2.9	Percentage That Felt Frequently “Overwhelmed by All I Had to Do,” 1985–2006	34
2.10	Career Aspiration: Lawyer, 1966–2006	40

2.11 Career Aspiration: Medical Doctor, 1966–2006	40
2.12 Career Aspiration: Secondary School Teacher, 1966–2006	41
2.13 Left-Right Political Balance, 1970–2006	45
4.1 Astin’s Input-Environment-Outcome Model of College Impact	66
4.2 Conditional Model of College Impact	68

Tables

2.1 Racial/Ethnic Composition of First-Year Students, 1971–2006	17
2.2 Gender Differences in Financial Background Among First-Year Students, Fall 2006	20
2.3 Gender Differences in Income and Employment Expectations Among First-Year Students, Fall 2006: Percentage Reporting a “Very Good Chance” That They Will Have to Get a Job to Pay for College Expenses	21
2.4 Gender Differences in Academic Self-Confidence and Engagement Among First-Year Students, Fall 2006	26
2.5 Gender Differences in Leisure Time Among First-Year Students, Fall 2006	31
2.6 Gender Differences in Psychological Well-Being Among First-Year Students, Fall 2006	33
2.7 Gender Differences in Degree Aspirations Among First-Year Students, Fall 2006	36
2.8 Gender Differences in Major Selection Among First-Year Students, Fall 2006	38

2.9	Gender Differences in Career Aspirations Among First-Year Students, Fall 2006	39
2.10	Gender Differences in Community Orientation Among First-Year Students, Fall 2006	43
2.11	Gender Differences in Political/Social Attitudes and Political Engagement Among First-Year Students, Fall 2006	46
4.1	Institutional and Student Samples	71
4.2	Summary of College Effects	75
5.1	Gender Differences in College-Level Predictors of Personality: Scholar	81
5.2	Gender Differences in College-Level Predictors of Personality: Social Activist	85
5.3	Gender Differences in College-Level Predictors of Personality: Artist	90
5.4	Gender Differences in College-Level Predictors of Personality: Status Striver	94
5.5	Gender Differences in College-Level Predictors of Personality: Leader	98
5.6	Gender Differences in College-Level Predictors of Scientific Orientation	103
5.7	Gender Differences in College-Level Predictors of Self-Rated Physical Health	109
5.8	Gender Differences in College-Level Predictors of Self-Rated Emotional Health	112
5.9	Gender Differences in College-Level Predictors of Feeling Overwhelmed	117

5.10	Gender Differences in College-Level Predictors of Self-Change: Cultural Awareness	123
5.11	Gender Differences in College-Level Predictors of Self-Change: Religious Beliefs and Convictions	127
6.1	Gender Differences in College-Level Predictors of Political Engagement	139
6.2	Gender Differences in College-Level Predictors of Political Orientation	144
6.3	Gender Differences in College-Level Predictors of Classic Liberalism	148
6.4	Gender Differences in College-Level Predictors of Gender Role Traditionalism	152
6.5	Gender Differences in College-Level Predictors of Permissiveness	159
6.6	Gender Differences in College-Level Predictors of Goal: Raising a Family	164
6.7	Gender Differences in College-Level Predictors of Goal: Developing a Meaningful Philosophy of Life	168
6.8	Gender Differences in College-Level Predictors of Goal: Promoting Racial Understanding	173
7.1	Gender Differences in College-Level Predictors of College GPA	180
7.2	Gender Differences in College-Level Predictors of Self-Rated Mathematical Ability	187
7.3	Gender Differences in College-Level Predictors of Self-Rated Drive to Achieve	192
7.4	Gender Differences in College-Level Predictors of Self-Rated Competitiveness	197

7.5	Gender Differences in College-Level Predictors of Self-Change: Critical Thinking and Knowledge	201
7.6	Gender Differences in College-Level Predictors of Degree Aspirations	206
7.7	College-Level Predictors of Women's Career Sex-Atypicality	209
7.8	College-Level Predictors of Men's Career Sex-Atypicality	210
C.1	Personality and Identity: Change in the Gender Gap During College	286
C.2	Political and Social Values: Change in the Gender Gap During College	289
C.3	Academic Outcomes: Change in the Gender Gap During College	292
D.1	Squared Multiple Correlations, by Gender	295
