

## INDEX

### A

- ABC inventory control, 438
- Absence of employees, compensated absences, accounting for, 66, 67
- Accelerated cost recovery system
  - depreciation, 690
  - and investments, 305
  - rule for, 305
  - and straight line method, 306
- Accelerated reply mail, 396
- Acceleration of expenses, 695
- Accounting areas foreign
  - currency accounting, 184
  - income tax allocation, 174
  - investments, 127, 137
  - leases, 137, 149
  - pension plans, 161
  - post-retirement benefits, 161, 164
- Accounting changes, 105, 110
  - accounting principle, change in, 105, 107
  - change in reporting entity, 108
  - prior period adjustments, 108, 110
  - revision of estimates, 107, 108
- Accounting policies
  - definition of, 110, 111
  - disclosure of, 110, 111
  - realistic policies, 604
- Accounting principle, cumulative effect of a change in accounting principle, 105, 107
- Accounting rate of return
  - pros and cons of, 295
- Accounts payable
  - characteristics of well-managed system, 442
  - management of, 442, 443
  - questions related to vendors, 444
  - signs of problems, 443, 444
  - turnover ratio, 591
- Accounts receivable accounts
  - receivable turnover ratio, 577
  - aging schedule, 577
  - assignment of, 39
  - assignment of Balance sheet
    - accounts receivable assignment of, 40
    - and good credit system, 412
  - average collection period ratio, 577
  - balance sheet analysis of, 578, 579
  - credit and marginal customers, 414, 420
  - credit services, use of, 410
  - discount for early payment, 413, 414
  - factoring of, 40, 41
  - float
    - invoicing float, 408
    - mail float, 408
  - investment in, 412, 420
  - management of, 408, 409
  - maximizing, methods of, 410, 412
  - standards, use of, 410
  - transactions resulting in losses, 420
  - transfer with recourse, 41, 42
- Accounts receivable financing, 457, 461
  - assignment arrangement, 457, 458
  - factoring arrangement, 457, 461
- Accumulated benefit
  - obligation, definition of, 150
- Acid-test ratio, 735
- Activity-based costing, 197, 203, 207
  - comparison of product costs, 206, 207
  - first stage procedures, 204
  - pool rate, 205
  - second stage procedure, 205, 206

- Actuarial assumptions,
  - definition of, 150
- Actuarial cost method,
  - definition of, 150
- Actuarial present value,
  - definition of, 150
- Adjustable rate preferred stock, 682, 683
- Adjusted net book value, 716
- Aging schedule, accounts receivable, 577
- Almanac of Business and Industrial Financial Ratios*, 699
- Amortization, 691
- Annuities
  - future value of, 288
  - present value of, 291
- Arbitrage pricing model (APM), 285
  - vs. CAPM, 283
  - economic forces, 284
- Arms length transaction, 114
- asset retirement obligations,
  - accounting for, 55
- Asset valuation methods
  - adjusted net book value, 716
  - determining book value, 707
  - liquidation value, 717
  - replacement costs, 717
  - secured loan value, 717
- Assets, 285
  - balance sheet analysis, 576, 585, 586
  - balance sheet recording, 38
  - quality of, 576, 585, 586
  - utilization of, 584
- Assignment of accounts receivable, 457, 458
- Automobiles
  - insurance, 633
- Average collection period ratio, 577
  
- B**
- Bad debts, 411, 412, 689, 690
  - Bad Debt Loss Reports, 411
  - tax deductions for, 689, 690
- Balance of payments, 653, 654
  - characteristics of, 653, 654
- Balance Sheet, 38, 91
  - accounts receivable
    - assignment of, 39
    - factoring of, 40, 41
  - transfer with recourse, 41, 42
- asset retirement obligations, 55
- assets, recording of, 38
- bonds
  - accounting for, 59, 64
  - issuance with warrants, 89, 90
- bonds callable by creditor, 69
- budgeted balance sheet, 263
- compensated absences, 66, 67
- damaged fixed assets, 53, 56
- debt
  - early extinguishment of, 64, 65
  - short-term rolled into long term, 68, 69
- depreciation, 49
  - composite method, 49, 50
  - group method, 49, 50
- dividends, 85, 87
- environmental obligations, 68
- exchanges of assets, 52
- Exit or Disposal Activities, 70
- fixed assets, 47, 49
  - footnote disclosures, 55
- intangible assets, 56, 59
- interest, deferral of, 50, 52
- inventory
  - LIFO method, 44, 46
  - losses on purchase
    - commitments, 46, 47
  - lower of cost method, 42, 43
  - market value in excess of cost, 46, 47
  - retail method, 43, 44
  - valuation problems, 46, 47
- liabilities
  - long-term purchase
    - commitments, footnote information, 69, 79
  - recognition of estimated liabilities, 65, 66
  - reporting of, 59
- long-term assets,
  - impairment, 53, 55
- preferred stock, types and provisions for, 79, 81
- quasi-reorganization, 83, 84

- retained earnings, appropriation of, 82
- retired shared, handling of, 81, 82
- special termination
  - benefits, 67, 68
- stock options, 87
- stock splits, 87, 88
- stockbrokers' equity, 79
- treasury securities, 82, 83
- Balance sheet accounting
  - fractional share warrants, 90
- Balance sheet analysis
  - accounts receivable, 578, 579
  - asset quality, 576, 586
  - asset utilization, 584
  - cash account, 576, 577
  - for financing ability, 587, 588
  - fixed assets, 581, 582
  - intangibles, 583, 584
  - inventories, 578, 579
  - investment portfolio, 580, 581
  - liabilities, 586--588
  - liquidity, 589, 594
  - solvency of company, 594, 596
  - stockholders' equity, 589
- Bank loans, 449
- Banker's acceptances, 454, 677, 678
- Banking
  - international, 407
  - workings of bank, 406
- Bankruptcy, 754, 761
  - avoidance of, 599
  - Chapter 5, 754
  - dissolution of business, 755
  - financial statement, example of, 752
  - financial statement, example of full before the Business failure
    - bankruptcy, 761
  - legal aspects, 754
  - prediction of, 596, 598, 726
  - degree of relative liquidity model, 727, 735, 736
  - Lambda index, 727, 740, 741
  - usefulness of, 726, 727
  - Z-score model, 596, 598, 727
  - quasi-reorganization, 83, 87
  - ranking order of payments in, 754
  - warning signs of, 598, 599
- Bankruptcy Reform Act, 751
- Basic Information Package, contents of, 10
- Benefit information date, definition of, 150
- Beta, 281
  - Beta risk, 281
