# Table of Contents

<b><i>Introduction</i></b> .....	<b>1</b>
About This Book .....	1
What You Can Safely Ignore .....	2
Foolish Assumptions .....	2
How This Book Is Organized .....	2
Part I: Great Things with Microsoft Dynamics GP .....	3
Part II: Daily Entry Tasks .....	3
Part III: Stuff You Do From Time to Time .....	3
Part IV: Administering & Extending Your Dynamics GP System .....	4
Part V: The Part of Tens .....	4
Icons Used in This Book .....	4
<b><i>Part I: Great Things with Microsoft Dynamics GP</i></b> .....	<b>5</b>
<b>Chapter 1: What Microsoft Dynamics GP Does Best</b> .....	<b>7</b>
Introducing Microsoft Dynamics GP .....	7
Menus and toolbars .....	8
The Navigation and Content panes .....	9
Who, when, and where you are .....	13
At Home with the Home Page .....	14
Adding to and reorganizing the Home page .....	14
Changing the details of a Home page .....	16
Customizing the Quick Links area .....	17
Customizing the To Do area .....	18
Familiarity Breeds Affection, Efficiency, and Productivity . . . and a Pay Raise .....	19
Cards .....	19
Transactions .....	20
Inquiries .....	22
Reports .....	23
Routines .....	23
Utilities .....	23
Setup .....	23
Yellow sticky notes .....	25
Working with SmartLists .....	26
Reminders and tasks .....	27
Keeping Your CPA Happy .....	28

**Chapter 2: Getting Started with Microsoft Dynamics GP . . . . . 29**

Preparing to Install Microsoft Dynamics GP .....	30
Addressing hardware and software needs .....	30
Planning your company setup .....	32
Creating a New Company .....	38
Setting up company address information .....	39

Establishing opening balances.....	46
Setting up shipping methods and payment terms.....	47
Setting your posting options .....	49
Handling sales taxes .....	53
Keeping tabs via the audit trail.....	58

**Part II: Daily Entry Tasks..... 61****Chapter 3: Paying Bills . . . . . 63**

Setting Up Default Information for Payables Management .....	63
Setting Up Vendor Classes .....	67
Setting Up Your Vendors .....	71
Adding vendor cards .....	71
Setting up vendor addresses .....	74
Placing a vendor on hold .....	75
When you don't need a vendor anymore .....	76
Entering Beginning Balances.....	77
Entering Payables Transactions .....	78
Creating a batch.....	79
Entering a voucher .....	81
Editing or deleting a voucher .....	84
Writing checks.....	84
Posting batches.....	92
Voiding payables transactions.....	93

**Chapter 4: Working with Purchase Orders . . . . . 97**

Setting Up to Use Purchase Orders.....	98
Setting Up Buyers .....	102
Entering Purchase Orders .....	103
Creating a standard purchase order .....	103
Creating a drop shipment purchase order .....	107
Creating a blanket purchase order.....	107

Automatically Generating Purchase Orders ..... 109  
     Setting up to automatically generate purchase orders ..... 109  
     Automatically generate purchase order lines ..... 111  
 Managing Purchase Orders ..... 113  
     Viewing the status of purchase orders ..... 113  
     Editing purchase orders ..... 115  
     Canceling purchase orders ..... 116  
     Copying purchase order information ..... 116  
     Releasing purchase orders ..... 119  
     Clearing out those dusty old POs ..... 121  
 Receiving Stuff ..... 123  
     Recording a receipt ..... 123  
     Recording vendor invoices without shipments ..... 128  
     Posting receipts ..... 131

**Chapter 5: Billing Your Customers ..... 133**

Knowing Where to Do the Billing ..... 133  
 Establishing Receivables Management Options ..... 134  
 What Customer Classes Can Do for You ..... 139  
 All About the Customer Card ..... 143  
     Adding customer cards ..... 143

     Placing a customer on hold ..... 147  
     When you don't need a customer anymore ..... 148  
 Setting Up Sales Territories and Sales People ..... 149  
 Entering Customer Beginning Balances ..... 151  
 Creating Receivables Management Transactions ..... 153  
 Letter Writing Assistant ..... 156

**Chapter 6: Using the Sales Order Processing Module ..... 159**

Understanding Document Types ..... 159  
 Setting Up Sales Order Processing Documents ..... 161  
 Setting Up the Sales Order Processing Module ..... 165  
 Entering a Sales Order Processing Document ..... 169  
 Sales Orders and Purchase Orders ..... 172  
 Managing Sales Order Processing Documents ..... 173  
     Modifying a Sales Order Processing document ..... 173  
     Save data entry time — copy information ..... 174  
     Transferring SOP documents ..... 176  
     Deleting or voiding a Sales Order Processing document ..... 179  
     Placing Sales Order Processing documents on hold ..... 180

**Chapter 7: Cash Receipts and Collections. .... 183**

Recording Customer Payments ..... 183  
     Saving time with Auto Apply ..... 183  
     Entering a payment ..... 184  
     Applying payments after the fact ..... 186  
     Getting paid faster with lock boxes ..... 187

