About This Book	xxiii
1. Creating a Supportive Learning Environment	1
The First Day of School	2
Arranging Successful Classrooms	2
Students' Desks	3
Assigning Seats	4
Keeping Desks Clean	5
The Teacher's Desk	5
Basic Classroom Supplies	6
The Room Environment	6
Greeting Your Students	7
Getting to Know Your Students	8
Clarifying Expectations	9
Tasks to Accomplish	10
Additional Suggestions	10
First-Day-of-School Checklist	11
Creating an Inviting School Climate	12
Welcoming New Students	16
Humor in the Classroom	17
For More Information	20
Internet Resources on Humor	20
Catalogs of Humor-Related Resources	20
Seeking Student Feedback	21
Establishing Rules	22
Thirty Hot Tips for Managing Classroom Behavior	24
What Do You Want?	28

Positive Reinforcement of Good Behavior	29
The Reward Hierarchy	29
Tips on Using Positive Reinforcement in the Classroom	30
Potential Classroom Rewards	31
Positive Referrals: Recognition That Works	34
Helpful Resources	34
Corporal Punishment	35
The Case Against Corporal Punishment	36
Additional Reading on Corporal Punishment	37
Time-outs	37
Dos of Using Time-outs	38
Don'ts of Using Time-outs	38
Bullying in School	40
Why Students Bully	40
Successful Interventions	40
“Fight, Fight!”: Intervention Strategies	41
Suggestions for Improving Classroom Acoustics	42
The Teacher as a Skilled Helper	42
What Good Listening Is Not	43
Reflection of Feelings	43
Twenty-three More Tips for Becoming a Better Listener	44
Handouts	49–70

2. Creating Successful Lessons **71**

Lesson Plans	72
Beginning a Class	74
Action Verbs for Writing Instructional Objectives	77
Thirty-eight Hot Tips for Maintaining Interest	78
Seven Cardinal Rules for Effective Visuals	83
Additional Tips for Using Transparencies	84
Storyboarding	85
For More Information	86
Review Techniques	87
Mind Maps	87
For More Information	89
Twenty Tips for Closing a Lesson	89
Putting More Pizzazz in Your Presentations	92
Voice	93
Nonverbal Communication	93
Improving Your Speaking Effectiveness	95
Homework That Helps	95
Interesting Homework	96
Making Assignments	97
The Internet and Homework	99
Collecting and Grading Homework	99
Handling Makeup Work	100

Seventeen Tips for Making Outstanding Bulletin Boards	101
Internet Sources for Bulletin Board Ideas	103
Differentiating Instruction	104
Multiple Intelligences	104
Emotional Intelligence	106
Preferred Learning Modalities	110
Helpful Resources	110
Assessing Student Performance	112
Formative vs. Summative Assessment	112
Grading Student Performance	114
Variability in Assessment	114
Twenty Tips for Making Grading as Painless as Possible	115
Tests and Quizzes	117
Grade Contracts	118
The Multiple-Option Grade Contract	119
Authentic Assessments	120
Portfolio Assessments	121
Performance Assessments	123
Self-Assessments	124
Thirty Alternative Assessments	124
For More Information	125
Guidelines for Fair Use of Copyrighted Educational Materials	125
Seeking Permission to Use Copyrighted Material	127
Public Domain	127
Protecting Your Creative Works	127
Handouts	128–136
3. Alternatives to Lecturing	137
Twenty-two Hot Tips for Asking Effective Questions	138
Question and Answer	140
Brainstorming	141
Brainwriting	144
List Making	145
Class Discussions	145
Fishbowls	147
Artwork	148
Music	149
Guided Imagery	150
Journal Keeping	151
Field Trips	152
Ideas for Potential Field Trips	155
Field Trip Supply List	156
Field Trip Follow-up Activities	156
Virtual Field Trips	157

