Preface, ix

Acknowledgments, xi

Part 1: Analgesia for normal labor, 1

- 1 Consent for obstetric analgesia and anesthesia, 3
M. Joanne Douglas
- 2 Epidural analgesia and the progress of labor, 10
Barbara L. Leighton & Stephen H. Halpern
- 3 Maintenance of epidural analgesia for labor – continuous infusion or patient controlled, 23
Stephen H. Halpern
- 4 The use of transcutaneous electrical nerve stimulation for labor pain, 30
Carolyn F. Weiniger
- 5 Is nitrous oxide an effective analgesic for labor? A qualitative systematic review, 38
Jean E. Kronberg & Dorothy E.A. Thompson
- 6 Choice of local anesthetic for labor and delivery – bupivacaine, ropivacaine and levobupivacaine, 56
Stephen H. Halpern
- 7 Intrathecal opioids in labor – do they increase the risk of fetal bradycardia?, 68
Chahé Mardirosoff & Martin R. Tramèr
- 8 Epidural catheter design and the incidence of complications, 77
Margaret Srebrnjak & Stephen H. Halpern

Part 2: Anesthesia for cesarean section, 87

- 9 The effect of increasing central blood volume to decrease the incidence of hypotension following spinal anesthesia for cesarean section, 89
Pamela J. Morgan
- 10 The use of vasopressors for the prevention and treatment of hypotension secondary to regional anesthesia for cesarean section, 101
Stephen H. Halpern & Michelle Chochinov
- 11 Is regional anesthesia safer than general anesthesia for cesarean section?, 108
Yehuda Ginosar, Ian F. Russell & Stephen H. Halpern
- 12 Prevention and treatment of side-effects of neuraxial opioids, 132
Niall L. Purdie & Martin van der Vyver
- 13 Multimodal analgesia following cesarean section: Use of non-steroidal anti-inflammatory drugs combined with neuraxial opioids, 152
Pamela Angle & Kamal Hussain

Part 3: Complications of obstetric anesthesia, 163

- 14 The use of neuraxial anesthesia in parturients with thrombocytopenia: What is an adequate platelet count?, 165
M. Joanne Douglas
- 15 A rational approach to aspiration prophylaxis, 178
Geraldine O’Sullivan, Darren Hart & Andrew Shennan

- 16 Postdural puncture headache, 192
Peter T-L. Choi & Stefan Lucas
- 17 Epidural analgesia and back pain, 208
Terrance W. Breen
- 18 Analgesia for external cephalic version, 217
William Wight
- 19 Is there a difference between the obstetric and non-obstetric airway?, 225
Eric Goldszmidt
- Appendix: Jadad scale for reporting randomized controlled trials, 237
- Index, 239
