     Adding text boxes .....211

**Chapter 15: Zen and the Art of Database Maintenance .....213**

Understanding the Need to Check and Repair .....214  
     Determining the maintenance frequency .....214  
     A little shopping list of database horrors .....215

Performing Routine Maintenance .....	215
Backing Up the ACT! Database .....	217
Performing the basic ACT! backup.....	218
Backing up to various media .....	219
Restoring a backup copy of your database .....	219
Applying ACT! Updates.....	221
Performing Spring Housecleaning.....	222
Weeding out duplicate contacts .....	222
Copying or moving contact data .....	224
Removing old data .....	226
Deleting a database .....	227
Performing a global edit/replace.....	227
A few more housekeeping tips.....	229
<b>Chapter 16: Calling in the Reinforcements .....</b>	<b>231</b>
Working with the Database Users .....	231
Adding new users to the database .....	232
Deleting login users.....	236
Locking down the password .....	238
Limiting Contact, Group, and Company Access.....	239
Creating a team.....	239
Assigning access rights to the contacts .....	240
Finding contacts by access level.....	242
Securing the Fields.....	243
Networking 101.....	245
Getting your network ducks in order.....	246
Padding the workstations .....	246
The ACT! Scheduler .....	247
Importing New Information into ACT! .....	248
<b>Chapter 17: ACT!ing with Synchronization .....</b>	<b>253</b>
What in the World Is Synchronization? .....	253
Why synchronize? .....	254
The synchronization cycle in a nutshell .....	254
Things that change during a synchronization .....	255
Performing a Synchronization in Three ACT!s .....	256
ACT! 1: Setting up the main database .....	256
ACT! 2: Setting up the remote database .....	261
ACT! 3: Synchronizing data .....	262
Maintaining the Synchronization .....	263
Viewing the last data synchronized .....	263
Looking up the sync set lookup.....	264
Viewing and printing sync settings .....	264
Re-creating a remote database .....	265
Stopping the synchronization process.....	265

---

***Part V: Commonly Overlooked ACT! Features.....267***
**Chapter 18: Integrating ACT! with Microsoft .....269**

Changing Your Outlook in ACT!.....	269
Importing Outlook contacts into ACT!.....	270
E-mailing Outlook contacts via ACT!.....	272
Working with ACT! While in Outlook .....	272
Setting your ACT! history options.....	273
E-mailing ACT! contacts in Outlook .....	274

Adding static group members .....	309
Creating dynamic group members.....	311
Working with Groups .....	313
Using groups to schedule activities .....	314
Using notes with groups.....	316
<b>Chapter 21: Joining a Company</b> . . . . .	<b>319</b>
The 411 on Companies .....	319
Hey Dude, Where's My Company? .....	320
The Companies tab .....	320
The Company Detail view.....	321
Knowing the juicy company details .....	322
Company Housekeeping.....	323
Forming a new company .....	323
Creating a company from an existing contact .....	324
Creating a division (or subdivision) .....	324
Deleting a company.....	325
Adding New Members to the Company.....	326
Getting the entire gang in the company .....	326
Starting a company of one .....	327
Following the company rules.....	328
Hooking Up with a Company .....	329
Hyperlinking a contact to a company.....	329
Linking the Contact and Company fields .....	331
Working with a Company .....	333
Jotting down a company note.....	334
Associating a note, history, activity, or opportunity with a company.....	335
Accessing the company files.....	336
Getting the Company Reports .....	336
<b>Chapter 22: Working with ACT! Premium for Web</b> . . . . .	<b>337</b>
You Gotta Love this Product.....	337
Looking Before You Leap.....	339
Handling the hardware .....	339
Going on a Windows fact-finding mission .....	340
Installing IIS .....	340
What's in an IP name? .....	341
Stop the IP, I want to get on.....	341
Giving Windows an Internet Makeover .....	342
Confirming that IIS is alive and well.....	342
Inviting an Internet Guest Account .....	343

Making an ASP.NET of yourself .....343  
 Just call me APFW .....344  
 Installing ACT! Premium for Web .....345  
     Opening your database .....346  
     Web Site Administration tool.....347  
 Inviting Others to the Party.....349  
     You can't drive without a license .....350  
     Can you see me now?.....350  
     Logging in to ACT! Premium for Web.....351  
     Feeling a sense of déjà vu.....351

***Part VI: The Part of Tens .....353***

**Chapter 23: Ten Cool Things Available Only  
 in ACT! Premium 2008 .....355**

Allows More Users .....355  
 Limits Access to Various Contacts, Groups, and Companies.....356  
 Includes Field Level Security .....356  
 Group Scheduling.....357  
 Customizable Opportunity Fields .....357  
 Advanced User Settings .....357  
 Performs Automatic Maintenance .....358  
 Performs Automatic Backups.....358  
 Integrates with ACT! for Web.....358  
 More Sync Options.....359

**Chapter 24: Ten Tips to Make ACT! Work Better .....361**

Augmenting Your ACT! Knowledge .....361  
     Hire an expert .....362  
     Join a User Group.....362  
 Improving Your Reporting.....362