Keeping Customers in the Loop with Customer Statements .....	188
Aging customer accounts .....	189
Assessing finance charges .....	190
Printing statements .....	192
E-mailing statements automatically .....	194
Working with the Aged Trial Balance Report .....	196
Removing paid transactions .....	197
Printing the report .....	198
Collecting More Money Faster .....	201
<b>Chapter 8: All Roads Lead to the General Ledger. ....</b>	<b>205</b>
Setting Up Defaults .....	205
Building Your Chart of Accounts .....	208
Adding accounts to the Chart of Accounts .....	208
When you don't need an account anymore .....	212
Editing accounts .....	212
Entering Journal Entries .....	215
Déjà Vu: Reducing Keystrokes with the Quick Journal .....	217
Creating Budgets .....	219
Creating a budget in Dynamics GP .....	220
Creating a budget in Excel .....	222
Exporting and importing budgets .....	225
<b>Chapter 9: Bank Recs (Not Bank Wrecks). ....</b>	<b>229</b>
Setting Up the Bank Reconciliation Module .....	229
Working with Checkbooks .....	230
Establishing the opening balance .....	230
Creating a checkbook .....	231
Understanding Bank Reconciliation Transactions .....	233
Entering deposits .....	235
Transferring money between bank accounts .....	236
Reconciling a Checkbook .....	237
Clearing Checks Automatically with Electronic Banking .....	238
<b>Chapter 10: Getting Inventory Under Control . ....</b>	<b>241</b>
Setting Up the Inventory Control Module .....	241
Maintaining Your Items .....	245
Understanding item types .....	245
FIFO, LIFO, and all that jazz .....	247
Setting up item classes .....	248
Creating items .....	249
Entering beginning balances .....	251
Standard pricing versus extended pricing .....	252
Understanding Inventory Transactions .....	254
Finding Out About Your Stuff .....	259
The Back-Ordered Items Received report .....	259
The Stock Status report .....	260
Item Inquiry .....	261
Performing a physical inventory .....	262

---

***Part III: Stuff You Do from Time to Time..... 267***

**Chapter 11: Closing the Books .....269**

Period-End Stuff .....	269
Closing the Year.....	271
Closing inventory.....	272
Closing the Sales series.....	274
Closing the Purchasing series .....	275
Closing the General Ledger (the important one).....	277

**Chapter 12: Analyzing Information through  
Inquiries, SmartLists, and Reports .....281**

Making Inquiries .....	282
Getting Information at Your Fingertips with the SmartList .....	285
Selecting columns to display.....	286
Saving your own version of a SmartList.....	287
Setting search criteria for a SmartList query .....	288
Printing Standard Reports.....	290
Setting up report options.....	291
Selecting report destinations .....	292
Working with report groups.....	295
Setting up quick financial statements .....	297
Printing financial statements.....	299
Reprinting journals .....	300

**Chapter 13: Using Utilities and the Professional Services Tools . . .301**

Reconciling Sales Orders.....	301
Reconciling Payables Management.....	303
Reconciling Inventory .....	304
Taking Advantage of Professional Services Tools.....	306
Changing the previously unchangeable.....	307
Merging customers, items, or vendors .....	309

***Part IV: Administering and Extending  
Your Dynamics GP System ..... 311***

**Chapter 14: Safeguarding Your Database .....313**

Establishing Security for Your Dynamics GP Database.....	313
Setting system security.....	314
Setting up users.....	314
Creating security tasks.....	317
Creating security roles .....	318
Assigning users to security roles.....	320
Setting field-level security.....	321

Safeguarding Your Database .....	323
Checking table links .....	323
Making a backup .....	325
Recovering from a disaster .....	326

## **Chapter 15: Extending Dynamics GP's Functionality with Modifications & Customizations . . . . . 329**

Creating Reminders .....	331
Working with Lists .....	332
Personalizing a list .....	334
Creating and customizing a list view .....	334
Customizing and Extending Dynamics GP .....	335
Customizations with the Modifier module .....	336
Seeing what's installed and what's been customized .....	338

## ***Part V: The Part of Tens* . . . . . 341**

### **Chapter 16: Implementation Pitfalls . . . . . 343**

Though this be Madness, Yet There is Methodology in it .....	345
Size matters .....	346
Iterative approach .....	347
Methodology masters and slaves .....	347
Rewriting History (or Leaping Forward to the Past) .....	348
When Exceptions are the Rule .....	350
To-Be or Not to Be As-Is .....	351
Template of Doom (or the Dog Ate My Homework) .....	353
Nine Pregnant Women in a Room for a Month .....	354
Going Over Budget without Going Overboard .....	355
The Phone Book Syndrome .....	357
Back Office Is the Cart, Not the Horse .....	358
Bridges to Vaporware .....	359

### **Chapter 17: Most Useful Features . . . . . 361**

SmartLists .....	361
Recurring Batches .....	362
Transaction-Level Notes and Attachments .....	363
Originating Master Names and ID's .....	363
Classes .....	363
Company Posting Setup Options .....	364
FRx Transaction-Level Reporting .....	365
FRx Trees .....	365
Excel-Based Budgeting .....	365
SOP Document Types .....	366

---

***Appendix: Microsoft Dynamics GP Modules ..... 367***

- Getting What You Need with the Modular Approach ..... 368
- Getting More Modules for Your Money with Business
  - Ready Licensing ..... 377
    - Full access user licenses ..... 377
    - Partial access user licenses ..... 378
    - Business Essentials Edition ..... 378
    - Advanced Management Edition ..... 378

***Index ..... 381***
