A catalogue record for this book is available from the British Library

ISBN 978-0-470-03233-6

Typeset in 10/12pt Times by Integra Software Services Pvt. Ltd, Pondicherry, India

Printed and bound in Great Britain by TJ International, Padstow, Cornwall

This book is printed on acid-free paper responsibly manufactured from sustainable forestry in which at least two trees are planted for each one used for paper production.

This book is dedicated to our teacher Andrei Rogers of the University of Colorado at Boulder. Andrei pioneered multiregional demography and the indirect estimation of migration flows. We consider ourselves fortunate to be involved in the continuation of that endeavour.
