

Contents at a Glance

| | | |
|-----------------|--|-----|
| | Preface | ix |
| | Acknowledgments | xv |
| Part I | Getting Connected | |
| Chapter 1 | Windows XP and Home Networking | 3 |
| Chapter 2 | Introduction to Networking | 29 |
| Chapter 3 | Life in the Slow Lane: Connecting with a Modem | 47 |
| Chapter 4 | Information Superhighway: Making the Broadband Connection | 71 |
| Part II | Home Networking | |
| Chapter 5 | Creating Your Home Network | 87 |
| Chapter 6 | Sharing an Internet Connection | 101 |
| Chapter 7 | Working with Users and Passwords | 117 |
| Chapter 8 | Securely Sharing Network Resources | 139 |
| Chapter 9 | Wireless Networking | 157 |
| Chapter 10 | Advanced Home Networking | 185 |
| Part III | Windows XP and the Internet | |
| Chapter 11 | Windows XP/.NET Integration | 207 |
| Chapter 12 | Browsing and Searching the Web | 225 |
| Chapter 13 | Using E-Mail and Newsgroups | 251 |
| Chapter 14 | Communicating with MSN Messenger | 281 |
| Chapter 15 | Windows XP Web Publishing | 301 |
| Part IV | Remote Access | |
| Chapter 16 | Getting Help with Remote Assistance | 335 |
| Chapter 17 | Using Remote Desktop | 349 |

Part V Device Connections

| | | |
|-------------------|---|------------|
| Chapter 18 | Notebooks and Tablet PCs: Using Windows XP with Portable Computers | 369 |
| Chapter 19 | Using Personal Digital Assistants (PDAs) with Windows XP | 389 |
| | Index | 411 |

Contents

| | | |
|------------------|--|-----------|
| | Preface | ix |
| | Acknowledgments | xv |
| Part I | Getting Connected | |
| <hr/> | | |
| Chapter 1 | Windows XP and Home Networking | 3 |
| | Introducing Windows XP Service Pack 2 with | |
| | Advanced Security Technologies | 4 |
| | A Little History | 4 |
| | The Case for Windows XP | 6 |
| | Windows XP Connectivity Features | 12 |
| | Easy and Secure Home Networking | 13 |
| | Complete Internet Integration | 13 |
| | Communicating, Collaborating, and Publishing | 14 |
| | Optimized for the Home | 14 |
| | Intelligent Device Connections | 17 |
| | Security Improvements in Windows XP Service Pack 2 | 17 |
| | Security Center | 18 |
| | Windows Firewall | 19 |
| | More Secure Version of Internet Explorer | 20 |
| | Unsafe Attachment Blocking | 21 |
| | Under-the-Hood Changes | 21 |
| | A Closer Look at the Different Windows XP Editions | 22 |
| | Security Alert: Keeping Windows Up-to-Date | 24 |
| | Automatically Updating Windows XP | 25 |
| | Using Windows Update | 26 |
| Chapter 2 | Introduction to Networking | 29 |
| | Connecting Users and PCs | 30 |
| | Networking Methodologies | 30 |
| | Designing a Home Network | 32 |
| | Networking Hardware: What You Will Need | 35 |
| | PC to PC | 35 |
| | Multiple Connections | 36 |
| | Networking Software | 37 |
| | Using TCP/IP | 38 |
| | Working with Legacy Networking Protocols | 41 |
| | Why You Want to Be a Client for Microsoft Networks | 42 |
| | Sharing Files and Printers | 43 |
| | Security Implications of Home Networks | 43 |
| | Taking Your Home Network from Theory to Reality | 46 |

