Quality School Portfolio (CRESST), 81

R

Raffini, J., 46

Rafoth, M. A., 18, 25

Reading: importance of, 120–121; research findings about, 122–123; skimming and, 122; tips on encouraging, 121–122, 124. *See also* Writing

Reading comprehension, 120–121

Recall ability: benefits of improving, 12–13; cause-and-effect diagram to improve, 16–17e; helping your child to improve factual, 15–20; improving memory to develop, 17–20; learning expectations emphasize factual, 13–15; practicing to improve, 19–20; write it, draw it, or simplify it approach to, 16–17

Renzulli, J., 36

Report cards: effective measuring of student performance using, 180–181; La Cañada Unified School District, 178e–179e; newer formats used for, 177, 180. *See also* Testing/tests

Resnick, L., 3

Retention, positive versus negative impacts of, 63

Reynolds, M., 9, 23, 88, 98, 106, 144, 147–148, 151, 153, 164, 180–181, 190, 193–194

Reynolds, T., 190

Ride, S., 138

RIES (Read, Information, Equation, and Solution), 132–133

Risks (calculated), 61–62

Rogosa, D., 168

Romer, R., 78

Rose, M., 165

Rothstein, R., 82

Rubin, D., 109

Rudner, L., 84

Rules (as recall aid), 18

S

Safaii, S., 79

Safe Schools program: character education as part of, 70; Cool Tools for decision making as part of, 187–188; time-out symbol used in, 196

Safety issues, 74–75

St. James, E., 51

Sammons, P., 72

San Marino High School (California), 72

San Marino High School Report Card, 72

Sanders, J. R., 168

Sanders, W. L., 67

SAT (Stanford Achievement Test), 149, 153–154, 168, 169

Sato, E., 14

Scheerens, J., 72

Schmidt, W. H., 47

School attendance, 106–107

School board meetings, 94

School Breakfast Program, 79

School cafeteria quality, 79

School leadership: decentralization of budget and, 70–71; high expectations and vision of, 70; principal-teacher struggle over, 69; school quality and role of, 69–71

School learning habits: early establishment of good, 102–103; encouraging your child to take rigorous classes, 104–106; getting over a motivation slump, 114, 116; helping child develop listening skills, 24–25, 109–111; helping child learn effective study skills, 111–114; setting high expectations, 104; stressing importance of school attendance, 106–107; student responsibility for their own learning, 100, 101–102; teaching your child to ask for help, 107–109. *See also* Student learning

School programs: before- and after-school, 80; begun during 1980s and 1990s, 71; character education, 61, 75; enhancing child's use of technology, 163; to improve decision making, 187–188; parent evaluation of, 71–73; preschool, 102–103; to reduce bullying, 187; Safe Schools, 70, 187–188, 196; SWRL (Southwest Educational Regional Laboratory), 123

School quality: before- and after-school programs and, 80; cafeteria as sign of, 79; character education programs enhancing, 61, 75; community role in, 77–78; facilities as factor in, 78–79; features used to evaluate, 66; improving your current school's, 84–86; of

- magnet, charter, private, and home schooling, 81–84; parent involvement as factor in, 76–77; program evaluation and role of, 71–73; school leadership role in, 69–71; using student data to diagnose, 81; teacher qualifications accounting for differences in, 90; teacher role in, 67–68; use of technology and, 73–74
- Schools: AYP (adequate yearly process) of, 2, 169; challenges of finding a good, 65–66, 86–88; facilities of, 78–79; guidelines for evaluating teacher quality of, 67–68; improving quality of current, 84–86; magnet, charter, private, and home, 81–84; media focus on failures of, 2–3; NCLB yearly progress requirements of, 2; newsletter or Website communication from, 93–94; positive attitude toward, 58–59, 60–63, 116
- Schools programs, School Breakfast Program, 79
- Schoolwork. *See* Homework assignments
