

INDEX

Note to reader: **Bolded** page numbers refer to definitions and main discussions of a topic. *Italicized* page numbers refer to illustrations.

SYMBOLS

- key
 - closing folder branches, 120
 - zoom out, 224
- * key, opening all folder branches, 120
- . (dot), parent directory, 135
- \ (backslash), root directory, 135
- + key
 - opening folder branches, 124
 - zoom in, 225

A

- Active Desktop
 - HTML documents, 53–54
 - Lock Active Desktop items command, 55
 - multiple images, 52–53
 - Web pages, 50–52
 - window control for, 52
- Add Password dialog box, 201, 201
- Address bar
 - accessing, 191
 - accessing Control Panel from, 146
 - accessing Control Panel icons from, 152
 - arranging, 74–75
 - as IE toolbar, 311, 311
 - pathnames in, 189, 189–190
- Address Book, 358–372, 360, 361
 - accessing, **360–361**
 - backing up, **369**
 - copying, **369–370**
 - group mailings, **366–368**
 - adding names to groups, 368
 - creating groups, 367
 - keyboard shortcut to, 360
 - multiple addresses in, **364–365**
 - names, 361, **362–366**
 - automatic additions, 362
 - deleting, **365**
 - individual additions, 363
 - manual additions, 363, 363
 - overview of, 358–359
 - printing addresses, **365–366**, 366
 - printing group of contacts, 370
 - updating addresses, **364**
 - vCard and, **371–372**
- Administrative Tools
 - in Control Panel, 151
 - list of, **413**
- Administrator (Owner) account, 10
- Adobe's Photoshop Elements, 228
- Advanced Attributes dialog box, 194, 194
- Advanced Dial-Up dialog box, 298, 298
- Advanced option, Appearance tab, 62–63
- Advanced Privacy Settings dialog box, 317–318, 318
- Align to Grid option, Desktop windows, 35
- All Programs menu, **88–93**, 92
 - drag-and-drop functionality, 90, 90–91
 - folders, merging/rearranging, 91–92
 - Open All Users command, 66–67
 - programs
 - deleting, 92–93
 - rearranging, 89–90
 - viewing, 95
 - scrolling feature, **89**
 - shortcut to, 108
- All Users folder, **45**, 108
- Alt+←, (Internet Explorer-Go back), 312
- Alt+→, (Internet Explorer-Go forward), 312
- Alt+A, A, (Favorites-accessing), 328
- Alt+A, (playlists-adding tracks), 281
- Alt+C, (Favorites-creating folders), 324
- Alt+C, (Favorites-deleting bookmarks), 324
- Alt+E, S, (icons-pasting as shortcuts), 112
- Alt+Enter, displaying Properties dialog box, 140
- Alt+F, V, (Outlook Express- saving attachments), 261
- Alt+F, W, C, (compressed folders-accessing), 201
- Alt+F, W, F
 - creating folders, 91, 123
 - creating toolbars, 112
- Alt+F4, (closing windows), 39
- Alt+Home, (Internet Explorer- home page), 312
- Alt+I, A, (Outlook Express- adding attachments), 261
- Alt+M, (Favorites-bookmarking folders), 324
- Alt+R, (Favorites-renaming bookmarks), 324
- Alt+Spacebar, (Control menu-activating), 39
- Alt+Spacebar, M, (moving windows), 39
- Alt+Spacebar, N, (minimizing windows), 39
- Alt+Spacebar, R, (restoring windows), 39
- Alt+Spacebar, X, (maximizing windows), 39
- Alt+Tab, (switching between windows or programs), 39
- Alt+V, D, (folders-Details view), 123
- Alt+V, E, O, (folders-turning list on/off), 124, 158
- Alt+V, H, (folders-Thumbnail view), 123
- Alt+V, L, (folders-List view), 123
- Alt+V, N, (folders-Icons view), 123
- Alt+V, S, (folders-Tiles view), 123
- AOL, restrictions on attachments, 262
- Appearance tab, 62–63
- applets, **223**
- applications
 - ending, 403
 - vs. processes, **403–405**
- Applications tab, Task Manager, 411
- Archiving techniques, 192–205
 - archiving data, 423

 - decompressing, 195
 - limitations of, 196
 - overview of, 193
 - procedure for, **194–195**

