- de Gues, A., 164
- De Holan, P. M., 232, 233, 234, 237
- Decade of Education for Sustainable
Development, 2
- Deep and broad learning, 32–43
- Delegation: progressive, 116–118,
138; traditional, 115–116, 138
- Depth principle: conclusions on,
53–54; defined, 18, 23; learning
and, 32–43; sense of purpose, 23–
32; short-term targets and, 253;
slow knowing, 43–53
- Descartes, R., 195
- Designer leadership, 262–265
- Dewey, J., 33, 97, 244
- Distributed leadership: as actuality,
109–110; anarchic distribution,
135–136; as aspirational future
state, 103–109; assertive distribu-
tion, 130–135, 138; continuum,
111–113, 138; description of, 82,
97–103; emergent, 122–130, 138;
five dimensions of, 112; guided
distribution, 118–122, 138; pro-
gressive delegation, 116–118, 138;
traditional delegation, 115–116,
138
- Diversity: biodiversity, 159–162; con-
clusions on, 190; denying, 165–173;
educational, 15; organizational and
cultural, 162–165; networked,
175–190; restoring, 173–175;
short-term targets and, 254
- Diversity principle, defined, 19, 159
