Chapter 5: Factors that Drive Property Yields and Returns	57
Improvers of property prospects	58
Events that limit property prospects	60
Websites providing an ongoing appreciation of the factors that profoundly influence property prices	62

Part 2: Pick a Country, Any Country	67
Chapter 6: Evaluating Economies	69
Eliminating unacceptable risk	70
The death penalty and other serious sentences	75
Country overviews	77
Property blogs	82
Online newspaper articles	84
Economic performance and political stability	85
Cost and standard of living	93
Inward investment and business climate	97
Corruption, crime and safety	103
Chapter 7: Checking the Local Environment	109
State healthcare	110
Private healthcare: short term	115
Private healthcare: long term	117
Nursing homes and care of the elderly	118
Online healthcare	122
Education provision	123
Pre-university education	124
Higher education	126
Chapter 8: Getting To and Fro	129
Airport access	130
Keeping tabs on flying options	131
Train travel	136
Information sources for train travel	136
Coach and bus routes	138
Overland voyage information sources	138
Boats and ferries	139
Sources of advice and information on sea travel	140

Chapter 9: Money Matters	143
Currency and exchanging money	144
Help with currency matters	146
Getting a mortgage for an overseas property	149
Re-mortgage at home	150
Using a UK or an international bank	152
Trying the locals	153
Guide to country-specific sources of finance	154
Managed currency mortgages	155
Managed currency specialists	155
Banking for overseas transactions	156
Anti-money laundering regulations	156
Using a local bank	157
Things to look out for in choosing a local bank	158
Help with finding a safe overseas bank	158
Offshore banking and tax havens	160
Finding an offshore bank	162
Banking online	162
Finding an online banker	164
Understanding the tax regime	165
Rules on residency	166
Doubling tax troubles	167
General taxes (and inducements to invest)	168
Information sources on local taxation matters	171
Wealth tax	174
Organisations helping with managing wealth tax issues	175
Inheritance tax, death duties and related issues	176
Organisations helping to minimise post-death taxes	177
Deciding how to structure the ownership of your overseas property – tax and other considerations	178
Organisations helping with deciding ownership vehicles	181
Getting financial and tax advice	182
Financial adviser associations and bodies	183

Chapter 10: Researching the Legal Environment	185
Visa and residence rules	186
Sources of help and advice with visas and residency	187
Working and setting up in business	190
Help and advice with working and setting up in business abroad	192
Property title and foreign ownership rights	202
Organisations and publications who provide information on foreign ownership rights	203
Buying procedures, costs and restrictions	206
Organisations offering information and advice on buying procedures and costs	207
Chapter 11: Tourism Potential	211
Old tourism versus affluent tourism	212
Planning future tourist appeal	213
Sources of information on tourism potential	213
Medical tourism	218
The case for medical tourism	219
The risks	222
Medical market segments	222
Chapter 12: Property Performance and Appraisal:	
Narrowing Down your Choice of Country	229
Price appraisers	230
Sources of data on global property prices and yields	230
Property exhibitions	235
Property exhibitions in the United Kingdom	235
Directory of major UK overseas property shows	236
Finding a property exhibition abroad	238
Sources of information on overseas property exhibitions	238
Warning on property seminars	239
Narrowing down your choice	239

Part 3: Buying into a Country	243
Chapter 13: Using an Estate Agent–Broker–Realtor	245
Avoid introducers	247
Looking for qualifications	248
UK property professional associations	250
International property professional associations and major brokerages	251
International real estate companies	256
Checking out brokers' (and developers') performance	257
Sources of information concerning developers and broker performance	257
Working with a house hunter	259
Useful websites for locating house hunters	260
Chapter 14: Finding a Property Yourself	261
Reading papers and magazines	261
Listing of UK newspapers and magazines with international properties	262
Trawling the Internet	265
Directory of major Internet international property websites	266
Tackling the tourist office	269
Attending auctions	270
Sources of information on international property auctions	271
Chapter 15: Finding a Lawyer	273
Paying deposits	274
Power of attorney	275
Price declaration – the ever present problem	275
Proving title	276
Sources of further information on property title issues	278
The role of the notary	278
Finding a lawyer	279
International lawyer network organisations and other referral sources	279

Chapter 16: Undertaking Surveys	283
Types of survey	284
Full structural survey	284
Buyer survey	285
Valuation survey	285
Doing your own pre-survey	286
Organisations to help in finding surveyors and carrying out survey estimates	288
Chapter 17: Renting Before You Buy and Other Non-Ownership Options	293
Reasons for trying before you buy	294
Living in a hotel	295
Bargain hotel breaks	295
Websites for making efficient hotel (and travel) reservations	296
Cutting a long-term hotel deal	299
Organisations arranging long-term hotel stays	299
Hostelling	300
Help with finding a hostel	301
Renting an apartment or house	302
Help with finding apartments and houses to rent	303
House sitting	305
Organisations arranging house sitting	306
Swapping homes	307
Organisations arranging house swapping	308
Legal and paperwork issues involved in using other people's properties	309
Checking the agreement	310
Taking the inventory	311
Organisations helping with inventory matters	311
Chapter 18: Climate Matters	313
Climate and its effect on rental income and capital value	314
Finding the facts about the sun, snow and general weather conditions	315

Sources of information on general weather conditions	315
Researching beaches and surf	317
Websites for tracking beach and surf conditions	317
Evaluating ski resources	320
Organisations and publications informing on ski-ing matters	320
Part 4: Settling In	323
Chapter 19: Language Matters	325
Engaging a translator	325
Translating conversations	326
Deciphering documents	326
Assessing the costs of translations	327
Organisations for help and advice with translations	328
Learning the language	330
Language teaching organisations and associations	331
Organisations and websites to help with learning languages	332
Using the immersion technique	334
Chapter 20: Getting Around the Country	337
Driving yourself	338
Local driving regulations and road conditions – helpful organisations	339
Buses and taxis	340
Bus and taxi travel options – helpful organisations	342
Urban mass transport (subway, underground, urban rail and tram networks)	344
Urban mass transport systems – helpful organisations	344
Boats and helicopter travel	347
Sea and helicopter travel – helpful organisations	347
Internal airlines	350
Internal air travel – helpful organisations	351

Chapter 21: Moving your Effects	355
Local furnishing options	356
Transporting furniture	357
Finding a remover	359
Organisations and websites to help with finding a remover	359
Putting furniture into storage	362
Organisations to help with putting furniture into storage	362
Hiring furniture	364
Organisations and websites to help with hiring furniture	365
Taking pets abroad	367
Getting pets home again	369
Organisations and websites to help with and advice on moving pets around the world	370
