2
What You're Not to Read.....	3
Foolish Assumptions	3
How This Book Is Organized.....	4
Part I: Recognizing and Taking Steps Toward Treating Chronic Fatigue Syndrome.....	4
Part II: Teaming Up with Treatment Professionals.....	4
Part III: Living and Working Well with Chronic Fatigue Syndrome.....	4
Part IV: The Part of Tens.....	5
Icons Used in This Book.....	5
Where to Go from Here.....	6

***Part 1: Recognizing and Taking Steps Toward Treating Chronic Fatigue Syndrome* 7**

Chapter 1: Dipping into Chronic Fatigue Syndrome: Symptoms, Causes, and Treatments 9

Taking Your Fatigue Seriously	9
What is CFS, anyway?.....	10
How long does CFS last?	10
Conjecturing about the Possible Causes of CFS.....	10
Seeing the Right Kind of Doctor	14
Ruling Out the Other Suspects.....	14
Drafting an Effective Treatment Plan.....	15
Keeping Love Alive in the Midst of CFS.....	17
Appreciating the care others give.....	17
Supporting a loved one who has CFS	17
Guiding a Child through the Trauma of CFS	18
Educating your child about CFS	19
Attending to your child when you have CFS.....	19
Anticipating Future Tests, Treatments, and Possible Cures.....	20

Chapter 2: Gauging Your Symptoms: CFS Is More Than Being Tired . . . 21

Evaluating the Onset: When You Recognize Something Is Wrong	22
Recognizing the Signs and Symptoms of CFS	23
Grading the severity of your fatigue	24
Feeling the pain of headaches	26
“Ow! My aching muscles!”	26

- Checking your joints for CFS symptoms26
- Crashing after strenuous physical or mental activity26
- Forgetting stuff: Short-term memory impairment.....27
- Having a recurring sore throat27
- Experiencing tender, swollen lymph nodes27
- Listing the less common symptoms28
- Recognizing When You've Reached Chronic Status29
 - Examining the six-month rule29
 - Qualifying for the eight-hour rule.....30
 - Self-screening for CFS.....30
- Differentiating CFS from Other Conditions and Illnesses.....31

**Chapter 3: Looking At the Possible Causes:
Where Does CFS Come From? 37**

- Examining the History of CFS38
- Investigating Early Reluctance to Recognize CFS40
 - Officially speaking: From the Centers for Disease Control
and Prevention (CDC)41
 - Getting the inside scoop: What people now know about CFS42
- Shaking Your Family Tree.....43
 - Investigating the stress-hormone genetic connection44
 - Digging up the missing genetic link45
- Checking Out Your Body Chemistry.....45
 - Triggering Your Immune System . . . or Not46
 - Gland-standing with the HPA axis48
 - Blaming your period (or lack thereof).....49
 - Troubleshooting your electrical system:
 - Autonomic nervous system dysregulation50
- Physical Trauma and CFS: Covering the Aftermath.....51
 - Exposing the link to physical trauma51
 - Investigating postconcussive syndrome disorder51
 - Paining away: Muscle and joint pain.....52
 - Finding a link in hidden infections52
- Inspecting Environmental Toxins and Allergens54
 - Filling your lungs with polluted air54
 - Exposing yourself to on-the-job toxins55
 - Sucking in the smoke: Cigars and cigarettes55
 - Experiencing hypersensitivity to chemicals.....55
 - Coming up short of breath: The asthma link.....56
- Emotional Stress and CFS: Recognizing the Signs.....56
- Can You Prevent the Onset of CFS?.....57

Chapter 4: Finding Comfort in Numbers: You're Not Alone 59

- Examining the Epidemiology and Studying the Statistics.....60
 - Riding the Chicago–Wichita line.....61
 - Taking a global CFS census63
 - Profiling groups for CFS66
 - Reconciling the results67

Underestimating the Real Numbers.....67
 Staying in the closet: Under-reporting by patients67
 Misdiagnosing the real cause: Under-reporting by doctors68
 Singling Out Women.....70
 Factoring in pregnancy71
 Stimulating the thyroid discussion72
 Putting up with pain.....72
 Being a middle-aged woman: A double whammy.....73
 Lowering the age limit: Teens and young women73
 Counting Heads in the Lower Risk Groups74
 Singling out seniors: Cranky old fart or CFS sufferer?74
 Hiding his tears: Emotion, men, and CFS75
 Acting out: Children get CFS, too75
 Peering into the Future for Potential Cures76

Preparing to Visit Your Primary Physician82
 Getting ready for your visit82
 Jotting down what you know about yourself.....82
 Packing a notepad or recorder87
 Gauging Your Doctor’s CFS Knowledge88
 Don’t expect your doctor to be a CFS expert88
 Knowing what approach your doctor should take89
 Finding a CFS Specialist for a Thorough Workup90
 Gathering recommendations91
 Verifying the doctor’s credentials93
 Calling for an appointment.....93
 Consulting Additional Specialists for Specific Symptoms93