Guest Speakers and Panels	158
Debates	160
For More Information	161
Films, Videotapes, and DVDs	162
Videotaping	164
For More Information	165
Slides	165
Dyadic Encounters	167
Demonstrations	167
Board Work	168
Action Research	169
Interviews	169
Construction	169
Card Sorts	170
Surveys and Questionnaires	171
Oral Presentations	171
Role-Playing	173
Dramatization	176
Games and Simulations	177
Helpful Resources	179
Cooperative Learning	180
For More Information	183
Handouts	186–193
4. Building a Learning Community	195
Twenty-four Hot Tips for Working with Other Teachers	196
Working with a Mentor	198
Telementoring	200
Guidelines for Collaborative Teams	201
Helpful Resources	204
Working with Your Principal	204
Improving Parent-Teacher Relations	206
Parent or Guardian Conferences	208
The Successful Open House	211
Tips for Helping Substitute Teachers	212
Working with Support Staff	214
Working with Volunteers and Aides	214
Handouts	219–224

5. In Search of Educational Excellence	225
Twenty-two Tips for Becoming an Effective Teacher	226
Suggested Reading on Effective Teaching	229
Teacher Expectations Revisited	229
Effective Teacher Checklist	230
For More Information	232
Why Teachers Fail	232
Twenty-seven Mistakes Teachers Commonly Make	233
Thirty-two Strategies for Nurturing Peak Performance in Others	233
Effective Schools	235
For More Information	237
Indicators of Quality	237
High Schools That Work	239
National Teaching Standards	240
High-Stakes Testing	241
Arguments For High-Stakes Testing	243
Arguments Against High-Stakes Testing	244
For More Information	245
Professional Development	245
National Board Certification	249
Educational Research	251
The Scientific Method	251
Types of Research	251
Common Flaws in Research Articles	252
The Importance of Statistics	254
Basic Research and Statistics Glossary	254
For More Information	256
Learning What Works: Action Research	259
For More Information	260
Professional Organizations	261
Education Journals	264
General Education Periodicals	264
Research Journals	265
Subject Specialty Journals	265
Online Education Journals	266
Stress and Burnout in the Classroom	268
Stress Management in the Classroom	269
For More Information	271
Handouts	274–277

6. Effective Use of School Time	279
The Erosion of School Time	280
A School Day	280
The School Calendar	282
Instructional Time	282
Teacher Time-on-Task	283
The Pace of Instruction	284
Student Time-on-Task	285
Conclusion	286
References	286
Prisoners of Time	287
Block Scheduling	287
Advantages of Block Scheduling	289
Disadvantages of Block Scheduling	289
For More Information	290
Eleven Tips on Minimizing Classroom Interruptions	290
Teacher Time Robbers	291
Full-Time Teachers' Workweek	292
Classroom Routines	292
Taking Attendance or Lunch Count	294
Distributing and Collecting Materials	295
Regaining Students' Attention	296
Seeking Permission to Leave the Room	297
Seeking Help	298
Students' Tools	298
Assignments and Homework	299
Storage Solutions	299
The Challenge of Paperwork	300
Causes of the Paper Deluge	300
Thirty-four Tips for Handling Paperwork	301
Communications	305
Teacher Time Log	306
To-Do List	306
Assessing Student Time-on-Task	307
Conquer Procrastination Now!	309
Procrastination Payoffs	309
Attacking Procrastination	311
Tips for Getting Organized	312
Know What You Want	313
Plan for Success	313
Discover Your Prime Time	313
Keep a Personal Calendar	314
Lead a Balanced Life	314
Find Time for a Really Important Task	315

Been to a Good Meeting Lately?	315
Look for Alternatives to a Meeting	316
Have an Agenda	316
Begin on Time	317
Include Only Necessary People	317
Select a Conducive Environment	317
Keep the Meeting on Task	318
Record Progress	319
End on Time	319
Scrounging for Supplies	320
Suppliers of Instructional Materials	322
Sources of Rubber Stamps	329
Student Help	330
Handouts	332–346
7. Helpful Teaching Resources	347
The Internet as a Learning Resource	348
E-mail	349
Electronic Discussion Groups	350
Some Popular Online Education Discussion Groups	351
Online Resources for Beginning Teachers	351
Online Lesson Plan Archives	352
Online Collaborative Learning Resources	353
Online Collaborative Learning Projects	354
Educational Search Engines	355
Useful Online Databases	356
Tips on Getting Started on the Internet	357
Online Directories	358
Helpful Books on Using the Internet	359
Organizations Supporting Educational Use of the Internet	359
Glossary of Internet-Related Terms	360
Computer Software for Improving Teacher Productivity	361
