- anesthetics, definition of, 323
- angina, 193
- angiotensin-converting enzyme
 (ACE) inhibitor, definition
 of, 323
- anions, definition of, 180
- Antabuse (disulfiram), use
 of, 123
- anticholinergics, definition
 of, 323
- antiemetic, definition of, 323
- antioxidant, definition of, 323
- antisocial personality disorder,
 symptoms of, 208, 241
- aortic aneurysm (abdominal),
 symptoms of, 36
- aphasia, definition of, 230, 257,
 323
- application questions,
 examples of, 35–36
- apraxia, definition of, 323
- APTT (activated partial
 thromboplastin time), 160

- Arizona, licensing and testing information for, 284
- Arkansas, licensing and testing information for, 284–285
- arterial blood gas (ABG)
practice questions/answers, 65, 183, 215, 247
values of, 183, 215, 216, 246, 247
- arterial insufficiency, treating, 222, 251
- arterioles, definition of, 324
- arthralgia, definition of, 324
- arthroplasty, definition of, 324
- artificial airway, practice questions/answers, 173
- asepsis
definition of, 93
practice questions/answers, 94–95
- aspirin, use of, 240
- assault and battery, as an intentional tort, 82
- assessment
common phrases in questions on, 267–268
of patient's physical condition, 105–106
practice questions/answers, 49–51, 143
skills, 222, 252
as a step of the nursing process, 49–51
techniques of, 105
- assistive devices
definition of, 137
practice questions/answers, 138
types of, 138
- atherosclerosis, definition of, 324
- atrioventricular block, definition of, 324
- atrophy, definition of, 324
- ATT (Authorization to Test)
overview, 20
receiving the, 22–24, 265–266, 313
- atypical, definition of, 324
- auditory learner, definition of, 107
- auscultation, as a technique of assessment, 105
- Authorization to Test (ATT)
overview, 20
receiving the, 22–24, 265–266, 313
- autoimmune process, definition of, 324
- autologous transplant, definition of, 324
- avulsion, definition of, 324
