Preface	vii
Acknowledgments	xi
About the Authors	xiii
1 Digital Libraries: A Cultural Understanding	1
Digital Libraries in the Matrix of Digital Culture	2
Defining Digital Libraries	3
Transforming the Academic Library	8
Digital Library Culture	11
2 New Dynamics for Scholarly Communication	19
Many-to-Many Relationships in the Digital Library	20
New Opportunities for Scholarly Communication	21
Sharing in the Online Community	24
Academic Culture Meets Digital Culture	29
3 Digital Libraries in Teaching and Course Development	33
The Digital Library and Teaching in Distance Education	34
Course Development	38

Challenges in Supporting Students at a Distance	40
Learning Styles	43
Faculty Development	44
<b>4 Beyond the Mechanics of Online Retrieval: Information Literacy</b>	<b>49</b>
What Is Information Literacy?	49
Library Literacy and Beyond	52
The Necessity of Evaluation	54
Integrating Information Literacy	55
Development of Skills	59
Integrating Information Literacy into the Curriculum	61
Assessment	64
<b>5 Using the Digital Library in Higher Education</b>	<b>69</b>
Understanding Online Systems	70
Using Digital Information in Higher Education	78
<b>6 Faculty-Librarian Collaboration in Online Teaching and Education</b>	<b>89</b>
Collaborative Efforts	90
Leadership Roles	92
Collection Development	92
Teaching and Instruction	94
Marketing the Library and Its Services	96
The Importance of Organizational Climate	98
<b>7 Collaborating on Information Literacy: Case Study 1</b>	<b>101</b>
Research Guides	101
Help Centre	107
The Digital Reference Centre	108
INFS 200: Accessing Information	108

8	Collaborating on the DRR and Reusing Learning Resources: Case Study 2	111
	The Digital Reading Room	111
	The Collaboration	114
	The Evaluation	116
	Beyond Course Reserves: Reusable Digital Resources	117
9	Beyond Digital Library Culture Barriers	121
	Humans and Computers Interacting	122
	Easier-to-Use Digital Libraries	126
	Appendix: Web Resources	135
	References	141
	Index	151