| | | |
|------------------|--|----|
| Chapter 3 | Life in the Slow Lane: Connecting with a Modem | 47 |
| | A Quick Look at Modems | 47 |
| | Modem Speeds | 48 |
| | Choosing a Modem | 49 |
| | Using XP's New Connection Wizard with a Modem | 49 |
| | Configuring a New Connection | 51 |
| | Choosing a New Internet Service Provider (ISP) | 53 |
| | Connecting to an Existing ISP | 60 |
| | Configuring Modem Connections | 61 |
| | Managing Connection Properties | 61 |
| | Managing a Modem | 64 |
| | Connecting and Disconnecting | 67 |
| | Connecting with a Modem | 67 |
| | Disconnecting a Modem | 68 |
| | Copying and Renaming Modem Connections | 69 |
| | Stuck Between a Rock and a Hard Place: A Quick Look at AOL | 70 |
| Chapter 4 | Information Superhighway: Making the Broadband Connection | 71 |
| | Understanding Broadband | 71 |
| | Available Broadband Solutions | 72 |
| | Cable Modem | 72 |
| | Digital Subscriber Line (DSL) | 73 |
| | Satellite | 74 |
| | Deciding on a Broadband Solution | 74 |
| | Connecting to Broadband | 75 |
| | Connecting to Broadband with a Residential Gateway | 75 |
| | Connecting to Broadband Directly with the New Connection Wizard | 76 |
| | Configuring a Broadband Connection | 81 |

Part II Home Networking

| | | |
|------------------|---|----|
| Chapter 5 | Creating Your Home Network | 87 |
| | Making Computer-to-Computer Connections | 87 |
| | The Case for Direct Cable Connections | 88 |
| | Using Infrared | 88 |
| | Basic Network Types | 88 |
| | Ethernet Networking | 89 |
| | Wi-Fi Wireless Networking | 89 |
| | Home Phonenumber Networking | 89 |
| | Powerline Networking | 90 |
| | FireWire-Based Networking | 90 |

| | | |
|------------------|---|-----|
| | Using Hubs and Switches | 91 |
| | Working with Hubs | 91 |
| | Using Switches | 92 |
| | Residential Gateways and Routers | 92 |
| | Connecting a Home Network to an External Network | 92 |
| | The Next Generation: Working with UPnP Devices | 93 |
| | Avoiding XP's Network Setup Wizard | 95 |
| | Using the Microsoft Network Guide to Set Up Your | |
| | Home Network | 96 |
| | Manually Creating Networks with Windows XP | 98 |
| | Working with Workgroups | 98 |
| Chapter 6 | Sharing an Internet Connection | 101 |
| | Looking at Connection Sharing | 101 |
| | Introducing Internet Connection Sharing (ICS) | 102 |
| | ICS: Why You Should Never Do This | 106 |
| | Working with Firewalls | 108 |
| | Always On: The New Windows Firewall in XP SP2 | 109 |
| | Using and Configuring Windows Firewall | 110 |
| | Handling Firewall Exceptions | 113 |
| | Better Firewalls: Third-Party Solutions to Consider | 114 |
| | Playing Multiplayer Games Online | 115 |
| Chapter 7 | Working with Users and Passwords | 117 |
| | XP's Multiuser Environment | 117 |
| | Multiusers in Windows 9x/Me | 118 |
| | New Multiuser Features in XP | 118 |
| | Understanding Users and Security | 120 |
| | Adding and Configuring Users | 120 |
| | Adding a New User | 121 |
| | Managing Users | 123 |
| | Using Passwords | 127 |
| | Configuring a User Picture | 132 |
| | Using the Guest Account | 133 |
| | Using the Welcome Screen | 134 |
| Chapter 8 | Securely Sharing Network Resources | 139 |
| | Understanding Home Network Authentication | 139 |
| | Using Pass-Through Authentication | 140 |
| | Individualizing Network Authentication | 140 |
| | Using My Network Places | 141 |
| | Browsing the Network | 142 |
| | Adding Network Places | 144 |
| | Mapping Drives | 146 |
| | Sharing Local Resources | 147 |
| | Sharing File Folders | 148 |
| | Sharing a Printer | 153 |
| | Connecting to a Remote Printer | 154 |

