## ***Introduction*..... 1**

About This Book.....	1
Conventions Used in This Book .....	2
What You're Not to Read.....	3
Foolish Assumptions .....	3
How This Book Is Organized.....	4
Part I: Considering Cosmetic Surgery.....	4
Part II: Preparing for Cosmetic Surgery.....	4
Part III: Exploring Your Options.....	4
Part IV: Going for It: Preparation and Recovery.....	4
Part V: The Part of Tens.....	5
Icons Used in This Book.....	5
Where to Go from Here.....	6

## ***Part 1: Considering Cosmetic Surgery* ..... 7**

### **Chapter 1: Entering the Golden Age of Cosmetic Surgery . . . . . 9**

Putting the “Plastic” in Surgery.....	10
Defining cosmetic surgery.....	10
Understanding reconstructive surgery .....	11
Blending cosmetic and reconstructive techniques .....	12
Looking Into Cultural Ideals about Looks .....	12
Tapping Into Cosmetic Surgery’s Popularity .....	13
Finding Out Who’s Going under the Knife.....	14
Men get into the act .....	14
Young people take the leap .....	14
Surgery for the older set .....	15
Investigating Issues for Kids and Teens .....	15
Evaluating Your Motivations.....	17
Shopping for Cosmetic Surgery.....	18
Being Realistic about Recovery and Results .....	19

<b>Chapter 2: Making a Decision about Cosmetic Surgery</b> . . . . .	<b>21</b>
Finding Out whether Cosmetic Surgery Is Right for You . . . . .	21
Assessing what bothers you . . . . .	22
Determining why you want a change . . . . .	23
Looking at how much the problem bothers you . . . . .	26
Listening to others . . . . .	26
Watching for red flags . . . . .	27
Determining whether You Are Right for Cosmetic Surgery . . . . .	30
Getting to the heart of your motivations . . . . .	30
Assessing your health . . . . .	31
Checking your finances . . . . .	31
Accepting cosmetic surgery's limits . . . . .	32
Finding Out What to Expect . . . . .	32
Acknowledging the risks . . . . .	33
Being realistic about the pain . . . . .	33
Fitting recovery into your lifestyle . . . . .	33
Being prepared for additional costs . . . . .	34
Getting acquainted with the new you . . . . .	34
Letting the Decision Be Yours Alone . . . . .	34
<b>Chapter 3: Looking Out for Your Safety</b> . . . . .	<b>37</b>
Protecting Yourself . . . . .	38
Sorting Through Board Certification . . . . .	39
Understanding medical specialization . . . . .	39
Checking out the process for certification . . . . .	39
How some doctors fudge a little on board certification . . . . .	40
Relying on the American Board of Medical Specialties . . . . .	41
Understanding the ABMS . . . . .	42
Benefiting from insider knowledge . . . . .	42
Recognizing sound-alike boards . . . . .	43
Asking about board certification . . . . .	45
Understanding How Hospitals Handle Medical Specialization . . . . .	45
Certifying Surgery Centers . . . . .	47
Understanding surgery center choices . . . . .	47
Finding out about certifying agencies . . . . .	49
Understanding Your Anesthesia Options . . . . .	50
Getting the Best Results with Minimal Hassle . . . . .	53
Find an ASAPS member . . . . .	53
Investigate hospital privileges . . . . .	54
Check for facility accreditation . . . . .	54
Ask about board certification . . . . .	54

***Part II: Preparing for Cosmetic Surgery.....55***

**Chapter 4: Prequalifying: Beginning Your Search for a Surgeon . . . .57**

Creating a Solid Game Plan .....57  
 Defining your search criteria .....59  
 Taking the show on the road .....62  
 Setting aside time to shop.....63  
 Assembling Your List of Prospective Surgeons .....64  
 Checking with friends and acquaintances .....64  
 Asking Dr. Welby .....65  
 Asking nurses and other health-care personnel .....66  
 Taking your search online.....67  
 Taking ad-vantage of the Yellow Pages and media.....69  
 Screening Surgeons.....70

**Chapter 5: Choosing Your Surgeon . . . . .75**

Setting Realistic Expectations .....75  
 Evaluating MD Experience .....78  
 Getting the Information You Need from Consultations .....78  
 Scheduling your on-site visits.....79  
 Setting up your consultation goals .....80  
 Evaluating before-and-after photos.....83  
 Talking to other patients .....84  
 Talking to staff members .....85  
 Taking a “test drive” .....85  
 Looking for Dr. Right.....86  
 Evaluating the comfort level .....86  
 Seeking good communication.....87  
 Sorting though conflicting advice .....88  
 Making the Big Decision .....88

