<b><i>Introduction</i></b> .....	<b>1</b>
About This Book.....	2
Foolish Assumptions .....	3
How This Book Is Organized.....	4
Part I: Before You Pick Up a Weight .....	4
Part II: Weighing In with Weight Training Wisdom .....	4
Part III: Tackling the Exercises.....	4
Part IV: Setting Up Your Workout Programs .....	5
Part V: The Part of Tens.....	5
Icons Used in This Book.....	5
Where to Go from Here.....	6

## ***Part I: Before You Pick Up a Weight***..... **7**

### **Chapter 1: Weight Training for Life . . . . . 9**

Weight Training for All Bodies.....	9
Fitness Testing and Goal Setting for Success .....	10
Safety First to Enjoy Training .....	11
Choosing Your Training Equipment.....	11
Selecting the Right Exercises, Routines, and Training Settings for You.....	13
Living a Healthy Lifestyle .....	13
Pumping up your heart and lungs.....	14
Improving your flexibility .....	14
Balancing options and training your brain .....	14

### **Chapter 2: Workout Lingo and Proven Training Concepts . . . . . 15**

Defining Key Weight Training Jargon.....	16
Understanding Rep(etition)s.....	18
Getting Acquainted with Sets .....	19
Previewing Weight Routine Essentials.....	20
Working all of your major muscle groups .....	20
Doing exercises in the right order.....	20
Appreciating the Value of Rest and Recovery .....	22
Resting a trained muscle at least one day.....	22
Avoiding overtraining .....	22
Getting enough sleep .....	23
Detraining: When you're too busy to work out .....	24

Putting Your Mind into Your Muscle.....24  
    Understanding the body-mind connection .....24  
    Psyching up and visualizing yourself strong .....25  
Organizing Your Long-Term Training: Seeing the Big Picture.....25

**Chapter 3: Testing Your Strength, Setting Goals,  
and Tracking Progress .....29**

Testing Your Strength and Endurance.....30  
    Comparing your upper-body strength.....32  
    Comparing your abdominal strength.....33  
Goal-Setting for Success .....34  
    Identifying why your goals are important .....34  
    Using S.M.A.R.T. goals .....34  
    Getting the support that you need.....35  
Tracking Your Progress .....36  
    Recording information in your log .....36  
    Analyzing your workout log .....37  
Being All That You Can Be.....39  
    U.S. Marines .....39  
    The United States Air Force .....40  
    The Seattle Fire Department .....41

**Chapter 4: Examining Tools of the Weight-Training Trade ..... 43**

Getting Comfortable with Free Weights .....44  
    Knowing the value of free weights .....44  
    Making the choice, knowing the difference:  
        Dumbbells versus barbells .....45  
Using a Weight Bench .....48  
Don't Be Afraid of Weight Machines! .....50  
    Making weight machines work for you.....50  
    Examining specific weight machines .....51  
    Cable machines: A different breed .....53  
Buckling Down on Bands and Tubing.....54

**Chapter 5: How to Avoid Dropping a Weight  
on Your Toe (and Other Safety Tips) ..... 57**

Remembering the Safety Laws of Weight Lifting .....57  
    Warming up before you lift.....58  
    Starting with lighter weights .....58  
    Breathing properly .....59  
    Using proper form .....60  
    Cooling down .....61  
    Resting your muscles .....61  
Heeding Some Advice: Weight Lifting Safety Tips.....62  
    Free weight safety tips .....62  
    Weight machine safety tips .....64

The Art of Spotting.....65  
 Briefing your spotter.....66  
 Being the spotter .....66  
 Common Weight Training Injuries .....68  
 Overcoming Injuries .....70

***Part II: Weighing In with Weight Training Wisdom .....73***

**Chapter 6: Exercising at Home: Setting Up Your Own Gym .....75**

Lifting Weights at Home .....75  
 Designing a Home Gym.....76  
 Choosing Free Weights .....77  
 Buying dumbbells.....79  
 Buying barbells .....81  
 Buying a bench .....81  
 Investing in Weight Machines .....82  
 Buying Bands or Tubing.....83

