### A

- Abstract conceptualization, 402
- Academic cultures, 98
- Academy of Management, 22
- Accountabilities, for implementation, 198, 388–389. *See also* Commitment making
- ACP Visioning and Planning, Ltd., 234–235
- Action: CDE model applied to, 364; in crisis situations, 78–79; discussing barriers to, 307–308; workplace-informed, 113, 116–117, 121, 122; World Café and, 198. *See also* Commitment making; Follow-up; Implementation
- Action learning: Gemba Kaizen, 81, 113, 116–117, 118, 121–122; whole system, 113–114
- Action planning: attention to, 314–315; in CIHI's Open Space, 347; in FAA's Future Search, 185–187; in Israeli Open Space, 224–225; in Open Space, 18; planning for, 40
- Action research, in Mexican large groups, 273
- Action teams, at Emerson & Cuming, 113, 116–117, 121–122
- Active experimentation, 402
- Adams, J. D., 30, 140, 190, 197, 198
- Adams, M., 78–79
- Affinity diagrams, 88, 89
- AFL-CIO, 233
- African-American Chamber of Commerce, 233
- After-burner processes, 420–421
- Agree Meeting, 81, 114, 115–116, 121, 122–123
- Air traffic control, 176–189
- Air Traffic Organization (ATO), 179
- Airline industry, 78, 84–85, 95, 177
- Alban, B. T., 8, 9–10, 21, 23–24, 32, 64, 76, 230, 250, 258, 276, 379, 392, 404, 406
- Alderfer, C. P., 381, 392
- Alignment, technology for, 417–420
- Alinsky, S., 78
- American Airlines (AA), 179; active-engagement process at, 86–92; background on, 84–86; case study characteristics for, 34, 80–81; case study of, 34, 84–96; challenge of, 84; results for, 92, 95–96; success factors for, 92–95; whole-system involvement at, 80
- American Camping Association (ACA), 421
- American Federation of Teachers (AFT), 147
- American Forest Congress, 368–369
- American Planning Association, 242
- American University, NTL degree program, 22
- AmericaSpeaks: for Hamilton County regional planning, 234–245; origin of, 237; overview of, 28, 30–31, 237–239; preconditions for, 243–244; 21st Century Town Meeting process of, 237–239

- Anonymity, 414
- Appreciative Inquiry (AI) Summit Meeting: advantages of, 47; at BBC, 23, 29, 41–42, 45–61; CDE model applied to, 357, 358, 361; complexity and, 355; five-phase model of, 48, 50, 51, 53–54; 4-D Process of, 65, 68, 76; modifications of, 47–48, 50, 56–57; with online collaborative technology, 43, 64–77; overview of, 10, 25–29; in Parliament of World's Religions Assembly, 303; recruiting facilitators for, 215; for SpeakUp!, 211–213; strategies for sustaining, 53–55; at World Vision, 29, 43, 62–77
- Aronson, N., 79, 97, 107, 111
- Arpey, G., 93, 96
- Art of the Long View, The* (Schwartz), 127
- Asch, S., 137, 138
- Asian cultures: nonverbal communication in, 251; saving face in, 295; world of the East and, 254. *See also* Indonesia
- Assembly of World Religions. *See* Council for a Parliament of the World's Religions
- Audience-*versus*-engaged-participants scenario, 387
- Australia, Search Conference in, 6
- Authorities, in East African Open Space events, 282, 286–287
- Averbuch, T., 200, 204, 219
- Aviation and Airport Trust Fund, 180
- Axelrod, E. M., 13, 32, 56, 60, 316, 317–318, 332, 338, 342
- Axelrod, R. H., 8, 13, 32, 56, 60, 95, 96, 134, 138, 316, 317–318, 332, 333, 338, 342
- B**
- Bahasa Indonesia, 290, 295, 296
- Baker, J., 24
- Baldwin, C., 286, 287
- Bantu African culture, 283
- Barbeau, R., 79, 97, 107, 111
- Barrett, F. J., 47, 60–61
- Batch and queue manufacturing, 113, 118
- Beck, J. C., 393
- Beckhard, R., 95, 96
- Beedon, J., 42, 140, 162, 338, 342
- Beliefs, CDE model applied to, 365
- Bell, S., 177, 178, 179
- Ben-Yossef, S., 221, 228
- Berrisford, S., 46, 60
- Beyond the Stable State* (Schön), 24
- Big hairy audacious goals, of National Health Service, 168, 169, 171, 173–174
- Big tent presentations, 88
- Bing, D., 375, 376, 379
- Binzagr, G. F., 253
- Bion, W. R., 403, 406
- Birmingham, England, 163. *See also* National Health Service
- Blakey, M., 179, 180, 186–187