**Chapter 6: Getting Ready Financially . . . . .91**

Dealing with Sticker Shock.....91  
 Sorting Through Fee Quotes.....93  
 Comparing apples and oranges: The variables  
 of cosmetic surgery.....94  
 Deciphering the fee quote.....95  
 Asking about Discounting .....96  
 Considering the Cost of Recovery and Additional Surgery.....97

Paying for Cosmetic Surgery .....	98
Hoping for insurance coverage .....	98
Starting a fix-it fund .....	99
Prepaying your surgeon .....	99
Paying with cash .....	100
Using plastic .....	100
Using your home equity .....	101
Financing cosmetic surgery .....	101

## **Chapter 7: Getting Ready Physically . . . . . 103**

Factoring Health into Your Decision .....	103
High blood pressure .....	104
Heart disease .....	104
Mitral valve prolapse .....	105
Smoking .....	105
Diabetes .....	106
Breathing problems .....	106
Anemia .....	107
Bleeding disorders .....	107
Infectious diseases .....	108
Multiple sclerosis .....	109
Connective tissue disorders .....	109
Obesity .....	109
Alcohol and recreational drug usage .....	110
Understanding Preoperative Testing .....	111
Getting Ready for Surgery .....	112
In the days or weeks before surgery .....	112
The night before surgery .....	113
The morning of surgery .....	113

## ***Part III: Exploring Your Options . . . . . 115***

### **Chapter 8: Sprucing Up Your Face without Surgery . . . . . 117**

Getting Under Your Skin: Anatomy .....	118
Smoothing Wrinkles with Botox .....	119
Filling the Void with Dermal Injectables .....	121
Trying temporary dermal fillers .....	122
Trying semipermanent solutions .....	124
Harvesting your body's own fat farm .....	125
Taking the plunge: Investing in a permanent solution .....	125
Peeling and Resurfacing Solutions .....	126
Using a chemical approach to better skin .....	126
Using a skin resurfacing approach .....	131
Evolving technologies .....	134

Combining Facial Treatment Options.....136  
 Identifying Pre- and Posttreatment Considerations .....137  
     Finding the best doctor for the job .....137  
     Considering age and health .....138  
     Taking a test drive .....138  
     Avoiding the magic wand syndrome.....138  
     Getting ready for — and recovering from — skin peels .....139  
     Taking better care of your skin .....141

**Chapter 9: Finding Out about Facial Cosmetic Surgery .....143**

    Understanding Facial Aging.....144  
         Losing structural support .....144  
         Losing skin quality .....144  
         Dealing with the effects of dynamic aging.....145  
         Losing facial volume .....145  
     The Eyes Have It: Procedures for Your Brows and Lids.....146  
         Lifting your upper eyelids .....146  
         Resolving lower eyelid issues .....148  
         Addressing tiny wrinkles .....148  
         Dealing with drooping brows.....149  
     Putting On a Happy Face: Getting a Lift .....151  
         Standard facelift.....152  
         Mini facelift.....154  
         S-lift.....155  
         Midface lift.....156  
         Deep plane and subperiosteal facelifts .....156  
         Having a tiny-incision facelift.....157  
         Noninvasive facial procedures .....158  
     Correcting Lost Facial Volume.....158  
         Understanding implants .....158  
         Investigating implantables .....159  
         Checking out injectables .....160  
     Facing Up to Cosmetic Surgery .....160  
         Understanding cultural issues .....161  
         Considering your health.....161  
         Factoring age into your decision .....162  
         Finding the right surgeon .....163  
         Avoiding the magic wand syndrome.....164  
     Assessing the Risks .....164  
     Recovering from Facial Surgery .....165  
         Getting through the pain .....165  
         Taking it easy .....165  
         Knowing what’s normal .....165  
         Judging the result .....166

<b>Chapter 10: Winning by a Nose: Rhinoplasty</b> . . . . .	<b>167</b>
Understanding the Anatomy of the Nose.....	167
Sniffing Out Motivations for Rhinoplasty.....	168
Nasal tip asymmetry .....	170
Crookedness.....	170
Excessive nasal tip projection .....	170
Excessive width .....	171
Overall size.....	172
Length .....	173
Bumps .....	173
Tip size.....	173
Nostril width .....	174
Checking Out the Rhinoplasty Options.....	174
Augmentation rhinoplasty.....	175
Closed rhinoplasty .....	175
Open rhinoplasty.....	176
Septoplasty.....	176
Weir excisions .....	177
Tip rhinoplasty .....	177
Nosing Into Important Considerations.....	178
Factoring your age into your decision.....	178
Combining rhinoplasty with other operations .....	178
Avoiding the magic wand syndrome.....	179
Making sure your surgeon is a pro.....	179
Picking your new nose .....	181
Considering anesthesia .....	182
Understanding the Risks .....	183
Recovering from Rhinoplasty .....	184
Getting through the pain .....	184
Taking it easy .....	184
Knowing what's normal .....	185
Judging the result .....	185
Dealing with Disappointment .....	185
<b>Chapter 11: Getting the Skinny on Liposuction</b> . . . . .	<b>187</b>
Understanding Body Fat.....	187
Checking Out Your Options .....	188
Defining liposuction .....	188
Taking a look at the procedures .....	189
Understanding tumescent liposuction .....	191
Deciding Whether Liposuction Is for You .....	192
Considering cultural ideals .....	192
Sizing up your health and body.....	193
What liposuction can (and can't) do .....	194
Avoiding the magic wand syndrome.....	195

