EDITOR'S NOTES	1
<i>Tom Nesbit</i>	
1. Social Class and Adult Education	5
<i>Tom Nesbit</i>	
This chapter provides a historical overview of the development of the concept of class and its applicability to the study of adult education.	
2. Social Class and Adult Education Policy	15
<i>Kjell Rubenson</i>	
Social class has influenced the development of policies about adult education in various countries. The present policy discourse on adult education is a result of weakening working-class interests.	
3. Learning, Literacy, and Identity	27
<i>Lyn Tett</i>	
Assumptions about learner identity are often based on a deficit view of the working classes. This chapter illustrates an alternative discourse that shows how one family literacy program in Scotland generated useful knowledge.	
4. Educational Institutions: Supporting Working-Class Learning	37
<i>Griff Foley</i>	
Asserting that the working class has a distinctive learning style, this chapter argues for a supportive, challenging, and class-conscious pedagogy.	
5. Class in the Classroom	45
<i>Janice Malcolm</i>	
The author considers how class helps to construct the identity and ultimately the teaching of certain groups of educators. The chapter also explores ways of making class explicit in the teacher education classroom.	
6. Social Movements, Class, and Adult Education	53
<i>Shirley Walters</i>	
Social movements in South Africa, often organized around class-related issues, provide rich material to illustrate how class, intertwined with other social categories, shapes organizational and educational practices.	

7. Class and Gender	63
<i>Mechthild Hart</i>	
Women's labor is beneficial to global capitalism; thus, class and gender are inseparable, regardless of the specific national or cultural context in which women work.	
8. Class and Race	73
<i>Shahrazad Mojab</i>	
The author explores the dialectical relationship between class and race as it pertains to adult education epistemology, pedagogy, and practice.	
9. The Continued Relevance of Class	83
<i>Tom Nesbit</i>	
The editor summarizes the volume's main ideas, discusses the practical importance of adopting a class perspective on adult education, and suggests some further readings.