**Chapter 7: Exercising Away from Home:  
 Clubs, Trainers, and Classes .....85**

Deciding to Join the Club .....85  
 Choosing a Health Club .....86  
 Researching Trainers .....89  
 Finding fitness help: What a trainer can do for you.....89  
 Finding a qualified trainer .....90  
 Being on your best behavior .....92  
 Working in a Group: An Introduction to Weight Training Classes .....93  
 Conditioning your muscles .....94  
 Expecting quality from your instructor .....94  
 Mastering Gym Training Etiquette .....96  
 Sharing equipment .....97  
 Unloading your weight bar.....97  
 Putting weights back where you found them .....97  
 Keeping your sweat to yourself .....98  
 Helping the flow of traffic .....98  
 Hogging the drinking fountain .....98  
 Toting around your gym bag.....99  
 Treating the locker room like your own bathroom.....99

**Chapter 8: Stretching: The Truth .....101**

Knowing Why and When to Stretch .....101  
 Lengthening your muscles .....102  
 Alleviating muscular tension .....102  
 Preventing injuries .....102  
 The truth about stretching.....103

Celebrating Traditions: Traditional Stretching .....	104
Stretching with Assistance.....	109
Proprioceptive Neuromuscular Facilitation (PNF) .....	111
Active Isolated (AI) Stretching .....	112

## **Chapter 9: Avoiding Common Weight Lifting Mistakes ..... 115**

Cheating Your Abs.....	115
Crunching incorrectly.....	116
Crunching properly.....	116
Squatting Too Far .....	117
Squatting incorrectly .....	117
Squatting properly .....	117
Arching Your Back.....	118
Bench-pressing the wrong way.....	118
Bench-pressing the right way .....	119
Lowering Your Elbows Too Far.....	119
Lowering your arms the wrong way .....	119
Lowering your arms the right way .....	120
Pulling a Fast One.....	120
Pulling down a bar the right way .....	120
Pulling down a bar the wrong way .....	121
Letting Your Butt Stick Up in the Air .....	121
Using the leg curl machine the wrong way .....	122
Using the leg curl machine the right way.....	122
Exaggerating the Row .....	123
Rowing the wrong way.....	123
Rowing the right way .....	123
Sitting Up Improperly from a Weight Bench .....	123
Sitting up the wrong way.....	124
Sitting up the right way .....	125
Spotting Too Much — Or Not Enough.....	125
Spotting the wrong way .....	125
Spotting the right way .....	126
Carrying a Weight Plate Too Casually .....	126
Carrying a weight plate the wrong way.....	126
Carrying a weight plate the right way .....	127

## **Part III: Tackling the Exercises ..... 129**

### **Chapter 10: Interpreting the Exercise Instructions ..... 131**

Tackling the Basic Info.....	131
Explaining Our Favorite Phrases.....	134
Pull in your abdominals.....	134
Stand up tall with square shoulders and a lifted chest.....	135
Don't lock your joints .....	135
Keep your shoulders and neck relaxed .....	135
Tilt your chin toward your chest .....	136

Don't shoot your knees past your toes .....136  
 Don't bend your wrists .....136  
 Maintain proper posture .....136  
 Studying Breathing Techniques for Exercise.....137

**Chapter 11: Working Your Back .....139**

Understanding Upper Back Muscle Basics .....139  
 Getting an Upper Back Workout.....141  
 Avoiding Mistakes When Working Your Upper Back .....142  
 Becoming Skilled at Upper Back Exercises .....143  
     One-arm dumbbell row .....143  
     Dumbbell pullover.....145  
     Dumbbell shrug .....147  
     Machine row.....149  
     Lat pulldown .....150  
     Cable row.....152  
     Assisted pull-up .....154  
 Understanding Lower Back Muscle Basics .....156  
 Enjoying a Strong Lower Back .....156  
 Getting a Lower Back Workout.....157  
 Avoiding Mistakes When Training Your Lower Back.....158  
 Becoming Skilled at Lower Back Exercises.....158  
     Pelvic tilt.....158  
     Back extension.....160

**Chapter 12: Working Your Chest .....163**

Understanding Chest Muscle Basics .....163  
 Enjoying Strong Pecs .....164  
 Getting a Chest Workout .....164  
 Avoiding Mistakes When Pumping Your Pecs .....166  
 Becoming Skilled at Chest Exercises .....167  
     Modified push-up .....167  
     Bench press.....169  
     Dumbbell chest press .....172  
     Incline chest fly.....173  
     Vertical chest press machine.....174  
     Cable crossover .....177  
     Assisted dip.....179

**Chapter 13: Working Your Shoulders .....181**

Understanding Shoulder Muscle Basics.....182  
 Enjoying Strong Shoulders.....183  
 Getting a Great Shoulder Workout .....183  
 Avoiding Mistakes When Training Your Shoulders.....184  
     Exaggerating the movement .....185  
     Arching your back .....185  
     Rocking back and forth.....185  
     Performing behind-the-neck shoulder exercises.....185