Assessing the Risks .....	196
Getting Set for Surgery .....	197
Making sure your doctor is a pro .....	197
Choosing the facility .....	198
Considering anesthesia .....	198
Telling the whole truth — and nothing but.....	199
Recovering from Liposuction .....	199
Getting through the pain .....	200
Taking it easy .....	200
Knowing what's normal .....	201
Judging the result .....	201

## **Chapter 12: Dejunking Your Trunk: Body Contouring Procedures .....203**

Checking Out Body Contouring Options.....	203
Tucking your tummy .....	204
Considering thigh and buttock lifts .....	209
Lower body lift.....	209
Upper arm lift.....	210
Combining body contouring with other procedures.....	211
Deciding Whether Body Contouring Surgery Is for You.....	212
What body contouring can and can't do.....	213
Assessing the risks.....	214
Considering your health.....	215
Factoring age into your decision.....	215
Exploring gender-specific issues.....	215
Making Sure Your Surgeon Is a Pro.....	216
Evaluating before-and-after photos.....	216
Envisioning change .....	217
Considering facilities and anesthesia .....	217
Getting Set for Surgery and Recovery .....	217
Preparing for surgery.....	217
Recovering from body contouring surgery.....	218

## **Chapter 13: Restructuring Your Body after Massive Weight Loss .....221**

Knowing If and When You're Ready for Body Contouring Procedures .....	222
Calculating your body mass index.....	222
Understanding your skin's limits.....	224
Considering metabolic and health issues .....	225
Factoring in your attitude .....	225
Looking into cost .....	226
Checking Out Your Options .....	227
Looking at your face and neck.....	227
Lifting your arms .....	228

Lifting your breasts .....	228
Facing your back .....	230
Looking at your lower body .....	231
Solving your thigh problems .....	232
Total body lift .....	232
Combining and staging your procedures .....	233
Making the Right Choices .....	234
Choosing the right surgeon .....	234
Looking at before-and-after photos .....	234
Selecting the right office .....	235
Choosing the right operating facility .....	235
Considering anesthesia .....	236
Preparing for Surgery .....	236
Getting medical clearance .....	236
Preparing for potential blood loss .....	237
Lining up nutritional support .....	237
Understanding the Risks .....	237
Coping with Recovery .....	238
Enlisting emotional support .....	239
Enduring complications .....	239
Planning for revisions .....	239

## **Chapter 14: Increasing Your Assets: Breast Augmentation . . . . . 241**

Sorting Out the Silicone Scare .....	241
Tracing the troubles and trials .....	242
Coming around to silicone safety .....	242
Comparing Implant Options .....	243
Saline implants .....	243
Silicone gel implants .....	243
Other implant options .....	244
Understanding Anatomy .....	245
Checking Into Types of Procedures .....	246
Incision locations .....	246
Submuscular augmentation .....	247
Subglandular augmentation .....	248
Transaxillary breast augmentation .....	250
Transumbilical breast augmentation (TUBA) .....	250
Considering anesthesia .....	251
Identifying Implant Inspirations .....	252
Emotional considerations .....	252
Anatomical issues .....	253
Doing it again: Reasons for second surgeries .....	254
Avoiding the magic wand syndrome .....	256
Evaluating Before-and-After Photos .....	256
Assessing the Risks .....	257

Recovering from Breast Augmentation Surgery.....259  
 Dealing with dressings.....260  
 Getting through the pain.....260  
 Taking it easy.....261  
 Knowing what’s normal.....262

**Chapter 15: Getting a Pick-Me-Up: Breast Lift . . . . .263**

Understanding the Anatomy of the Breast.....264  
 Checking Out Your Breast Lift Options.....265  
 Breast lifts for minimal sagginess.....266  
 Breast lifts for more extensive sagginess.....268  
 Considering anesthesia.....270  
 Deciding Whether a Breast Lift Is for You.....270  
 Feeling abnormal.....271  
 Examining the intimacy issue.....271  
 Considering your health and age.....272  
 Evaluating Before-and-After Photos of Breast Lifts.....272  
 Understanding the Risks.....273  
 Postoperative bleeding.....273  
 Loss of sensation.....274  
 Formation of “bad” scars.....274  
 Asymmetry.....275  
 Infection.....275  
 Tissue loss.....275  
 Recovering from Breast Lift Surgery.....276  
 Recuperating and other post-op issues.....276  
 Getting past the pain.....276  
 Knowing what’s normal.....277