| | | |
|-------------------|--|------------|
| | Integrating Older Windows Versions | |
| | into an XP Home Network | 155 |
| | Working with Windows 9x/Me | 156 |
| | Working with Windows NT/2000 | 156 |
| Chapter 9 | Wireless Networking | 157 |
| | Going Wireless | 157 |
| | Types of Wireless Networking | 158 |
| | Understanding Wireless Terminology | 160 |
| | Setting Up a Secure Wireless Network | 161 |
| | Using an Access Point | 161 |
| | Using a Wireless-Enabled Broadband Router | 162 |
| | Adding Wireless to XP Desktops | 162 |
| | Connecting to a Wireless Network | 163 |
| | Fixing WEP's Security Problems | 165 |
| | Using XP's New Wireless Network Setup Wizard | 168 |
| | Other Wireless Network Features | 171 |
| | Configuring Wireless Connectivity | 172 |
| | Connecting and Disconnecting with Wireless Networks | |
| | through the Start Menu | 174 |
| | Creating Different Wireless Networks for 802.11b | |
| | and 802.11g Connections | 175 |
| | Feeling Blue: Using Bluetooth Devices | |
| | with Windows XP | 176 |
| | Enabling a Bluetooth Radio | 176 |
| | Using the Bluetooth Devices Utility | 177 |
| | Adding a Bluetooth Device | 178 |
| | Configuring Bluetooth Devices | 180 |
| | Sending and Receiving Files via Bluetooth | 182 |
| | Removing a Bluetooth Device | 183 |
| Chapter 10 | Advanced Home Networking | 185 |
| | Combining Networks | 185 |
| | Network Routing and Bridging | 186 |
| | Why You Might Want Two or More Network Subnets | 187 |
| | Network Bridging | 188 |
| | Now What? Monitoring and Fixing | |
| | Home Network Connections | 192 |
| | Quick: Is Your Network Connection Up or Down? | 192 |
| | Repairing a Connection | 195 |
| | Using Windows XP in a Mixed Network | 196 |
| | Working with Legacy Windows | 196 |
| | Upgrading to XP | 197 |
| | Using Windows XP in a Mixed Network | 197 |
| | Working with the Macintosh | 198 |
| | Working with Linux | 202 |

| | | |
|-------------------|--|-----|
| Part III | Windows XP and the Internet | |
| Chapter 11 | Windows XP/.NET Integration | 207 |
| | An Introduction to .NET | 207 |
| | .NET to the Future | 208 |
| | But Before That Can Happen | 209 |
| | Using .NET Passport | 209 |
| | Windows XP and .NET Passport | 210 |
| | Configuring Passport for Auto-Login | 211 |
| | Using Messenger with .NET Passport | 214 |
| | Receiving Microsoft Alerts | 216 |
| | Microsoft Alerts | 216 |
| | Third-Party Alerts | 217 |
| | Configuring Alerts | 217 |
| | Preventing Windows Messenger/.NET Passport | |
| | from Starting | 220 |
| | Preventing Windows Messenger Globally | 220 |
| | Preventing Windows Messenger on a User-by-User Basis | 222 |
| Chapter 12 | Browsing and Searching the Web | 225 |
| | Using Internet Explorer | 226 |
| | Stopping Pop-Up Windows | 226 |
| | Preventing Malicious Browser Add-Ons from | |
| | Taking Over Your System | 228 |
| | Digital Media Enhancements | 229 |
| | IE 6.0 Is More Reliable | 230 |
| | IE 6.0 Provides Better Privacy Online | 230 |
| | Other IE features | 231 |
| | Searching the Web with IE | 232 |
| | For Beginners Only: The MSN Explorer Experience | 236 |
| | MSN Explorer Features | 237 |
| | Searching the Web with MSN Explorer | 239 |
| | Security Alert: Trusting the Web | 240 |
| | Using Security Zones and Security Levels | 240 |
| | Privacy and the Web | 244 |
| | Configuring Privacy Features | 244 |
| | Web Browser Alternatives | 247 |
| | Mozilla Firefox | 247 |
| | Opera | 249 |
| Chapter 13 | Using E-Mail and Newsgroups | 251 |
| | Introducing Outlook Express | 252 |
| | Configuring Outlook Express for E-Mail | 255 |
| | Further Outlook Express Configuration | 258 |
| | Sending and Receiving E-Mail with Outlook Express | 264 |
| | Using the Address Book | 265 |

