## INDEX

---

### A

- Aaron, H., 586
- Abbreviated new drug application (ANDA), 169
- Abel, E. K., 341
- Abortion, 660–661
- Accountability: advocates for increased MCOs, 611; child health system and public, 424–425
- Acculturation, 42
- Acute myocardial infarction (AMI), 64–65
- Adams, J. L., 245
- ADAP (AIDS Drug Assistance Program), 387
- Aday, L. A., 15
- Adherence to care: HIV/AIDS treatment and, 376; homeless and, 514–515
- Adolescents: HIV/AIDS population among, 388–389; homeless, 508–509, 513–514; LGBTU, 508. *See also* Children
- ADR (alternative dispute resolution), 624–625
- Advertising: direct-to-consumer (DTC) pharmaceutical, 160, 177; as pharmaceutical expenditure factor, 177
- Advisory Commission on Consumer Protection and Quality in the Health Care Industry, 213
- Aetna Life Insurance, 573
- Aetna v. Davila*, 610, 611
- AFDC (Aid to Families with Dependent Children), 91, 92, 483
- African Americans: children's access to health care, 419; factors related to health care disparities among, 60–63; health disparity epidemiology and, 39–42; health insurance coverage of female, 481*t*; leading causes of death, 36*t*–37; life expectancy of, 35*fig*; long-term care use by, 352; mental disorders among, 457; scientific evidence of health care disparities of, 64–72; Tuskegee Syphilis Study of, 59; years of potential life lost (YPLL), 37–38*fig*. *See also* Minorities; Race/ethnicity differences
- Age/health insurance differences, 17*t*
- Agency for Health Care Policy and Research (AHCPR), 23, 204
- Agency for Healthcare Research and Quality (AHRQ), 23, 72, 144, 204, 222, 227, 230, 233, 251, 285, 319, 386
- Aid to Families with Dependent Children (AFDC), 91, 92, 483
- AIDS Project Los Angeles, 381
- AIDS. *See* HIV/AIDS
- AIDS service organizations (ASOs), 381, 462
- Alameda County Human Population Laboratory Studies, 194–195
- Alaskan Natives: leading causes of death, 36*t*–37; morbidity among, 39
- Alcohol use, 44
- Alegria, M., 457
- All Kids Count initiative (RWJ), 425
- AMA's Council on Ethical and Judicial Affairs, 659

- Ambulatory care of homeless, 515–516
- American Academy of Family Physicians Center for Health Information Technology, 283
- American Academy of Pediatrics, 423
- American Accreditation Healthcare Commission, 220
- American Board of Medical Specialties (ABMS), 219–220
- American Dental Association, 122
- American Diabetes Association, 255
- American Heart Association, 256
- American Hospital Association, 316, 321–322
- American Indians. *See* Native Americans
- American Managed Behavioral Healthcare Association, 465
- American Medical Association (AMA), 185, 570, 572, 613, 659
- American Nurses Credentialing Center (ANA), 320
- American Nursing Association (ANA): American Nurses Credentialing Center of, 320; ANA Nursing Indicators by, 320; Nursing Safety and Quality Initiative of, 318–319
- American Psychiatric Association, 441
- American Public Health Association, 607
- American Stroke Association, 256
- Americans with Disabilities Act (ADA), 344
- “America’s Best Health Plans” (2005), 251
- America’s Health Insurance Plans, 104
- ANA. *See* American Nursing Association (ANA)
- ANDA (abbreviated new drug application), 169
- Andersen, R. M., 3, 206
- Annals of American Academy of Political and Social Science* (Rice), 493
- Annas, G. J., 649
- Anthem Blue Cross, 103
- Antiretrovirals (ARVs), 367, 372
- APEX (Assessment Protocol for Excellence in Public Health), 603
- Appropriate interventions, 225–226
- Arangua, L., 491
- Armed Forces Medical System, 599
- Asian Americans: health disparity epidemiology and, 39–42; leading causes of death, 36*t*–37; life expectancy of, 35*fig*; mental disorders among, 457; as “model minority,” 41–42; morbidity among, 38*fig*–39; years of potential life lost (YPLL), 37–38*fig*. *See also* Minorities; Race/ethnicity differences
- Asmussen, S., 495
- “Assessment of Childhood Asthma Management and Care in Region III’s Indigent and Minority Populations” report, 62–63
- Assisted living facilities (ALF), 345
- Association for Clinicians for the Underserved, 62
- Assurance concept, 603–605
- Asthmatic children: health care disparities among, 70–71; morbidity and mortality rates of, 62–63
- Atherly, A., 560
- AZT/ZDV, 367
- ## B
- Baby boom generation, 576–577
- Bakke* case (1978), 647
- Balanced Budget Act (1997), 145, 342–343, 575
- Ball, R. M., 572
- Bamezai, A., 559, 561
- Barnett, G. O., 276
- Bastani, R., 22, 33
- Bazelon, D., 656
- Bedside activities, 312
- Behavioral Risk Factor Surveillance System, 41
- Behaviors. *See* Health behaviors
- Beneficence concept, 643, 647
- Bergner, M., 189
- Berkowitz, G., 415
- Berndt, E. R., 164
- Best Clinical and Administrative Practices (RWJ), 427
- Bioinformatics, 294–296
- Biomedical informatics, 274*fig*
- Bird, R., 616, 620
- Bismark, O. von, 570
- Black, J. T., 569
- Blasi, G., 533
- Blue Cross program: Blue Cross of California PPO, 561; Blue Cross of Indiana PPO, 560–561; development of, 86, 571; Medicare based on model of, 573; state government partnerships with, 103
- Blue Shield program, 103, 571
- Blumenthal, D., 185
- Body mass index (BMI): definition of, 43; fast food leading to higher, 46
- Brailer, D., 283
- Breast and Cervical Cancer Mortality Prevention Act (1990), 486
- Breast conserving surgery (BCS), 67
- Breslow, L., 194, 591
- Breyer, S., 611
- Bridges to Excellence program, 291
- Bright Futures Project (MCHB), 405, 423
- Brown, E. R., 81
- Brown, M. L., 67
- Bunker, J. P., 593
- Bureau of the Census, 122
- Bureau of Labor Statistics (BLS), 122, 163, 164, 165
- Bush, G. W., 90, 95, 104, 466
- ## C
- CAHMI (Child and Adolescent Health Measurement Initiative), 424
- CAHMI Promoting Health Development Survey (PHDS), 424
- CAHPS (Consumer Assessment of Health Plans Survey), 238, 251, 424
- California: Children and Family First Act of, 422; Consumer Assessment Survey, 255; Coronary Artery Bypass Graft (CABG) Surgery Mortality Reporting Program, 252; damage caps in,