"Arrange Icons By" submenu-Command Prompt Properties dialog box

- when needed, 195
- compressed folders (ZIP files), **196-205**
 - vs. blue compression, **203-205**
 - Compressed Folders utility, 203
 - compressing files, **199-200**
 - extracting after downloading, **197-199, 198**
 - opening, 201-202
 - password protecting, 201, 201
 - program files and, 199
 - WinZip utility for, 202, **202-203**
- reasons for archiving, 193
- "Arrange Icons By" submenu, 34, 34
- arrow indicators, Quick Launch bars, **98, 98**
- arrow keys, IE scrolling with, 312
- ART format, **237**
- attachments, **352-354**
 - AOL restrictions on opening, 262
 - e-mailing, **262-263**
 - inability to open, 354
 - multiple, 353
 - security and, 263
 - size limits on, 353
 - when can't send, 352
 - when OE splits, 353-354
- audio. *see* Media Player
- Audio CD dialog box, 272
- audio file formats, 283
- audio tracks, copying, 276, 276
- Auto Arrange option, Desktop icons, **34**
- Auto-Disconnect dialog box, Internet connections, 299-300
- AutoComplete, Internet Explorer, 319, **319-320, 320**
- Autohide, Taskbar, 71
- AutoPlay, **391-393, 392**
 - disabling, 391-392
 - setting to open root folder, 392-393
- AutoPlay dialog box, 273

B

- back ups
 - Address Book, **369**
 - CD-Rs/RWs, **217-220**
 - CD-R vs. CD-RW, 217-218
 - frequency of, 219
 - restoring from backup disk, 220
 - retaining, 219-220
 - software for, 218-219
 - e-mail, 347-348
 - media for, 117
- backgrounds, **48-54**
 - HTML documents, 53-55
 - images, 49-50
 - multiple images, 52-53
 - setting as solid color, 48-49
 - Web pages, 50-52
- backspace key, folder navigation, 25, 109
- Backup Wizard, 218-219, 219
- Base Priority, Processes tab, 405
- Basic Colors list, 49
- Bcc (Blind Carbon Copies) field, e-mail, **354-355**
- Blocked Senders list, e-mail, **349-350**

- BMP format
 - ability to compress, 196
 - converting to, 239
 - e-mailing images and, 258-259
 - as graphics format, **237**
 - Paint and, 235
- bookmarks. *see* Favorites
- Business Card mode, printing addresses, 365
- business cards, electronic, 371-372

C

- call waiting, 293-294
- cameras. *see* digital cameras
- cascading windows, 36
- Category view, Control Panel
 - reasons for using, **146**
 - switching to/from, 144
- CD (change directory) command, DOS, 376
- CD-R pop-up bubble, Notification Area, 210
- CD R Writing Wizard, 215, 215
- CD-Rs/RWs, 206-220
 - AutoPlay, 392-393
 - back ups, **217-220**
 - CD-R vs. CD-RW, 217-218
 - frequency of, 219
 - media types, 117
 - restoring from backup disk, 220
 - software for, 218-219
 - storing and keeping, 219-220
 - CD-R vs. CD-RW, 208, **216-217, 217**
 - CD-Rs, **209-216, 210, 211**
 - adding files to already-burned disk, 214, 214
 - buying in bulk, 209
 - capacity of, 209
 - copying files to, 212-213
 - data storage, **209-211**
 - "Delete Temporary Files", 214
 - determining amount of data written to, 213-214
 - digital image storage, 250
 - ejecting without burning, 215
 - erasing, 215
 - final burn options, 215-216
 - music recording, 209, **284-287**
 - types of data on, 212
 - CD-RWs, **216-217, 286**
 - checking for CD-R drive, 207-208
 - compression and, 195
 - Read-Only attribute, 168
- CDR (Corel Draw) format, 250
- Change Icon button, 33, 33
- Change Icon dialog box, 266-267, 267
- Choose Picture button, 232
- Classic view, Control Panel, **144, 144**
- Clear List button, 129-130
- clock, Notification Area, 77
- Color Management tab, 61
- color palettes, 48, 49
- colors, display options, 61
- Colors tab, Command Prompt Properties dialog box, 380
- Command Prompt Properties dialog box, 379, 380

Command Prompt window—Customize Start Menu

- Command Prompt window, *375*, **375–378**
 - adding color, *380*, *380*
