- adversity 65  
Alberoni, Francesco 46  
Allport, Gordon W. 134  
    theory of values 135  
aloneness 50–1, 53–4  
altruism 47–9  
    universal 47–8  
American vs. European thinking 44  
*amor fati* 36  
Amundsen, Rune 89  
anxiety 8, 40, 94, 96–8  
    death 91–8  
    existential 8  
    pathological 8  
Argyle, Michael 24  
authentic living 124  
authenticity 15–17, 19  
authoritarian relationship 52  
automaton conformity 53  
availability 127
- basic life concepts 11  
being as a mode of life 137  
    in the world 141  
being-in-the-world 5, 161  
being-towards-death 105  
being-with-one-another 124  
beliefs 117–18  
Benson, Herbert 38  
Berger, Peter L. 59  
big questions of life 11–15  
Binswanger, Ludwig 149  
bio-energetic therapy 10  
biological reductionism 25  
biology vs. culture ix, 15  
bodily happiness 38  
Bollnow, Otto 150  
    on crisis 71–2, 75, 83  
    on love 45
- Boss, Medard 5, 37, 74, 150  
    on basic life conditions 13  
    on death and dying 40, 100, 105  
    on loneliness 43  
    on loss 43  
    on pain 32  
    on therapeutic goals 41, 161
- boxes  
    concepts of aloneness 54  
    Condrau's theory of death  
        anxiety 95  
    dealing with disease and  
        suffering 35  
    examples of life goals 133  
    examples of life meaning 142  
    existential crisis therapy 81  
    five types of love 49  
    questionnaire of life goals 134  
    schools of psychology 21  
    theories of making life  
        decisions 114  
    three basic life concepts 11  
    three concepts of happiness 40
- brotherly love 48  
Buber, Martin 42, 45, 150  
Bühler, Charlotte 26–8, 62, 151  
    on evaluation of life 138–9  
    on life goals 55  
    on life stages 56
- cancer diagnosis, effect of 29  
cancer patients 29, 33–4, 34, 51, 53, 81,  
    92, 93, 100, 103  
cancer, positive aspects of 29, 33–4  
care 41, 128  
    false 128  
    liberating 42  
    manipulative 41  
*caritas* 63

- case stories
- the alcoholic employee 109–10
  - the astounded nurse 2
  - the bereaved man 146
  - the deceived woman 69
  - the difficult colleague 110
  - the divorced man 52
  - the divorcing woman 110–11
  - a dramatic death 86–7
  - the drowning girl 89–90
  - the dying man 90–1
  - the man who feels empty 56
  - the middle-aged woman 55
  - the old patient asking for no treatment 103
  - a peaceful death 86
  - the Red Cross nurse 109
  - the resolute woman 17
  - the special woman 117
  - therapy group 81
  - the two neighbours 44
  - the woman who lost her son 70
  - the young man 57
  - the young woman 54
  - see also* cancer patients
- childhood, importance of 119–23
- existential view on 108, 112, 121–2
  - memory of 122
  - psychoanalytical view on 120–1
- choice 107, 114, 116, 136–7
- of childhood memories 122
  - as dilemma 110
  - and meaning 33–4
  - and necessity 118–19
  - and responsibility 125
  - see also* decision-making
