A

- Absent students, 182–183
- Abstract understanding, 299, 303
- Academic assessments, 94–96
- Academic goals, 153, 154
- Academic management: beginning-of-year considerations for, 150–159; to maximize achievement, 159–166
- Accommodations/modifications: for college students, 350; digital programs for, 83, 85; in IEP development, 118; list of, 82*f*; for secondary curricula, 339–340; for sensory issues, 85; for testing, 165–166, 179
- Achievement: of children taking ADHD medications, 26; classroom management and, 134–135; in discrepancy model of eligibility, 113–114; in exclusionary criteria, 114–115; factors affecting, 10–11; implications of assessment scoring on, 115–117; instructional strategies to maximize, 159–167; quality early childhood programs and, 44; of secondary students, 348, 349*f*
- Ackerman, P. T., 26
- ACLD (Association of Children with Learning Disabilities), 3, 7
- Active learners, 157, 185, 340
- Adams, M. J., 202
- Adaptive behaviors, 103–104
- Adaptive PE Teachers, 87–88
- Addition skills: beginning concepts in, 306–307; for fractions, 329; intermediate concepts in, 314–317
- Adesman, A., 25, 26
- ADHD. *See* Attention Deficit Hyperactivity Disorder
- Adolescents. *See* Secondary students
- Adult interventions, 348–351
- Advocates: parents as, 53, 356–357; students as, 343–346
- After-school programs, 354, 358
- Agam, G., 45
- Age equivalency scores, 111–112
- Ages & Stages Questionnaires (ASQ)*, 65
- Aggressive students, 46, 186, 196
- Aides, 144
- Akshoomoff, N., 24
- Alcott, L. M., 359
- Allen, A. J., 26
- Allen, G., 24
- Alphabet cards, 249–255*f*
- Alphabetizing, 267, 282
- American Academy of Pediatrics, 21
- Ames, L. B., 43
- Andersen, H. C., 352
- Angry students, 140, 143, 180–181
- Annals of Dyslexia*, 15
- Anticipatory sets, 154
- Anxiety disorders, 22, 299
- Art lessons, 184
- Artru, A. A., 24
- Ashtari, M., 25, 26
- Assaults, 54
- Assessments: classroom accommodations for, 165–166, 179; to determine reading interventions, 207–210; implications of, 115–117; overview of, 86–87; to qualify infants and toddlers for intervention, 62, 64–65; to qualify preschoolers for intervention, 64–65; of speech, 256; Student Study Team referrals for, 76, 105*f*. *See also* Formal assessments
- Assignment calendar, 175
- Assistive technology, 361
- Association of Children with Learning Disabilities (ACLD), 3, 7
- Attention Deficit Hyperactivity Disorder (ADHD): classroom management and, 147; drug therapies for, 25–26, 194–196; interventions for, 194–198; overview of, 24–25; symptoms of, 9, 25
- Attention span, 21–22, 180
- Attention-seeking students, 141*f*, 142
- Attentive tracking, 211
- Auditory perception deficits: assessments of, 93–94; interventions for, 172–174; symptoms of, 93