**Chapter 16: Streamlining Your Form with Breast Reduction . . . . .279**

Understanding Anatomy.....279  
 Checking Out Breast Reduction Options.....280  
 Standard breast reduction.....281  
 Vertical scar breast reduction.....282  
 Breast reduction with nipple transfer.....282  
 Reducing size with liposuction.....282  
 Reducing male breasts.....283  
 Considering anesthesia.....284  
 Looking at Common Reasons for Reductions.....284  
 Understanding the Risks.....286  
 Evaluating Before-and-After Photos.....287  
 Recovering from Breast Reduction.....288  
 Dealing with dressings.....288  
 Getting through the pain.....288  
 Taking it easy.....289  
 Knowing what’s normal.....289

***Part IV: Going for It: Preparation and Recovery*.....291****Chapter 17: Assessing the Risks and Preparing for Surgery . . . . .293**

Assessing the Risks.....	293
Common risks of all operations.....	294
Uncommon but serious risks.....	296
Reducing Fear and Anxiety.....	298
Preparing for Your Recovery.....	300
Evaluating your post-op care options.....	300
Recuperating in a hospital.....	300
Staying at the surgery center.....	301
Choosing a post-op care facility.....	301
Arranging for a caretaker.....	302
Hiring licensed nurses or caretaker services.....	302
Going home.....	303

**Chapter 18: Recovering after Surgery . . . . .305**

Following Instructions, or Doctor Knows Best.....	306
Limiting your activities.....	306
Dealing with pain.....	307
Following medication instructions.....	308
Knowing What's Normal.....	309
Understanding surgery and scarring.....	309
Reducing bruising and swelling.....	309
Healing hardness under the skin.....	310
Easing into Activity.....	311
Dealing with the Emotional Aspects of Recovery.....	313

**Chapter 19: Finding Happy Endings . . . . .315**

Assessing Your Result.....	315
Waiting for complete healing.....	316
Fending off unwanted opinions.....	317
Following post-op instructions.....	317
Trusting your surgeon.....	318
Having realistic expectations.....	318
Dealing with Disappointment.....	319
Getting second opinions.....	321
Pursuing a secondary operation.....	321
Dealing with the costs of secondary surgery.....	322
Avoiding litigation.....	322
Ending Up Happy.....	323

**Part V: The Part of Tens .....325****Chapter 20: Ten (Or So) Myths about Cosmetic Surgery .....327**

Cosmetic Surgery Is the Key to Happiness.....	327
Cosmetic Surgery Will Solve All Your Problems .....	327
You Can Have Scar-Free Cosmetic Surgery.....	328
You Can Address Big Issues with Small Operations .....	328
The Newest Procedure Is the Best One.....	328
The Most Famous Surgeon Is the Best .....	329
You Get What You Pay For .....	329
Silicone Isn't Safe.....	329
Local Anesthesia Is Always Safer than General Anesthesia .....	330
There's Plastic in Plastic Surgery.....	330
Cosmetic Surgery Lasts Forever .....	330

**Chapter 21: Ten Questions to Ask Yourself  
before Pursuing Cosmetic Surgery .....331**

What Bothers Me?.....	331
How Much Do I Want to Change It?.....	332
What's My Motivation to Change? .....	332
Do I Understand All My Options?.....	332
Will Family and Friends Accept My Choice?.....	333
After Surgery, Can I Hide Out or Do I Have to Tell All?.....	333
How Am I Going to Pay for the Surgery? .....	333
Do I Have Time for Recovery? .....	334
Can I Cope with Complications?.....	334
How Do I Find the Right Surgeon?.....	334

**Chapter 22: (Almost) Ten Ways to Get Great Results  
from Cosmetic Surgery .....335**

Know What You Want .....	335
Allow Yourself Time to Decide .....	336
Make the Right Choice.....	336
Choose a Top-Notch Support Team.....	337
Create a Personal Support System .....	337
Avoid Financial Pressure.....	337
Follow Your Surgical Team's Instructions .....	338
Set Realistic Expectations .....	338
Improve Your Lifestyle .....	338

***Appendix: Internet Resources* .....339**  
    Medical Organization Sites .....339  
    Professional Society Sites .....339  
    Facility Certification Sites .....340  
    Public Information Sites .....341  
    Researching Patient Financing .....342