| | | |
|-------------------|--|------------|
| | Understanding E-Mail Security | 267 |
| | Working with Usenet Newsgroups | 271 |
| | Using MSN Hotmail | 275 |
| | Creating a Hotmail Account | 275 |
| | Logging On to Hotmail | 275 |
| | Sending and Receiving E-Mail | 276 |
| | Blocking Senders and Handling Junk E-Mail | 277 |
| | Using Hotmail with Outlook Express | 278 |
| Chapter 14 | Communicating with MSN Messenger | 281 |
| | A Look at Instant Messaging | 282 |
| | From Pow-Wow to Messenger | 282 |
| | Windows Messenger versus MSN Messenger | 284 |
| | Introducing MSN Messenger | 284 |
| | Working with MSN Messenger | 285 |
| | Configuring MSN Messenger | 287 |
| | Managing Contacts | 289 |
| | Checking E-Mail from Messenger | 292 |
| | Sending an Instant Message Request | 293 |
| | Changing Your Online Status | 294 |
| | Using MSN Messenger for Audio Chat | 294 |
| | Using Messenger for Video Chat | 296 |
| | Sending and Receiving Files with MSN Messenger | 297 |
| Chapter 15 | Windows XP Web Publishing | 301 |
| | Working with Web Folders | 302 |
| | Understanding WebDAV | 303 |
| | Connecting to Remote WebDAV Servers | 303 |
| | Using the Web Publishing Wizard | 316 |
| | Publishing Documents to the Web | 316 |
| | Publishing Images to the Web | 319 |
| | Using Microsoft's Web Server: Internet | |
| | Information Services (IIS) | 321 |
| | Installing IIS | 322 |
| | Administering IIS 101 | 324 |
| | Local Web Serving | 330 |
| | Blogging: A Web Publishing Phenomenon | 330 |
| Part IV | Remote Access | |
| Chapter 16 | Getting Help with Remote Assistance | 335 |
| | Getting Help Remotely | 335 |
| | Sending and Accepting Invitations | 336 |
| | Sending an Invitation via Windows Messenger | 336 |
| | Sending an Invitation via E-Mail | 340 |
| | Sending an Invitation via a File | 342 |

| | | |
|-------------------|--|------------|
| | Using Remote Assistance | 344 |
| | Remote Assistance for the User | 345 |
| | Taking Remote Control of a PC | 345 |
| | Remote Assistance for the Expert | 346 |
| | Configuring Remote Assistance | 347 |
| | Address Issues | 347 |
| | Firewall Issues | 348 |
| Chapter 17 | Using Remote Desktop | 349 |
| | Configuring Remote Desktop | 350 |
| | Installing the Remote Desktop Client | 352 |
| | Remote Desktop Client for Windows 2000, Me, 98, and 95 | 352 |
| | Remote Desktop Client for Windows CE/Pocket PC Users | 353 |
| | Remote Desktop Client for Web Users | 353 |
| | Remote Desktop on Other Platforms | 355 |
| | Using Remote Desktop Connection | 355 |
| | One User, One Connection | 355 |
| | Creating a Connection | 355 |
| | Configuring a Connection | 356 |
| | Connecting from the Internet | 365 |

Part V Device Connections

| | | |
|-------------------|---|------------|
| Chapter 18 | Notebooks and Tablet PCs: Using Windows XP with Portable Computers | 369 |
| | Power Management | 370 |
| | Power Schemes | 372 |
| | Alarms | 373 |
| | Power Meter | 373 |
| | Advanced | 373 |
| | Hibernate Tab | 373 |
| | Accessing Content Offline | 374 |
| | Offline Files and Folders | 374 |
| | Offline Web Pages | 376 |
| | Portable Computers and Security | 378 |
| | Password Protection | 378 |
| | Enhanced-Security File Systems | 378 |
| | Other Mobile Improvements in Windows XP | 380 |
| | Automatic Multiple Network Configuration | 380 |
| | Integrated Wireless Networking | 380 |
| | ClearType | 381 |
| | DualView | 382 |
| | Infrared Networking | 382 |
| | Fast Startup Features | 383 |
| | Mobile Processor Support | 383 |

| | | |
|-------------------|---|------------|
| | Wake-on-LAN Networking Capabilities | 383 |
| | Hardware Hot-Swapping | 383 |
| | A Quick Look at Windows XP Tablet PC Edition 2005 . . . | 384 |
| | It's the Software, Stupid | 384 |
| Chapter 19 | Using Personal Digital Assistants (PDAs) | |
| | with Windows XP | 389 |
| | Introducing the Pocket PC | 390 |
| | Unique Pocket PC Features | 391 |
| | Synchronizing with the Desktop | 393 |
| | Installing and Configuring ActiveSync | 394 |
| | Synchronizing Files | 400 |
| | Networking a Pocket PC Wirelessly | 401 |
| | Using Palm Devices with Windows XP | 403 |
| | Introducing the Palm OS | 404 |
| | PalmONE | 406 |
| | Using the Palm OS with Windows XP | 406 |
| | Index | 411 |
