

## Index

- Academic critique, 308–309
- Accountability, 129
- ACHE (African Community of Healthcare and Education):
  - conditionality, 293–295
  - founding members, 291–293
  - political alignment, 293
- Africa:
  - civil wars, 30–31
  - Cold War, 32–33
  - colonization, 31–32
  - green revolution in, 82–86
  - solutions for, 33
  - tragedy of, 30–33
- African continent, 247–253
  - full of energy, 247
  - land leases, 253
  - Marshall plan for, 253–258
  - mineral-rich, 247–250
  - vast and unpopulated, 247
  - world's breadbasket, 250–253
- Agboton-Johnson, Christiane, 111, 426
- Agricultural output:
  - agrarian reform, 87
  - fertilizer, 86–87
  - financing and storage, 88
  - improving irrigation systems, 88
  - increasing per capita, 253–258
  - infrastructure and transportation, 87
- Agricultural prices:
  - agricultural subsidies, 74–75
  - biofuels, 72–74
  - multilayered priority world, 75
- Agricultural subsidies, 74–75
- Agriculture, 65–88
  - agricultural output, 86–88
  - agricultural prices, 72–75
  - climate change and food consumption, 75–77
  - food crisis, 66–67
  - green revolution in, 77–86
  - Malthus, Meade, and Mauritius on population growth, 65–66
- Aid, reality of, 37–49
  - aid commitments, 38–40
  - aid effectiveness, 41–45
    - aid target percentage, 37–38
    - foreign aid, 45–47
    - new approaches, 47–49
  - Aid assessment by World Bank, 180–181
  - Aid commitments, 38–40
  - Aid effectiveness, 41–45
    - allocation redefined, 44
    - formal vs. informal factors, 45
    - market-driven vs. centrally planned allocation, 44–45
    - smart aid, 43–44
  - Aid suspension, 306–308
  - Aid target percentage:
    - about, 37–38
    - aid commitments, 38–40
    - Blair Commission for Africa, 40–41
  - Aid with accountability, 290–291
  - Alternative currency theory, 337–339
  - American capitalism, 246
  - American League of Lobbyists (ALL), 168–169
  - Annan Plan:
    - African continent, 247–253
    - capitalism and democracy, 241–243
    - HIPC initiative, 239–241
    - Marshall plan and, 259
    - tale of three capitalisms, 245–247
    - undermining the Monfort plan, 259–263
  - Anti-globalists, 211–213
  - Approaches to illegal immigration, 158–159
  - Arms embargoes, 118–119
  - Art in museums, 319