Practicing Shoulder Exercises .....	186
Dumbbell shoulder press .....	186
Lateral raise .....	188
Front raise .....	189
Back delt fly.....	191
External rotation.....	193
Internal rotation.....	194
Shoulder press machine .....	195

## **Chapter 14: Working Your Arms .....197**

Understanding Arm Muscle Basics .....	197
Enjoying Strong Arms .....	199
Getting a Great Arm Workout .....	199
Avoiding Mistakes When Training Your Arms .....	200
Practicing Arm Exercises .....	201
Barbell biceps curl .....	201
Dumbbell reverse biceps curl.....	203
Concentration curl .....	204
Arm curl machine.....	206
Triceps pushdown.....	207
Triceps kickback.....	209
Bench dip .....	210
Triceps dip machine .....	212
Wrist curl and reverse wrist curl.....	213

## **Chapter 15: Working Your Abdominals .....215**

Introducing Abdominal Muscle Basics .....	216
Enjoying Strong Abdominals .....	217
Getting Past the Myths of Abdominal Workouts .....	218
Myth #1: Abdominal exercises get rid of the blubber around your middle.....	218
Myth #2: Everyone can develop washboard abs if they try hard enough .....	218
Myth #3: For best results, you should do several hundred repetitions of abdominal exercises .....	218
Myth #4: You need to work your abs every day.....	219
Myth #5: The front of your stomach has two separate muscles: The upper abs and lower abs .....	219
Myth #6: You need a gadget to train your abs.....	219
Myth #7: Sit-ups are better than crunches.....	219
Avoiding Mistakes When Training Your Abdominals .....	220
Discovering Exercises in This Chapter.....	220
Basic abdominal crunch.....	221
Reverse crunch.....	222
Oblique crunch.....	224
Bent knee side crunch .....	224
Roll down negative curl.....	226

**Chapter 16: Working Your Butt and Legs . . . . .229**

Understanding Butt and Leg Muscle Basics .....229  
 Enjoying a Strong Lower Body .....231  
 Getting a Great Lower Body Workout.....233  
 Avoiding Mistakes When Working Your Lower Body .....234  
 Learning Lower Body Exercises .....235  
     Squat .....235  
     Lunge.....237  
     Leg press machine.....238  
     Kneeling butt blaster .....240  
     Quad press .....243  
     Leg extension machine .....245  
     Kneeling leg curl .....247  
     Leg curl machine .....248  
     Inner/outer thigh machine .....249  
     Side-lying leg lift.....252  
     Inner thigh lift .....253  
     Standing calf raise .....255  
     Toe lift .....256

**Chapter 17: Working Your Core . . . . .259**

Introducing Core Stabilizer Muscle Basics .....259  
 Enjoying a Strong Core .....261  
 Getting a Core Workout .....261  
 Avoiding Mistakes When Training Your Core .....262  
 Performing Exercises in This Chapter .....263  
     Plank.....263  
     Side plank .....265  
     All fours spinal stabilization .....266  
     Reverse plank.....267  
     The slide .....269

***Part IV: Setting Up Your Workout Programs .....271***

**Chapter 18: Basic Workouts to Get Started . . . . .273**

Custom-designing a Routine .....273  
     Identifying why you want to train .....274  
     Your equipment .....275  
     Your exercise preferences .....276  
     Your lifestyle .....276  
     Your current level of fitness .....277  
 Reviewing Your Program Variables.....277  
     Doing exercises in the right order .....277  
     Choosing the right weight .....278  
     Using the rest period .....279

Trying Sample Beginner Routines.....	279
Doing circuits at the gym .....	279
Doing circuits at home.....	280
Dumbbells-and-a-bench routine for the gym or home.....	281
The mix 'n' match routine at the gym.....	281

## **Chapter 19: Quickie Workouts for Busy Days . . . . .283**

Making the Most of Quickie Training.....	284
Putting Together Your Quickie Routine .....	284
Doing 15-minute Workouts.....	285
15-minute gym total body workouts .....	285
15-minute at home total body workouts .....	286
Doing 15-minute upper or lower body workouts .....	288
Exercising with the Ten-Minute Routines .....	289
Home gym ten-minute mix 'n' match routines.....	290
Doing ten-minute upper or lower body workouts.....	291
Enjoying a ten-minute stretch workout .....	292