- 620; development of competitive markets in, 556–557; mandated nurse-to-patient ratios in, 655; Medical Injury Compensation Reform Act (MICRA), 616; Medical Insurance Feasibility Study of, 626–627, 634; Proposition 209 of, 647; SB 2 law of, 100–101
- California Endowment, 14
- California HealthCare Foundation, 284
- California Hospital Association, 626, 634
- California Medical Association, 626, 634
- California Nursing Outcomes Coalition (CalNOC), 322
- California Office of Statewide Health Planning and Development (OSHPD), 563
- California Public Employees Retirement System (CalPERS), 563
- Canadian health system: hospital spending in, 146; physician fee controls in, 141–142; regionalizing technologies strategy of, 143; universal coverage of, 101–102
- Cancer/health care disparities, 66–67
- Capitation options: HMOs (health management organizations), 149–150; managed competition, 150; patient cost sharing, 148–149
- Caps on damages, 619–620
- Cardiovascular disease, 64–66
- CARE (Ryan White Comprehensive AIDS Resource Emergency Act), 386–387
- Caregivers: gender differences in, 348; of HIV/AIDS patients, 382; support systems for, 348–349
- Carescience, 284
- Carnegie Commission on Early Childhood, 409
- Carter, T. 164
- “Carve-outs,” 462
- Caton, C. L. 528
- CD4 cell count, 364, 367, 373
- CDC (Centers for Disease Control): AIDS as defined by, 365; on confidential reporting of HIV, 660; PEP recommended by, 379; public health functions as defined by, 607; Public Health Information Network (PHIN) vision of, 287–288
- Center for Nursing Classification (University of Iowa Nursing School), 312
- Certificate-of-need (CON) programs, 142–143
- Chadwick, E., 527
- Chan, H. C., 562
- Chao, L.-W., 167
- Child abuse history, 507–508
- Child and Adolescent Health Measurement Initiative (CAHMI), 424
- Child and Adolescent Service System Program, 413
- Child health system: health development organization (HDO) of, 428; health insurance coverage of, 414–420, 421; health service delivery of, 409–414; integration of, 421–423; managed care, 425–427; measuring quality of care, 423–424; public accountability and monitoring of, 424–425; public programs of, 415; social HMOs concept of, 427–428
- Child Welfare League of America, 423
- Children: asthmatic, 62–63, 70–71; dependency of, 409; developmental vulnerability of, 407–408; financing health care of, 414–420; health service delivery for U.S., 409–414; HIV/AIDS population among, 388; homeless, 508–509, 513–514, 530; mental health disorders in, 456–457; new and differential morbidities and, 408–409. *See also* Adolescents; Families
- Children’s Health, the Nation’s Wealth* report (IOM), 406–407
- Chronic disease-related disparities: behavioral risk factors of, 43–44; framework for, 42–43*fig*, 49–50; physical environmental influences and, 46–47; social environmental influences and, 48–49; socioeconomic status and, 45–46
