

Preface	vii		
Acknowledgments	xi		
Introduction	xiii		
1 Context: Glass and Structure	1	7 LA Live Tower	119
Interwoven Strands	1	Podium Facades	
The Evolution of SGFs	10	Los Angeles, California	
Implementing Innovative Building Technology	18	Introduction	121
Organization of System Types	19	Facade Program	121
		Strategies for Sustainability	128
		Summary	129
 		8 Suvarnabhumi Bangkok	
2 Glass and Glazing Systems	23	International Airport (SBIA)	131
Glass as an Architectural Material	23	Main Terminal Building (MTB) Facade	
Glazing Systems	32	Bangkok, Thailand	
		Introduction	133
 		Facade Program	133
3 Linear Structural Systems	45	Strategies for Sustainability	141
Mullion Systems	45	Summary	143
Truss Systems	47		
4 Space Structures and Gridshells	65	9 Eli and Edythe Broad Stage	145
Space Grid Structures	65	Santa Monica, California	
Gridshells	72	Introduction	147
Cable-strut Systems	77	Facade Program	148
		Strategies for Sustainability	151
		Summary	152
5 Cable Structures	83	10 300 New Jersey Avenue	153
Cable Mullion Systems	85	(51 Louisiana Avenue)	
Flat Cable Nets	86	Atrium Enclosure	
Double-curved Cable Nets	87	Washington, D.C.	
Design Considerations	89	Introduction	155
Structural Behavior	92	Facade Program	156
Constructability	94	Strategies for Sustainability	164
Economy	100	Summary	165
6 Glass as a Structural Material	101		
Heat-treating	102		
Chemical Tempering	105		
Laminating	105		
Glass Fin Systems	108		
Connections	109		

- 11 Vivian and Seymour Milstein Family Heart Center 167**
New York Presbyterian Hospital
New York City
Introduction 170
Facade Program 171
Strategies for Sustainability 179
Summary 181
- 12 Strasbourg Railway Station Multimodal Hub 183**
Strasbourg, France
Introduction 186
Facade Program 187
Strategies for Sustainability 192
Summary 192
- 13 Eli and Edythe Broad CIRM Center for Regenerative Medicine and Stem Cell Research 195**
Los Angeles, California
Introduction 197
Facade Program 197
Strategies for Sustainability 204
Summary 205
- 14 Richard J. Klarcheck Information Commons, Loyola University ²⁰⁷**
Chicago, Illinois
Introduction 209
Facade Program 209
Strategies for Sustainability 217
Summary 221
- 15 Newseum 223**
Cable Mullion Facade
Washington, D.C.
Introduction 225
Facade Program 225
Summary 230
- 16 Alice Tully Hall at Lincoln Center 231**
New York City
Introduction 233
Facade Program 235
Summary 241
- 17 TKTS Booth and Revitalization of Father Duffy Square 243**
The Glass Grandstand
New York City
Introduction 247
Glass Structure 247
Project Delivery 257
Installation Strategy 258
Strategies for Sustainability 258
Summary 260
- Endnotes 263**
- Figure Credits 269**
- Index 273**