## **Chapter 20: Core Programs for Good Balance and a Healthy Back . . . . .295**

Saying Goodbye to Back Pain .....	296
Evaluating Your Posture.....	297
Benefiting from Good Posture .....	298
Keeping Your Balance.....	299
Practicing Yoga, Tai Chi, or Qigong.....	300
Balance-specific Exercises .....	301
Previewing Balance Gadgets.....	303
Putting Together Back Health and Balance Routines.....	304
Sampling Healthy Back and Balance Routines .....	304
20-minute routine .....	305
15-minute routine .....	305
Ten-minute routine.....	306

## **Chapter 21: Tackling More Advanced Programs . . . . .307**

Understanding Progression .....	308
Split Routines.....	308
The upper body/lower body split .....	309
Push/pull split routine.....	312
Vary Your Daily Workout .....	314
Super sets .....	314
Giant sets.....	315
Circuits.....	316
Advanced Training Techniques.....	317
Pyramids.....	317
Breakdowns.....	318
Negatives .....	318

**Chapter 22: Workouts for Special Needs . . . . .319**

Training Tips for Kids and Teens .....	319
Benefiting from youth resistance training.....	320
Knowing what is age appropriate.....	320
Trying a sample kid or teen routine.....	322
Lifting Weights Before and After Baby.....	322
Benefiting from prenatal and postpartum resistance training.....	323
Modifying exercise routines for safety .....	323
Trying a sample routine .....	324
Training Big, Beautiful Bodies .....	325
Understanding why all shapes and sizes benefit from stronger muscles .....	325
Considering safety guidelines and other tips .....	326
Trying a sample routine .....	327
Building and Keeping Strong Bones.....	328
Lifting into the Golden Years .....	329
Reaping rewards from training as an older adult.....	329
Observing safety guidelines and training tips .....	330

**Chapter 23: Adding Yoga and Pilates for Flexible Strength and Coordination . . . . .331**

Examining Yoga and Pilates .....	331
Harmonizing with yoga.....	332
Moving with Pilates.....	332
Benefiting from Yoga and Pilates .....	333
Engaging your whole body with yoga and Pilates.....	333
Increasing your flexibility with yoga and Pilates .....	334
Improving your balance, coordination, and concentration with yoga and Pilates.....	334
Can Yoga and Pilates Replace Weight Training? .....	336
Fitting Yoga and Pilates into Your Fitness Program.....	336
Diving into Yoga.....	337
Different styles of yoga .....	337
Finding a qualified yoga instructor .....	339
Getting the Lowdown on Pilates .....	339

**Part V: The Part of Tens .....**341**Chapter 24: Ten (Okay, Eleven) G-Rated Things You Can Do with Latex Rubber . . . . .343**

Before You Start, Get a Big Rubber Band! .....	343
Preparing for Your Band Workout.....	344
Band Squat .....	345
Band Butt Blaster .....	346
Band Outer Thigh Lift.....	348
Band Calf Press.....	349

Band Lat Pulldown .....	350
Band Push-up.....	350
Band One-arm Shoulder Press.....	352
Band External Rotation .....	353
Band Internal Rotation .....	353
Band Double Biceps Curl .....	355
Band Triceps Extension .....	356

**Chapter 25: Ten Ways to Have a Ball (Almost Literally) . . . . . 357**

Picking Out the Right Ball .....	357
Using Exercise Balls Safely.....	358
Ball Crunch .....	359
Ball March .....	360
Ball Oblique Crunch.....	361
Ball Extension .....	362
Ball Plank.....	363
Ball Push-up .....	364
Ball Leg Lift .....	365
Ball Bridge.....	366
Ball Side-Lying Outer Thigh Lift .....	367
Ball Side-Lying Double Leg Lift .....	369

**Chapter 26: Ten Thoughts on Supplements, Diets, and Healthy Eating . . . . . 371**

Understanding Why Supplement and Diet Ads Are Confusing .....	371
Overdoing Supplements .....	372
Uncovering the Fat-burner Chitin .....	373
Understanding a Muscle-builder: Creatine .....	374
Unraveling the High-protein Craze.....	374
Blaming insulin for weight problems .....	375
Reducing saturated fat.....	376
Depriving your body of calories .....	376
Building Muscle with Protein.....	377
Finding Healthy Energy Bars .....	377
Eating Chocolate for a Healthy Snack.....	378
Enjoying a Variety of Whole Foods .....	379
Choosing Organic and Free-Range Products .....	380