Chapter 6: Working with Your Doctor to Sort Out Your Symptoms . . . 95

Preparing Yourself for a Case of Chronic Confusion95
 Acknowledging the challenges of diagnosing CFS96
 Improving your odds of an accurate diagnosis97
 Rating Your Fatigue.....98
 Painting Your Diagnostic Portrait99
 Your medical and family history100
 A basic physical.....102
 Key medical tests for CFS.....102
 Filling out questionnaires.....104
 Questioning the tests being performed on you.....105
 Seeking a Second Opinion When Your Doctor Doesn’t Work Out.....107

Chapter 7: Crafting Your Medical Treatment Plan	109
Soothing Your Symptoms with Effective Medications.....	110
Cranking up your energy level with stimulants.....	110
Muting your aches and pains.....	112
Medicating your clinical depression.....	117
Knocking yourself out for a restful night's sleep.....	121
Suppressing your allergy symptoms.....	123
Banishing nausea from your system.....	123
Lashing out at suspected triggers: Lyme disease, autoimmune conditions, and viral infections	125
Combining Medicine with Other Treatments	127
Seeking psychological and emotional counseling.....	127
Combining traditional medicine with alternative therapies.....	127
Popping a multivitamin once a day.....	128
Developing a realistic exercise routine	128
Restructuring your life to accommodate your treatment.....	129
Chapter 8: Handling Your Emotional and Psychological Issues . . .	131
Recognizing the Vicious Emotional Cycle in Action.....	132
Tipping the scales: The beginning of the cycle	132
Knowing when you need to break the cycle	133
Avoiding the slippery slope	134
Self-Screening Yourself for Depression.....	134
Finding a Good Therapist.....	137
Gathering recommendations	138
Checking your insurance coverage.....	139
Verifying your doctor's credentials.....	139
Getting Individual Therapy.....	140
Improving your understanding of CFS with psychoeducation	141
Establishing healthy thinking through cognitive-behavioral therapy (CBT).....	142
Participating in Relationship, Family, and Group Therapy.....	144
Repairing relationships on the rocks.....	144
Making CFS a family affair	145
Developing effective problem-solving skills	146
Swapping insight and support in group therapy.....	147
Chapter 9: Checking Out Some Alternative (Therapy) Routes	149
Looking for the Best Alternative Caregivers.....	150
Checking for health insurance referrals	150
Using licensing associations	151
Getting referrals from your friends	153
Relaxing Your Way to Relief	153
Stretching out with yoga	153
Massaging the stress out of your body	157
Soothing your body with aromatherapy	158

Harnessing the power of prayer and meditation160
 Mesmerizing CFS symptoms through hypnosis162
 Relieving Your Symptoms with Herbs and Supplements.....163
 Lining Up Your Bones with Chiropractic Care.....165

Chapter 10: Exorcising CFS Symptoms with Sensible Exercise . . . 167

Plugging Into the Rationale Behind Exercise Therapy168
 Preventing muscular atrophy and bedsores.....168
 Walking away the stress168
 Reducing fatigue169
 Improving your sense of well-being169
 Discovering Your Optimum Exercise Activity Level170
 Journaling your exercise journey.....171
 Starting off slowly.....172
 Embracing moderation173
 Ramping it up — Something to work up to176
 Working Out with Specific Exercises and Toning Moves177
 Getting pumped up with cardiovascular exercise178
 Sitting up and pushing up179
 Pumping iron to tone up muscles186
 Working your core muscles with Pilates190
 Going nowhere fast: Walking in place191
 Finding the Right Personal Trainer for You192
 Searching for just the right fitness guru.....192
 Conversing with your trainer: It’s not just chit-chat.....193

***Part III: Living and Working Well
 with Chronic Fatigue Syndrome 195***

Chapter 11: Setting Up a Healthy Daily Routine 197

Tailoring Your Menu for CFS-Friendly Foods197
 Taking advantage of nutritional information198
 Finding what foods work best for you203
 Avoiding the junk-food jitters207
 Keeping your cuisine a calming experience208
 Cooking up a few tasty CFS-friendly dishes209
 Reaching and Maintaining Your Optimum Weight212
 Calculating a healthy weight for you212
 Shedding pounds: The stress-free way213
 Getting a Good Night’s Sleep214
 Establishing a healthy sleep schedule.....215
 Falling asleep by reading some sleep tips.....216
 Lock-Stepping with a Daily Routine217
 Establishing a healthy schedule.....217
 Encouraging your family to cooperate218

Chapter 12: Working When You Have CFS	219
Disclosing Your Condition: To Tell or Not to Tell?	219
Weighing your options	220
Breaking the bad news (diplomatically speaking)	223
Calculating the Possible Personal Financial Costs	225
