Foreword to the Fifth Edition	xi
Foreword to the Fourth Edition	xiii
Foreword to the Third Edition	xvii
Foreword to the Second Edition	xix
Foreword to the First Edition	xxiii
1 Introduction to Central Service	2
Educational Objectives	2
Organizational Structure	3
Objectives and Functions	4
Major Areas in Central Service	5
Ethics	9
Safety	10
Personal Cleanliness	14
Continuous Quality Improvement	14
Rules and Regulations	15
Communication	19
Summary	21
2 Human Anatomy and Physiology	22
Educational Objectives	22
Cell Biology	23
The Skeletal System	25
The Muscular System	27

The Nervous System 28
The Circulatory System 30
The Respiratory System 34
The Digestive System 35
The Urinary System 39
The Reproductive System 41
The Endocrine System 42
The Sensory System 44
Summary 47

3 Microbiology and Infection Control 48

Educational Objectives 48
Basic Microbiology 49
Disease Transmission 55
Disease Prevention 58
Nosocomial Infections and Cross-Contamination 59
Disinfection Principles 62
Sterilization Principles 63
Isolation 65
Summary 65

4 Decontamination 66

Educational Objectives 66
Collection and Transport of Used Supplies and Equipment 67
Decontamination Area 69
Standard Precautions 70
Detergents and Cleaning Agents 76
Disinfectants 77
Cleaning and Processing Equipment 82
Cleaning, Disinfection, and Preparation Procedures 91
Summary 101

5 Instrumentation	102
Educational Objectives	102
Handheld Surgical Instruments	104
Powered Instruments	111
Endoscopic Instruments	112
Summary	115
6 Preparation and Packaging for Sterilization	116
Educational Objectives	116
Preparation of Instruments	117
Pack Construction	121
Basin Set Preparation	123
Miscellaneous Preparation	125
Principles of Packaging	125
Types of Packaging Materials	128
Wrapping Techniques	129
Pouches	134
Containerized Packaging	135
Labeling Packages	140
Shelf Life	140
Summary	141
7 Sterilization	142
Educational Objectives	142
Factors Affecting Sterilization	143
Monitoring the Sterilization Process	144
Steam Sterilization	152
EtO Sterilization	163
Dry-Heat Sterilization	169
Liquid Chemical Sterilization	171
Gas Plasma Sterilization	174
Ozone Sterilization	175
Summary	177

8 Sterile Storage 178

- Educational Objectives 178
- Maintaining Product Sterility 179
- Stock Arrangement, Rotation, and Shelf Life 185
- Summary 187

9 Distribution 188

- Educational Objectives 188
- Types of Distribution Systems 189
- Delivery Methods and Equipment 194
- Distribution Work Practices 195
- Summary 197

10 Inventory Control 198

- Educational Objectives 198
- Measuring Inventory Performance 199
- Managing Inventory 200
- Summary 205

Appendix A: Central Service Terminology 207

**Appendix B: Medical Terminology for Central Service
Department Employees 249**

Appendix C: Symbols Used by Device Manufacturers 263
